ROOSEVELT'S MESSAGE STIRS UP CALIFORNIA

Washington, Dec. 4.—President Roosevelt's reference to the San Francisco school situation in his message was received with great dissatisfaction in the house, who assert that no treaty rights have been violated in excluding Japanese from the public schools attended by white children. Representative Hayes stated that if any treaty of the United States prevents California from running its schools as it sees fit that treaty is clearly unconstitutional and should not stand.

A meeting of the California delegation will be held to discuss the San Francisco situation. The suggestion of Roosevelt in his message that naturalization be extended to the Japanese is also extremely distasteful to the California delegation in the house.

ELECTION EXPENSES IN GREAT BRITAIN

London, Dec. 1.—The parliamentary return of the "official" expenses of candidates at the recent election shows that it cost 670 members of parliament \$5,334,290 to obtain their seats, an average per vote of 98 cents. The sums privately dispersed would make a substantial increase in the total, judging from the evidence of some of the bribery trials which followed the elections.

GENERAL NEWS NOTES.

A very pretty home wedding took place Thanksgiving evening at 6:30 o'clock at the residence of Mr. and Mrs. J. F. Neat, when their son, George E., and Miss Mary A. Sharon were united in marriage by Rev. W. J. Gardner, of the Methodist Episcopal church, in the presence of relatives and intimate friends. The bride was attired in a cream albatross dress, and the groom wore the conventional black. After the ceremony a delicious supper was served. The number of presents received testify to the high regard in which this young couple is held by their many friends. The bride is the eldest daughter of Mr. and Mrs. Charles Sharon, and has been active in church circles. The groom is one of the planmen of the Booth-Kelly Co.'s large mill at Springfield, at which place Mr. and Mrs. Neat will make their home.

LANE COUNTY FARMER ADVOCATES FRUIT SHOW

J. M. Carille, a well-known resident of the Chickahominy section, in this county, was in town today to talk with a Guard representative. He advanced the idea that a Lane county fruit show would be a thing for next fall. He has been reading about the (re-famed) Hood River apples and believes that this county is producing fruit equally as good. To back up his assertion, Carille brought to the Guard office several apples of this year's crop that would be hard to beat anywhere at home just as good.

Mr. Carille is of the opinion that a fruit show would be an incentive to growers to take better care of their orchards, and would be beneficial in many respects, as well as advertising our products to the world at large.

This suggestion would be a boon one for the Eugene Commercial Club to consider.

GRITS LETTER FROM NEVADA MINING CAMP

D. McMillan writes from Primm, Nevada, to his wife, who is at present scoping with Dr. Christie, that it is the greatest mining camp in the world; that Alaska is not in it. Wages for carpenters are \$8 per day for eight hours and very scarce. Wood is \$35 per cord and provisions about the same as in Eugene. Meals are 75 cents and beds \$1 per night.

Mr. McMillan will send for his wife as soon as he can get a place for her to live in. The railroad will be completed by the 15th of this month, when an excursion will be given from Los Angeles and Salt Lake City.

SEVERE ACCIDENT TO WALTERVILLE MAN

MATT EMERICK DRAGGED BENEATH SLED AND HIS LEG BROKEN — ITEMS OF INTEREST FROM UP THE MCKENZIE

(Special Correspondence.)
Walterville, Dec. 4.—Quite a number of young ladies from the high school spent Thanksgiving in Walterville and vicinity.

Miss Fannie Millican spent Thanksgiving with her parents, returning home Sunday.

We are all sorry to learn of Matt Emerick's accident. Saturday morning while hitching up to a sled the horses started and in some way caught his foot under the sled and dragged him about six feet, breaking his right leg just above the ankle. Dr. Day was sent for and reached here just about six hours after the accident and set the broken limb. Mr. Emerick seems to be rather unfortunate, as just about a year ago he had the misfortune to get his shoulder bone broken while working in a logging camp and was unable to work for some time.

Wallace Brownson and Robert Hays, of Thurston, are moving their families to C. H. Jennings' place just above here.

Miss Ada Millican has gone to Eugene to visit for a few days.

Mrs. Z. Hartwig has moved back to Walterville again, after being at Gate Creek all summer.

Mr. and Mrs. J. H. Peatross returned from a business trip to Eugene yesterday.

Lawrence Millican is hauling rolled barley from Springfield to J. W. Shumate.

A DANDY FOR BURNS.

Dr. Bergin, Pana., Ill., writes: "I have used Ballard's Snow Liniment; always recommended it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidents cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house, for cases of emergency. 25c., 50c., and \$1. Sold by Linn Drug Co.

DEADWOOD ITEMS.

(Special Correspondence.)
Deadwood, Dec. 4.—Mrs. Slemmons and son spent Thanksgiving with her folks of Mapleton.

Mr. and Mrs. Reed were visiting relatives at the lake this week.

Mr. Lerie Berkshire has sold his ranch to a Portland company, Mr. Jess Brown as agent. We are sorry to see him leave.

The supervisor in district No. 35 is making some fine changes around mud holes which were very much needed.

Mr. O. Wilcutt has sold, or contracted, to Mr. Jess Brown, 50 acres of timber, the price being \$1,000.

Mrs. Wm. Wheeler, of Greenleaf, is visiting her mother, Mrs. Thomas Taber, of Eugene, this week.

Mr. Ira Brown and family are in Eugene as witnesses for Mr. Edmund Gurney.

Miss Beatrice Wolcott is visiting her sister, Mrs. Burnett, of Indian creek.

Mr. Carl Rice spent Thanksgiving on Deadwood. Wonder where?

Mr. Sam Brown, of Greenleaf, has gone to Mapleton on business.

Everybody seems to be quite excited over timber hereabouts, and several sales have been made.

Mr. Edmund Gurney, of Portland, is on Lake creek gathering up his
