

**PROMINENT HOSPITALS SAY  
PE-RU-NA DOES WONDERS  
IN RELIEVING ALL CATARRHAL DISEASES.**

SISTERS OF THE GOOD SHEPHERD, MONTREAL.

**HOSPITALS ALL OVER THE CONTINENT FIND PE-RU-NA VALUABLE IN TREATING ALL CATARRHAL DISEASES.**

**CATARRH** of the respiratory organs is a common ailment in Canada for almost two thirds of the year. This condition is no doubt caused by the long, severe winters experienced in this part of the continent. Therefore, when Peruna was discovered by Canadian people to be a reliable remedy for these catarrhal diseases, it at once became a popular medicine, not only among individuals and families, but in the great hospitals, where it was used as a preventative and relief in hundreds of cases. These institutions do not hesitate to give their endorsement of the remedy which has been so helpful in the treatment of their poor and sick. Among these institutions is that of the Sisters of Good Shepherd, who gave the following endorsement:

**The Peruna Company, Columbus, Ohio.**

*Having used Peruna for the past few months, for our sick and poor, we are happy to say that it has given us great satisfaction.*

**The Sisters of the Good Shepherd, Montreal, August 20, 1903.**

After a continued use of the remedy, this institution has found no reason to change its good opinion of the remedy and expresses its satisfaction in the following terms:

Montreal, Nov. 7, 1903.  
We found Peruna a relief in several cases.  
We can say it is a good tonic and we are very thankful  
Sisters of the Good Shepherd.

When catarrh once fastens itself upon the system, it becomes an obstinate disease to eradicate. A systemic remedy—one that reaches every internal organ of the body—is an absolute necessity. Peruna is just such a remedy. It searches out the cause of the disease, healing and strengthening the mucous membranes, and thus giving Nature an opportunity to perform her part of the restorative process. One of the many hospitals which have found Peruna of value in treating old and obstinate cases of catarrh is the Hospital St. John, who write, as follows:

"We are happy to tell you that your Peruna has given us satisfaction. Three patients have tried it, one 68 years old, Renou Dupuis, afflicted with catarrh, is much relieved, more than he has been for a number of years.

"A young girl, 15 years old, had an obstinate cough, which had a bottle of Peruna caused to disappear.

"As to myself, two bottles have convinced me that Peruna is a magnificent medicine."

"Before the treatment I could not walk for a quarter of an hour without experiencing much fatigue. Now I can walk a mile easily.

"Through these three cases we desire to make known to the public the efficiency of your remedy."

Hospital St. John, of St. Johns, Province of Quebec.

A later letter received from the same institution reads as follows:

"Three weeks ago I wrote to tell you how satisfactory we found Peruna. We recommend it highly for colds, coughs, catarrh and neuralgia.

"I have used it myself as a tonic with the best results, taken as directed, half a teaspoonful every half hour."

Peruna not only promptly relieves coughs and colds in their first stages, but is equally prompt and efficient for catarrhal diseases in the chronic stage. Of course, it is only reasonable to suppose that a great deal less medicine will be necessary to cure a slight attack of catarrh than would be required to relieve the ailment after it had been allowed to become chronic.

Directions for taking the remedy will be found on each bottle, also in Dr. Heston's book, "Cure of Coughs, Colds and Catarrhs," which can be obtained from your druggist for the asking.

For special instructions write to Dr. Heston, President of the Heston Sanitarium, Columbus, O., U. S. A.

**The Ideal Family Laxative**  
is one that can be used by the entire family, young and old, weak and strong, without any danger of harmful effects. It should have properties which insure the same dose, always having the same effect, otherwise the quantity will have to be increased and finally lose its effect altogether. These properties can be found in that old family remedy, Brandreth's Pills, because its ingredients are of the purest herbal extracts, and every pill is kept for three years before being sold, which allows them to mellow and do not believe there is a laxative on the market that is so carefully made.

Brandreth's Pills are the same fine laxative tonic pill your grandparents used. They have been in use for over a century, and are sold in every drug and medicine store, either plain or sugar-coated.

Lee Cheshire, of Junction City, was a pleasant caller at The Guard office Friday.

**Advertisement for Doan's Kidney Pills:**  
Eugene People Are Doing All They Can for Fellow Sufferers.  
Eugene testimony has been published to prove the merits of Doan's Kidney Pills to others in Eugene who suffer from bad backs and other kidney ills. Last any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Eugene people saying that the cures they told of years ago were permanent. Here's a Eugene case:  
A. S. Powers, of 154 West Eleventh street, Eugene, Ore., says: "I can only repeat what I said in the early part of 1903 regarding the great benefit my brother found through the use of Doan's Kidney Pills, procured at W. L. Delano's drug store. He had been a sufferer from backache and kidney complaint for a number of years. The worst symptoms were pain in the back and irregularity of the kidney secretions. Nothing ever helped him until he got Doan's Kidney Pills. He used them with the greatest benefit and knowing his satisfactory experience with them I have been well pleased to recommend the remedy on every occasion."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

**RAWLINGS  
HANGED WITH  
NEGRO SERVANT**

Valdosta, Ga., Dec. 4.—J. G. Rawlings (white) and Al Moore (negro) were hanged here today for the murder of Willie and Carrie Carter in July, 1905. Both men went to the scaffold without a tremor. The murder was the outcome of a quarrel over land between Rawlings and W. L. Carter, both of whom were Baptist ministers. Rawlings' two sons are also under sentence of death in connection with the conspiracy to murder the Carter family. They are aged 17 and 19 years.  
Rawlings expressed himself as anxious to expiate his crime.  
Rawlings and Carter were both preachers until they settled on adjoining farms, and the daughter of one was to marry the son of the other when a feud started.  
The feud did not result in any deaths until the night of June 13, when the two Rawlings boys, accompanied by Moore, the negro, went by moonlight to the Carter homestead to exterminate the whole Carter family.

**PRETTY HOME WEDDING  
AT CRESWELL NOV. 29**

Miss Clara Bell Sly and John Wiley Maxwell United in the Holy Bonds of Matrimony.  
A very pretty home wedding took place at the residence of Mr. and Mrs. Frank E. Sly at Creswell when their only daughter, Clara Bell Sly, was united in the holy bonds of matrimony to Mr. John Wiley Maxwell, of Irving, on Thanksgiving, November 29th, at high noon, by Rev. J. L. Stratford, pastor of the M. E. church of Creswell. They were attended by Miss Sadie Sweet, of Eugene, an old schoolmate of the bride, and Vern R. Sly, youngest brother of the bride. The bridal party marched down the stairs to the sweet strains of Mendelssohn's wedding march played by Vern Appedson, of Eugene. They took their places in the archway from which was suspended a beautiful floral ball. The bridesmaid wore white China silk and carried pink chrysanthemums tied with white ribbon. The bride was handsomely gowned in cream Eolune silk, with embroidered chiffon, and carried a shower bouquet of white chrysanthemums tied with white ribbon.  
The parlors were very artistically decorated with Oregon forest greenery, chrysanthemums, and potted plants. After congratulations the wedding party repaired to the dining room, where a sumptuous repast awaited them. The bride's table was beautifully decorated. From the ceiling hung a large white bell, white ribbons suspending from bell to table tied with yellow chrysanthemums and white ribbon bows, assigning each to their place.  
The couple, who are very highly esteemed, were the recipients of many valuable and useful presents. Out of town guests were: Mr. and Mrs. John Maxwell and family, Mr. and Mrs. Charles Fribble and family, Mr. and Mrs. Rice and family, of Irving; Mr. and Mrs. Henry Maxwell, of Tacoma; Mr. and Mrs. Wesley Pennington, Mr. and Mrs. E. Wheeler, Mr. and Mrs. Harvey Apperson, Mrs. Hannah West, Mrs. Hattie Richards, Vera Apperson, of Eugene; Louis G. Apperson and Mrs. A. F. Julien, of Portland.

**CORPORATIONS  
ASK LOWER  
ASSESSMENT**

Assessor B. F. Keeney has received "kicks" on the assessment of the big corporations doing business in Lane county, namely, the Southern Pacific Company and the Pacific States Telephone and Telegraph Company.  
The Southern Pacific Company asks that the assessment on the main line be reduced as follows: On the roadbed, from \$17,000 to \$16,000 per mile, and on the rolling stock from \$2,000 to \$400 per mile; on the branch lines, the roadbed from \$19,000 to \$5,000 per mile, and on \$10,000 to \$5,000 per mile, and on \$400.  
The assessment on the property of the Pacific States Company has been fixed at \$33,359, but the company wants it reduced to \$26,246.  
Assessor Keeney, in fixing the assessment on all corporations, as well as on the property of individuals, figured on a cash valuation basis, as he announced that he would do before the work of assessing began. He feels that the Southern Pacific and Pacific States assessments are just and declares there will be no reduction.

The names Internal, External, Bleeding, Blind, Itching, Suppurating, etc., are simply names of different stages through which every case will pass if it continues long enough.  
Piles are caused by congestion or stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause.
