Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—40,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsapars, as well as in the usual liquid form. Sarsapars have identically the same curative properties as the liquid form, besides accuracy of dose, convenience, economy, —there being no loss by evaporation, breakage, or leakage. Sold by druggists or sent by mail, C. I. Hood Co., Lowell, Mass.
