

SUFFERED FOR YEARS WITH A COMPLICATION OF PELVIC DISEASES.

Robust Women Who Owe Their Restored Health and Usefulness to Pe-ru-na.

Read the Letters of Gratitude From Women Who Have Been Benefited By Dr. Hartman's Advice.

A Multitude of Such Letters Are Received Every Year.

A TYPICAL LETTER.

Mrs. Carry Peduzzi, Linstad, N. Dak., writes:

"I take pleasure in telling you that through your wonderful medicine I am entirely cured of catarrh of the stomach and pelvic organs.

"I was so rundown on account of my illness that I could no longer attend to my housework. I could not eat or sleep and had terrible pain in my back. I took Peruna and in five months I was well. I have not felt so well for a long time.

"I wish everyone who is sick would take Peruna and thus recover their health.

"I have Peruna in the house continually. I thank you for all that you have done for me."

A Medicine of Merit.

Miss Katie A. Washer, 1506 Prentice street, Louisville, Ky., writes:

"As my experience has been so favorable from the use of Peruna, I unhesitatingly state that I believe that it is a medicine of unquestioned merit for all the ills that women suffer from.

"I find that it strengthens and infuses new life into the system, and whenever I feel rundown or over-tired, a few doses of Peruna will strengthen me again."

Found a Friend in Need—Pe-ru-na.

Mrs. Florence Aitkens, 1104 Front St., Toledo, Ohio, writes:

"Peruna cured me of catarrh of the uterus. I took about four bottles when I noticed an improvement and five bottles cured me.

"I do not know what I would have been like to-day had I not obtained Peruna, for I was in a terrible state.

"I had pains all over and was cross and irritable. I was losing hope of ever being well again.

"I am to-day a well woman after suffering for nine months. I cannot tell you how happy I feel, but you will know."

"Peruna is the best medicine on earth. My husband is now taking it and I will always keep Peruna in my house."

"Peruna is the best friend I ever had. It cured me."

America is the Land of Nervous Women.

The majority of women are nervous because they suffer from some form of pelvic catarrh.

The greatest obstacle in the way of recovery is that they do not understand that catarrh is the main source of their illness.

Women who are in doubt as to their ailments should write to Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio, who will give their letters prompt attention, without charge.

Miss Anna McGinn, 161 Plain street, Providence, R. I., writes: "I wish to let you know of the good your medicine has done for me. I had what the doctors called heart trouble. I had been doctoring for a year before I tried your Peruna. I got a bottle of your Peruna and after a week's use of it I began to feel better. I could not eat, sleep, or work, but I have at last found that the medicine that will cure me is Peruna."

PROFESSOR OF MINING AT UNIVERSITY

(From Monday's Guard.)

Professor Arthur C. Terrel, of Colorado, has been appointed professor of mining at the university. He will arrive the first of next week to take up his new duties. Mr. Terrel is a graduate of the Colorado School of Mines, but since his graduation has been prominent in the actual mining of the Rocky Mountain state. The faculty considers itself very fortunate in obtaining him. Professor Terrel fills the position left open by the resignation of Professor J. M. Hyde, who is experting property for an English syndicate in Mexico. Professor Hyde resigned on account of his health.

DEBATING TEAM COACH.

Professor J. B. Brindley, of the department of economics in the university, has been appointed by the committee on oratory and debate coach for the debating teams during the year. Mr. Brindley is very brilliant in this line, having won a gold medal last year at the University of Wisconsin in a contest to choose the best individual debater in that school. Having had so much experience in actual practice, the teams which Mr. Brindley will produce, will be up in every detail in tactics as well as logic and facts.

AMERICANS WIN FIRST GAME FOR CHAMPIONSHIP

Chicago, Oct. 9.—The first game of the world's championship series is to be played today. The weather is cold and partly cloudy, but rain is not likely and it promises to clear to some extent. Sleet began falling at 11:15, but did not continue long.

THE FINAL INNING.

For the Sox, Isbell grounded to Evers; Rohrer flied to Schults and Donohue struck out. The crowd was crazy with apprehension as the Cubs took their places, Moran batting for Checkard. Moran flied to Jones; Ehule grounded to Tannehill; Chance single-

ed to centre; Steinfeldt flied to Jones.

Final score:	R. H. E.
Sox.....	2 4 0
Cubs.....	1 4 2

Died

At Leaburg, October 6, 1906, Theodore Burns Carter, the five-months-old son of Mr. and Mrs. Lamor Carter.

At the family home one mile east of Springfield, Oct. 6, 1906, Mrs. Harriet E. Emory, wife of P. H. Emory, aged 44 years 7 months and 27 days. The cause of death was tuberculosis of the lungs. The funeral was held Monday with interment in the Natron cemetery.

At Creswell, October 6, 1906, Mrs. T. J. Dunton, aged 60 years. Deceased died at the home of her son-in-law, George Hill-gas, and was buried Sunday at Camp Creek cemetery. She leaves the following children: Charles, Bert and Frank Dunton and Mrs. Lou Dunivan, of Crook county; Vivian Dunton, of Walterville; Byron and Gould Dunton, of Lost Valley; Mrs. Nora Coffin, of Everett, Wash., and Mrs. George Hillegas, of Creswell.

At Wending, October 5, 1906, Mrs. Lena B. Cobine, wife of James D. Cobine, aged 35 years and 16 days. The cause of death was heart trouble. She leaves, besides her husband, three children. The funeral was held Sunday afternoon with interment in the Springfield L. O. O. F. cemetery.

At her home on East Thirteenth street, in Fairmont, Sunday, October 7, 1906, at 11:45 a. m., Mrs. H. M. Black, from a complication of diseases. She leaves a husband and five children.

Wanted

Timber near city suitable for cord wood. State price per cord and distance from town. Address W. W. MOORE, Eugene.

WANTED—To hire horse for plowing. Address Joe John, Goshen, O.

The largest carload of cascara bark ever shipped was loaded at the Eugene depot today for shipment by the Seattle Chittim Co. to New York. It consists of 60,000 pounds, whereas the average carload is 30,000 pounds.

CANNOT BLOGKADE BLUE RIVER ROAD

The court, upon a hearing this afternoon, issued a temporary injunction restraining the Lucky Boy Co. from blocking the Blue River road. This decision is in the case of Powers et al vs. the Lucky Boy Co., and Williams & Bean appeared for the plaintiff and Thompson & Hardy for the defendant mining company.

Married

At the Hoffman House in Eugene Saturday evening, October 6, 1906, Geo. W. Ivens and Hettie D. Christian, Rev. J. S. McCallum officiating.

At the office of Justice of the Peace Bryson at 12:30 o'clock today, the judge officiating, Wm. I. Smith and Miss Castelle A. Bedell, both of Lane county.

At the residence of Rev. Geo. E. McDonald, the officiating clergyman, in Eugene, October 3, 1906, B. Kramer Deal, of Drain, and Miss L. May Browning, of Lane county.

In Eugene, October 5, 1906, Louis J. Flock, of Douglas county, and Lina A. Warner, of Fall Creek, Justice of the Peace Bryson officiating.

Born

To Chas. Neal and wife, at Springfield, Wednesday morning, October 3, a daughter.

At Creswell, September 27, 1906, to Adelbert Morse and wife, a son.

At Patterson Island, northeast of Eugene, October 1, 1906, to R. W. Kirkpatrick and wife, a son.

In Eugene, September 30, to Mrs. O. J. Kizer, a son.

WANTED—To hire horse for plowing. Address Joe John, Goshen, O.

The largest carload of cascara bark ever shipped was loaded at the Eugene depot today for shipment by the Seattle Chittim Co. to New York. It consists of 60,000 pounds, whereas the average carload is 30,000 pounds.

BLUE RIVER MINERS ENJOIN LUCKY BOY CO.

(From Thursday's Guard.)

Pending the decision of the circuit court in regard to the opening of the Lucky Boy road from Blue River City to the mines, as recently ordered by the county court, an injunction suit has been instituted by a large number of mine owners in the district to restrain the Lucky Boy Mining Co. from maintaining the present obstruction to the road, thus giving the public free access to and from the district. The plaintiffs in the suit are as follows:

S. C. Sparks, T. A. Topham, J. F. Tate, Dexter Sparks, Ben Anderson, W. S. Standish, J. E. McCauley, James A. Hennessy, John Krognes, Bart Tate, A. H. Taylor, Neils Sal-vick, P. H. Kylo, John Hawkinson, J. W. Gibbs, E. Runyard, Glenn O. Powers, B. F. Dorris.

In their complaint, which was filed in the circuit court today by their attorneys, Williams & Bean, they allege in substance as follows:

"That plaintiffs are miners owning numerous mining claims in the Blue River district. That for more than 25 years past mining and the development of mineral claims on Gold Hill in said district has been carried on by plaintiffs and others. That when mineral was first discovered on Gold Hill and for some years thereafter the only means of transporting supplies into the mines was to pack the same on their backs. That later and more than 15 years ago the plaintiffs and other miners in the district constructed and built a wagon road from the then toll road where it crossed Blue River for a distance of about a mile to Simmons creek, and from Simmons creek to the summit of Gold Hill a trail for pack horses was built. That said road and trail were built so as to enable the miners to more easily transport supplies and provisions into the mines.

That for more than 20 years past said road and trail have been traveled and used by plaintiffs and the public as a highway for the transportation of supplies and machinery into the mines. That during all of said time the plaintiffs and the public used and traveled the road and trail as a public highway without objection, it ren-uption or interference of any person or persons whatsoever. That during the year 1899 said defendant company, while the road and trail were being publicly traveled, constructed a private wagon road over and along the said road and trail to the mines of said defendant. That in the construction of said wagon road by the defendant, the said trail and road built by the plaintiffs was merged into the road built by the defendant. That the plaintiffs and public have traveled and used the road constructed by defendant as a public highway, without interruption, hindrance or objection, ever since the building thereof and up to the 22d day of May, 1906. That on said 22d day of May, 1906, the defendant placed an obstruction across said highway, at a point on the mining claims of defendant, and below the mines of the plaintiff, so as to completely obstruct and prevent the use of said highway to plaintiffs and the public, thereby preventing the plaintiffs from transporting supplies, machinery or provisions to their mines.

That the plaintiffs, in order to carry on development work and in order to be able to comply with the law as to the annual assessment work on their claims, are required to transport large quantities of supplies, machinery and provisions over said highway and to use and travel said highway. That defendant refuses to remove said obstruction or to permit plaintiffs to remove it and refuses to permit plaintiffs or the public from using, traveling over, or the transportation of supplies, machinery or provisions over said highway to the mines of the plaintiffs.

That plaintiffs have no other road or highway over which to travel or transport their supplies, machinery or provisions. That by reason of the wrongful obstruction of the highway the plaintiffs are damaged in the sum of \$—. Wherefore, plaintiffs pray for an order of the court restraining defendant from maintaining said obstruction to said highway, and requiring said defendant to remove said obstruction therefrom so as to permit the plaintiffs and the public to have the unrestricted use and enjoyment of said highway, and that upon a final hearing that said defendant be perpetually enjoined from obstructing in any way said road or in any way interfering with the plaintiffs traveling over said road; and that plaintiffs recover judgment against said defendant for the sum of \$— damages and for costs and disbursements of suit and such other relief as may to the court seem equitable and just in the premises.

SHERIFF FISK BRINGS BACK RUNAWAY PAIR

(From Saturday's Guard.)

Sheriff Fisk returned last night from The Dalles, where he went to bring back Floyd Dubois, charged with the abduction of 14-year-old Mabel Conrad from Marcola about a week ago. He brought the girl along and they were met at the depot by her mother and step-father, who at once took her in charge.

The Dalles Chronicle tells of the capture of Dubois by Sheriff Christman and his deputy, E. B. Wood, as follows:

"The officers kept their weather eye open all day and finally about 10 o'clock last night saw a girl of the description given standing about the Umattilla House corner. She soon crossed over and farther up the street was met by a young man. Believing they had secured a clew the officers followed them up Third street to W. A. Johnson's corner, then on to Fourth and up the grade leading to the bluff. There they were accosted and asked where they were going.

"None of your business," responded Dubois.

"Well, we'll make it our business," said the officers, and then he explained that he was taking the young lady to the home of his sister on the hill. But that explanation wasn't sufficient and the pair were taken to the sheriff's office, where Dubois was put in jail. During the time that the sheriff was dealing with the man, Wood got hold of the girl, who had given a fictitious name, and succeeded in getting her to confess that she was Mabel Conrad and that she came to The Dalles with Dubois Monday. She is a sweet looking girl about fourteen years of age and seemed to have no realization of what she had done, nor the fate that awaited her in the hand of a villain, whom the officers are convinced, from letters found in his pocket, is but a procurer for houses of ill fame, in which he intended to place her.

Dubois, who is 25 years of age, has respectable relatives in this city, though he has always been a profligate."

MARCOLA ELOPERS CAPTURED AT THE DALLES

(From Thursday's Guard.)

Sheriff Fisk this forenoon received a telephone message from Sheriff Levi Christman, at The Dalles, stating that Floyd Dubois and Mabel Conrad, who eloped from Marcola a few days ago, had been caught at The Dalles. Sheriff Fisk left this afternoon to bring them back.

Dubois is charged with taking away a girl under 16 years of age for immoral purposes. The girl is only 14 years of age and is a step-daughter of Homer Kelly, of Marcola.

BENTON, ALIAS DUBOIS, BEFORE JUSTICE OF PEACE

(From Monday's Guard.)

Floyd Benton, alias DuBois, who was arrested at The Dalles a few days ago on a warrant issued out of Justice of the Peace Bryson's court in Eugene, charging him with taking away Mabel Conrad, of Marcola, a girl under the age of 16 years, without the consent of her parents for the purpose of cohabitation and prostitution, was taken before the justice Saturday evening. He pleaded not guilty and the time for deciding whether or not he wished a hearing was set for 10 o'clock this forenoon. This morning he appeared with his attorney, L. Bilyen, and decided upon a preliminary examination, which was set for Thursday at 1 p. m. The penalty for the crime is imprisonment in the penitentiary from one to two years, imprisonment in the county jail from three months to a year, or a fine of from \$100 to \$500.

Benton's step-father, Dubois by name, is here to arrange for his defense.

Albany Democrat: Chief Farrington of Eugene does things. Yesterday he arrested Herman Breyer and Ryan Blachley on the charge of violating the local option law on separate charges.

A man from Drain says work is being pushed vigorously on the Coos Bay road. Within 25 miles of Drain there are ten big camps of graders. Among the big contracts are two for tunnels which will take 15 months and two years respectively to build. Work is going ahead in a manner to show that the road is a business proposition.

Have You an Extra Room to Heat?

PERFECTION Oil Heater

(Equipped with Smokeless Device.) is an ornament to the home. It is made in two finishes—nickel and japan. Brass oil fount beautifully embossed. Holds 4 quarts of oil and burns 9 hours. Every heater warranted. Do not be satisfied with anything but a PERFECTION Oil Heater. If you cannot get Heater or information from your dealer write to nearest agency for descriptive circular.

The Rayo Lamp makes the home bright. Is the safest and best lamp for all-around household use. Gives a clear, steady light. Fitted with latest improved burner. Made of brass throughout and nickel plated. Every lamp warranted. Suitable for library, dining room or parlor. If not at your dealer's write to nearest agency.

JOHN D. ROCKEFELLER'S RECENT INTERVIEW

John D. Rockefeller has yielded to the persuasive appeal of a Cleveland interviewer and expressed his opinion with clearness on American trade interests in Europe. But he errs when he says: "The French people hate us, and they will crush us if they can. They want our money. They want the patronage of our tourists. But they hate us. They never let slip an opportunity to take quick advantage of our mistakes. This is a struggle for supremacy. We must win or they will, and there will be no quarter for us if they win." Our country is on the best of terms with France, which has been our friend since her troops enabled us to compel Cornwallis to surrender at Yorktown. Imperial troops invaded Mexico during our civil war in seeming hostility to this country, but they represented the Third Napoleon, not the French people. Mr. Rockefeller has received false impressions in France.

HARMFUL STOMACH DOSING SCOVILLE DEFENDED GARFIELD'S ASSASSIN

Physicians and scientists agree that the less medicine one swallows the better. It is in keeping with this idea that Hyomei is recommended by leading physicians throughout this and other catarrhal sections.

When this treatment is used in catarrhal troubles there is no stomach dosing, for the medicine is taken in with the air you breathe, and goes right to the spot where the catarrhal germs are present, healing the inflamed and irritated mucous membrane, killing the disease germs and entering the blood with the oxygen, driving all catarrhal germs from the system. Do not try to cure catarrh of the head by putting medicine into your stomach—this is neither a scientific nor common sense treatment. Breathe the healing balsams of Hyomei and in a few days you will notice relief, and its continued use will result in a complete and lasting cure.

Mr. Hull has seen so many cures made by Hyomei among his customers, several of them cases where all hope of relief has been given up, that he gives an absolute guarantee of cure, or money will be refunded, with every outfit he sells.

The complete Hyomei outfit costs but \$1, while extra bottles of Hyomei, if needed, are only 50 cents. o 9 19 30

CASTORIA. The Kind You Have Always Bought. Bears the Signature of Dr. J. C. Ayer & Co., Lowell, Mass.

W. W. Adams, residing near Springfield, was a pleasant business caller at The Guard office Saturday.

J. F. Inman, of Elmira was in the city Saturday.

Geo. W. Stewart, of Springfield, was looking after business matters in Eugene Saturday.

Hynson Smith, a well-known and respected pioneer of Lane county, who resides near Junction City, was in Eugene Tuesday. Mr. Smith settled in this county in 1854.

S. M. Stiers, of Lowell, was attending to business matters in Eugene last Thursday.
