

RENSHAW PROPERTY CHOSEN AS THE POSTOFFICE SITE

(Special to Daily Guard.)
Washington, Dec. 11.—Assistant Secretary of the Treasury Edwards yesterday afternoon accepted the proposal of M. Renshaw, who offered lots at the corner of Sixth and Yamette streets for \$6,000, as a site for the new federal building in Eugene.

The news of the selection of the site for the new postoffice building has been anxiously awaited by the city of Eugene for several weeks. The Guard is glad to be the first to give it to them. The site chosen was one among several offered, and is in a very convenient part of the city.

Renshaw's original proposal was \$12,000, but he reduced it \$1,000 and the owners of property in the vicinity put up \$5,000 to reduce the price of the lot to \$6,000. The amount of money Mr. Renshaw receives from the government, after other lots offered and the prices as follows:

W. Sanders, Olive street, between West Ninth and West Tenth; \$10,000.
M. Shelley, corner West Eighth

and Charnelton; \$6,666.50.
Haskell and Ness, West Ninth and Olive; \$11,500.

L. L. Whitson (Henderson estate) corner East Eighth and Pearl; \$7,000.

F. L. Chambers, Sixth and Williamette; \$9,950.

J. T. Rowland & Co., East Eleventh and Oak; \$5,800.

Mrs. F. Rostein, East Ninth and Pearl; \$9,500.

L. N. Roney, Fifth and Williamette; \$4,000.

Elma and Norma Hendricks, East Ninth and Oak; \$15,000.

L. Bilyen, West Seventh and Lincoln; \$8,000.

In several instances the original price was reduced several thousand dollars by the subscription to a fund by adjoining property owners, as in the case of the Renshaw lot.

The Proper Spirit.
Hon. J. M. Shelley, whose proffered site was generally supposed to be the favored one, expressed himself this afternoon as well pleased with the selection.

"What we want to do now," said Mr. Shelley, "is to pull together to double the appropriation."

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema—Instantaneous Relief By Cuticura—Little Boy's Hands and Arms Also Were a Mass of Torturing Sores—Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

"In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

GONE TO HER REWARD.

On Saturday morning, December 8, 1906, Mrs. L. A. Kanoff peacefully surrendered this life in order that she might enjoy the immortal life beyond.

Mrs. Kanoff was born January 13, 1882, in Williamson county, Texas. There some of her happy childhood days were spent under the loving care of her father and mother, Mr. and Mrs. Price, till eight years of age, when the rest of the family moved to Montesano, Wash., at which place they resided for about two years. At the end of this time the family came to Oregon, settling at Waterville, where they have resided during the past 14 years.

It was on December 4, 1904, when she (then Miss Mamie Price) was united in marriage to L. A. Kanoff. To them was born a son, now four years old.

The happy couple made their home at Waterville until about three months ago, at which time, on account of poor health, Mrs. Kanoff was brought to Eugene.

After so long an illness, with only temporary relief, and finally becoming weaker, it seems that God saw fit to call her to rest at 5 o'clock Saturday morning, December 8, 1906, as she was nearing the age of 25. She leaves to mourn her loss a husband and child, besides a father, mother and three brothers, as well as a host of friends.

On Sunday morning, December 9, the body was taken to the Camp Creek cemetery, near Waterville, for burial. The services were conducted by W. A. Gressman, of Eugene.

The bereaved relatives have the sympathy of all who knew them.

It appears that sympathy and love toward all about her were marked characteristics of her life. In those same respects she was likewise regarded by those who were near and dear to her.

"For life is a mirror of king or queen,
It's just what you are and do;
Then give to the world the best that you have,
And the best shall come back to you."

OPPOSE CUTTING SLICE OFF OF THE COUNTY

As announced in yesterday's Guard, the Commercial Club met last night for the purpose of discussing the proposed cutting off of a slice of Lane county in the Blue River mining district and annexing it to Linn county. After a thorough discussion it was voted as the sense of the meeting that the club opposes such action, and that it should be worked against at the coming session of the legislature.

A committee consisting of D. A. Paine, C. A. Wintermeier and S. H. Friendly, was appointed to confer with the county court with reference to constructing a road to the Linn county line for the benefit of mining men on the Calappa side, and to give Linn county access to the mining property of that section.

Upon the reading of a letter from Joe Teal, of Portland, urging the importance of a permanent committee to carry on active work and to confer with like committees from other counties on matters pertaining to proposed railroad legislation, A. C. Dixon and W. G. Gilstrap were named as two members of a committee of five, the other members to be appointed later.
