The Weekly Guard is still clubbed with the Semi-Weekly Oregon Journal, at \$2.25 a year for both papers. cations to

GUARD PRINTING CO., Eugene, Oregon.

THE "ANARCHIST" ARGUMENT We have understood that a Eugene businessman has called the editor of the Guard an anarchist because this paper urged the people of Eugene and the uppar Willamette Valley to fight with every weapon at their command against the Southern Pacific's determination to throttle the industries of this section, and squeeze shippers for every cent the raffic will stand. "Anarchist" and 'demagogue' are the favorite arguare used to being called names, how-

ever, and do not mind it in the least. against the operations of any corporation, confined within legitimate, reasonable lines, and is a staunch deso employed, and will be found upoccasion and in all circumstances. But when a section of country is robbed by a public service corpo.ation as the Willamette Valley is and has been for years by the Southern Pacific, we will not shirk a duty and remain quiet, as some newspapers do, subsidized or controlled by subtle influen-
