PLEASANT HILL ITEMS.

(Special Correspondence.)

Pleasant Hill, Feb. 28.--Farmers
are making good progress with seed-
ing and are hopeful of the "fat har-
vest" which proverbially follows a
hard winter.

The Jasper ferry is once more run-
ning, to the satisfaction of the people
in this section, though all feel as
though a bridge was about due at
this place.

From the howl going up all over
this part of the county about the
increased taxes, one might suppose
there would be something doing
about next election.

A Hazelwood creamery agent was
canvassing this section a few days
ago in view of establishing another
cream route.

Mrs. D. Read has been dangerously
ill, but at this time is believed
to be out of danger.

Mrs. Mary Bristow, of Cunning-
ham, Wash., who has been here for
several weeks attending her mother,
Mrs. Jane West, who has been very
sick, will leave soon for her home in
Washington.

Mrs. Ed Lattin is spending several
weeks in Eugene.

Mrs. Ella Bridges, who has been on
the sick list for several weeks, is
slightly improved in health.

There will be a basket social at the
W. O. W. hall on the evening of

March 9th for the benefit of the
baseball boys.

The funeral of James Scrivener, of
Cloverdale, formerly of Dexter, was
held on Monday from the Christian
church at this place, with interment
in the Pleasant Hill cemetery. Mr.
Scrivener was a prosperous and high-
ly respected citizen and in spite of
the storm a large crowd assembled
to pay their last respects. Rev. Cal-
lison preached the discourse, and the
Goshen lodge, I. O. O. F., attended
in regalia. REGULAR.

Terribly Distressing.

Nothing can cause more pain and
distress than piles.

No wonder many pile sufferers say
their lives are burdens to them.

Ointments and local treatments
may relieve but cannot cure.

Dr. Leonhardt's Hem-Roid is guar-
anteed to cure any case of piles.

If Hem-Roid doesn't cure you, you
get your money back.

Hem-Roid is a tablet taken inter-
nally, thus removing the cause.

SAYS PHYSICIANS' LICENSE LAW NOT CONSTITUTIONAL

Deputy District Attorney John M.
Williams was called to Cottage Grove
yesterday to prosecute Dr. W. E.
Best, a well-known physician of that
city, who had been arrested for prac-
ticing medicine without a license.
The attorneys for Dr. Best filed a de-
murrer to the complaint on the ground
that the law governing the case is
unconstitutional. Justice of the
Peace Joe Young sustained the de-
murrer and the case was dismissed.

TRY GENERAL STOSSEL ON COWARDICE CHARGE

(Continued from Page 1)

Stoessel and Fock brought about the
investment of the fortress several
months earlier than necessary, and
after the investment a desire for un-
deserved glory moved Stoessel to in-
terfere in the defense with unfortu-
nate results. Finally at the last pe-
riod of the siege Stoessel usurped my
authority with the assistance of Gen-
erals Fock and Reiss, and committed
treason in surrendering suddenly and
prematurely. I regard our defeat at
Mukden as a direct result of this
treason."

Smirnoff declares that when he pro-
hibited the withdrawal of provisions
in preparation for the siege, General
Stoessel disregarded the order and al-
lowed their sale in the field to the
army. He charged also that Stoessel
revoked an order for the establish-
ment of a hospital for contagious
diseases because the site chosen
would lessen the desirability as a re-
sidence of General Fock's villa. He
relates numerous instances of con-
flicts of authority, and says that at
one period the relations between Stoessel
and the late Admiral Witte, in
command of the Russian fleet, were
severely strained.

He also tells of severe condemna-
tion of Stoessel, his plans for the de-
fense of the fortress and his failure
to supplement the supply of provisions
by General Kuropatkin and Ad-
miral Alexieff, the viceroy of the Far
East, when they visited the fortress
in June.

General Smirnoff charges that Stoessel
was guilty of the rankest kind of
cowardice, the most inexcusable
ignorance of engineering, of costly
tactical errors, and that he sought to
bring credit to himself for notable
achievements of others.

Rising From the Grave.

A prominent manufacturer, Wm.
A. Fertil, of Lucama, N. C., re-
lates a most remarkable experience.
He says: "After taking less than
three bottles of Electric Bitters, I
feel like one rising from the grave.
My trouble is Bright's Disease, in
the Diabetes stage. I fully believe
Electric Bitters will cure me perma-
nently, for it has already stopped
the liver and bladder complications
which have troubled me for years." Guaranteed
at W. L. De Lano, druggist. Price, only 56c.

NOTICE

I desire to thank the citizens of

eral patronage and confidence given
me during my residence in Eugene.
I also ask for the continuance of the

and favorably known throughout the
county, and who need no introduction
at my hands.

C. D. COMBS SELLS OUT TO COLORADO MAN

C. D. Combs, who has conducted a
grocery store in Eugene for a number
of years past, being located in the
Schneider block at the corner of West
Eighth and Olive streets during the
last three or four years, has sold out
to W. A. Bell, formerly of Colorado
Springs, Colo., but more recently
from Salem. He took charge of the
business today. He is said to be
thoroughly conversant with the gro-
cery business and will no doubt enjoy
the excellent patronage that Mr.
Combs has been accorded by Eugene
people.

Mr. Combs is yet undecided as to
what business he will enter, but will
probably remain in Eugene.

S. P. CO. BUILDS WHARF AT GARDINER

The S. P. Co. has commenced op-
erations for the building of a wharf
and warehouse near the Gardiner
creamery for unloading and storing
their supplies. Thirty thousand bar-
rels of cement will be unloaded here
as soon as the wharf is ready. The
S. P. steamers will bring in these
supplies. The work on the road is
said to be very heavy on account of
the tunneling and bridges. Ten
bridges are required between Drain
and Elkton on Elk creek. It will
take at least two years to complete
the road this far.--Gardiner Gazette.

POVERTY RIDGE ITEMS

(Special Correspondence.)

Poverty Ridge, Feb. 28.--Joe Gans
is fixing his fences.

Mike Hanson is sorting his spuds.
They are legal tender now.

Harvey Jackson made a new ox
yoke Saturday.

Ike Newton, our inventive genius,
has perfected a milking machine.

A steady advance all along the line.
Since our congressmen voted them-
selves an increase in salary the rail-
splitters of the ridge had a hunch
that their compensation had not been
advanced sufficiently to meet the
present high cost of living. They
held a meeting, formed a union, and
are now demanding \$1.50 per hun-
dred for ten-foot rails. The old-tim-
ers are up on their hind legs. They
threaten to buy wire.

While Harry Jackson and a friend
were riding to meeting last Sunday
his oxen became frightened at a pass-
ing automobile and bolted. Running
into a stump they demolished the
cart and precipitated the occupants
into the mud. No serious injury,
however.

HONEST PACK.

The Evils of Constipation

are many; in fact almost every seri-
ous illness has its origin in consti-
pation, and some medicines, instead
of preventing constipation, add to it.
This is true of most cathartics, which,
when first used, have a beneficial ef-
fect, but the dose has to be increased
continually, and before long the rem-
edy ceases to have the slightest ef-
fect. There is one preparation, how-
ever, that can be relied upon to pro-
duce the same results with the same
dose, even after fifty years' daily
use, and it is Brandreth's Pills, which
has a record of over one hundred
years as the standard remedy for
constipation and all troubles arising
from an impure state of the blood.

Brandreth's Pills are the same fine
laxative tonic pill your grandparents
used and can be found in every drug
and medicine store, either plain or
sugar-coated.

\$100 REWARD--\$100

The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages,
and that is catarrh. Hall's Catarrh
Cure is the only positive catarrh cure
known to the medical fraternity. Cat-
arrh being a constitutional disease,
requires constitutional treatment.
Hall's Catarrh Cure is taken inter-
nally, acting directly upon the blood
and mucous surfaces of the system,
thereby destroying the foundation of
the disease and giving the patient
strength by building up the constitu-
tion and assisting nature in its
work. The proprietors have so much
faith in its curative powers that they
offer \$100 for any case that it
fails to cure. Send for list of testi-
monials.

Address F. J. CHENEY & CO., To-
ledo, Ohio. Sold by all druggists, 75c.
