## LUMBERMEN WILL STATE THEIR GRIEVANCES

Cottage Grove, May 11.—The Western Lumbering Manufacturing Association held its regular meeting here yesterday evening. There was a large attendance, representing the lumbering interests from Drain to as far north as Portland. One of the principal features of the meeting was the appointment of a committee to confer with them as to what effect the raise of the rate from \$3.10 to \$5 had had on them. As soon as all the data is in it is the intention to carry the grievances to the Interstate commerce commission at Washington.

Take advantage of the low price on buggies during the SPECIAL SALE. Berger-Bean Bldg.

**Notice of Final Settlement.**  
Notice is hereby given that the undersigned has filed his final account in the matter of the estate of John H. Hill, deceased, and the county court of Lane county, Oregon, has set Monday, the 24th day of June, 1907, at 10 o'clock in the forenoon as the time for hearing said account. All persons interested are hereby notified to appear in said court at said time and show cause, if any, why said account should not be allowed, and said administrator discharged, to-wit: at the time for hearing said account.

JAMES W. HILL,  
Administrator of the estate of John H. Hill, deceased.  
L. M. TRAVIS,  
Attorney for the estate.

## RAIN OF LAST WEEK GENERAL

Following is the weekly report on Western Oregon weather conditions issued by the bureau at Portland for the week ending Tuesday, May 14:

**General Summary.**  
The weather up to Friday was sunny, with normal temperatures. On Friday rain began falling in the coast counties, which gradually spread to include the entire state. The rains ceased in the western counties Sunday afternoon and in the eastern counties Monday morning. They were sufficiently heavy to effectually break the drought in all districts west of the Cascade mountains. To the east of this range of mountains the rainfall averaged less than one-quarter of an inch, and it was of great benefit, notwithstanding more moisture is still needed in that district. The weather was unusually windy just preceding the beginning of the rain, but no serious damage occurred in consequence of high winds. During the latter part of the week it was cooler than usual, especially during the afternoon, when cloudiness prevented the customary diurnal rise in temperature. No harmful frosts occurred.

**Coast District.**  
Bay City, Tillamook county.—During the fore part of the week the mornings were generally cold and cloudy, and the afternoons warm and clear, but on Thursday morning a mist began to fall that settled into a heavy rain that continued through the night.

Fairview, Coos county.—The first half of the week was clear, but the latter half was cloudy, with high southwest winds Thursday night and Friday morning, which were accompanied by rain.

**Willamette Valley.**  
Portland, Multnomah county.—Clear and warm weather prevailed until Wednesday, when cloudiness set in that developed into rain Friday. Moderate rains continued to fall at intervals until Sunday, when the sky began to clear. The week, however, closed cloudy. The temperatures during the latter part of the week were slightly below normal.

Corvallis, Benton county.—The first four days of the week were clear but the remainder of the week was cloudy, with moderate rains. No frosts nor high winds occurred.

McKenzie Bridge, Lane county.—The week was warm and pleasant. The winds were mostly from the northwest. Fogs were frequent during the morning hours.

**Southern Oregon.**  
Grants Pass, Josephine county.—The week has been cloudy and cool. Light rain fell on Friday. Light southwest winds prevailed.  
Kerby, Josephine county.—The fore part of the week was clear; this clear spell was followed by a moderate rain on Friday. A high wind blew Thursday night.

## LEABURG ITEMS

(Special Correspondence.)  
Leaburg, May 14.—William and Geo. Montgomery made a pleasant call at the "burg" on their return from a business trip to Waterville.

Sam Godard has gone to Camp Creek to look after his logging interests.

We hear that Miss Ethel Brewster is preparing a fine program that will be rendered some time next month at the Lower Leaburg schoolhouse. In the entertainment the comedy, "Little Women" will be presented by a select cast of that vicinity.  
Henry Godard, a former citizen of this neighborhood, who has lived in Illinois the past winter, is now, in company with his bride, on his wedding tour visiting relatives and old acquaintances in this community.  
Joe Peplot is hauling piling for Rickman Brothers.  
Reuben Montgomery and wife are the guests of Mrs. Lane.

## THE NATIVE.

**Eighth Grade Examinations.**  
The eighth grade final examination for the public schools will be held

May 16, 17, 1907.

June 13, 14, 1907.  
Teachers who have pupils ready for the examination should notify me of the number of questions wanted and the name of the person appointed to conduct the examination at least 15 days before the date for which the questions are wanted.

W. B. DILLARD,  
County Superintendent.

## GOOD PASTURE

Good pasture for horses and cattle; plenty of water; good fences and reasonable terms. Address John Ingham, Eugene postoffice, or phone Farmers 105. dtf

## STOCK PASTURE

Stock taken for pasture three and a half miles from town. Enquire of E. M. Warren, 442 Lawrence st. j20

James W. Hill, of Hazel Dell, was in the city yesterday arranging for the final settlement of the estate of his father, the late John H. Hill. He tells us that the recent rains were quite heavy there and did a vast amount of good to the crops.

Dr. Lowe, the optician, will be in his Eugene office all next week.

## WEEKLY REPORT OF EUGENE MARKET

Chittim bark—5c.  
Wool—18@21c.  
**Poultry, Eggs, etc.**  
Eggs—Per doz., 15@16c.

Bran—Per ton, \$21.  
Mixed feed—Per ton, \$22.  
Shorts—Per ton, \$25.  
Wheat—Per bushel, 60c.

**Portland Market Report.**  
Portland, Or., May 16.—Following the upward movement of wheat the past few days an advance of 25 cents a barrel on flour is announced, to become effective tomorrow morning. This statement was given out by local milling interests today, and while nothing could be said as to what would be the action of the coast millers outside of Portland, there is no doubt that they will make a corresponding advance. Some of the country milligen have already raised their prices on flour.

**Strawberry Market.**  
Yesterday Front street was bare of strawberries. Today there are stacks of the crated fruit from Florida, Cal. and a number of Oregon points in front of all the commission houses and buyers are taking them as fast as the dealers can hand them out. Two big shipments of California and Oregon berries, one of which was due to arrive yesterday, came in today, and commission men predict that by this evening the market will be practically bare of berries again.

**Salmon Fishing.**  
The salmon fishing season on the Umpqua river, in Southern Oregon, opened Tuesday, and local fresh fish dealers are awaiting with interest reports on the catch in that part of the state.

The salmon catch in California streams so far this season has proved a disappointment, and dealers are not optimistic as to the outlook for the Umpqua fishermen. Local jobbers have been depending largely upon supplies of salmon from the upper Willamette and California. The upper Willamette supply is all but exhausted, and word came from California today that no more salmon were to be had there.

With the catch short in California streams, the chances are that the condition will be the same in Winchester Bay, the outlet of the Umpqua river. Some salmon are taken every year from the Rogue river, but that stream never yields very great quantities, and dealers do not look for much from that quarter this year.

**Brief Notes from the Trade.**  
The situation in the egg market is very much mixed. The tone is generally weaker, with most sales today reported at 15c.

Chickens are easier, especially hens. Springs are not quite so firm in account of smaller arrivals, and some concession in price is reported. The creamery butter situation continues to reflect a very firm tone at former values.  
Hay and millstuffs continue firm but unchanged.

**Livestock Market.**  
The local livestock market is firm today, except for hogs, which are slow and weak at current quotations. A bunch of 290 hogs constituted the receipts today. Quotations are:

Cattle—Best steers, \$5@5.25; medium, \$4.50@4.75; cows, \$4@4.25; fair to medium cows, \$3.50@3.75; bulls, \$1.50@2.50; calves, \$4.50@5.  
Sheep—Best, \$6.25@6.50; shearers, \$5.25@5.50; lambs, \$6@6.50.  
Hogs—Best, \$7@7.25; light weights, \$7@7.25; stockers and feeders, \$6.75@7.25.

## Portland Quotations.

Creamery butter—20@22 1/2 c.  
Eggs—18@18 1/4 c.  
Chickens—13 1/4 c.  
Wheat—Valley, 75c; bluestem, 52c  
Oats—28@29.  
Barley—Per ton, \$22@23.50.  
Hay—Timothy, \$15@16; vetch, \$7.50@8.  
Mohair—Choice, 29@30c.  
Wool—Valley, coarse to medium, 19@20c.  
Hops—1906 crop, 6@8c.  
Potatoes—\$1.85@2.00 per cwt.  
Onions—\$1.00@2.00.  
Chittim bark—5c per pound.

## MARCOLA ITEMS

(Special Correspondence.)  
Marcola, May 14.—Last week's rain was invaluable to the farmers of this section, as it started all of the late spring grain growing.  
Supervisor Calkins is now working on the road. We all live in hopes of having better roads this coming winter.

The flume from S. P. mill No. 2 will be completed by Saturday night. Mrs. S. J. Calkins is visiting friends and relatives at Lost Valley.  
Miss LaDuke, of Eugene, is visiting friends here.

The Eugene Business College will begin a summer session June 1st. Bookkeeping, shorthand, typewriting, removed to the Rankin building, Seventh and Willamette streets. Send for catalogue. Address W. J. Hooker, principal, Eugene, Or. m14

## QUEEN OF ACTRESSES PRAISES PE-RU-NA

MISS JULIA MARLOWE.

"I Am Glad To Write My Endorsement Of The Great Remedy Pe-ru-na. I Do So Most Heartily."  
Julia Marlowe.

ANY remedy that benefits digestion strengthens the nerves. The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and indigestion is the result.

*Peruna is not a nerveine nor a stimulant. It benefits the nerves by benefiting digestion.*

Peruna frees the stomach of catarrhal congestions and normal digestion is the result.

In other words, Peruna goes to the bottom of the woe difficulty, when the disagreeable symptoms disappear. Mrs. J. C. Jamison, 61 Marchant street, Watsonville, Cal., writes:

"I was troubled with my stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months.

"I improved under the treatment, as soon as I stopped taking the medicine, I got bad again.

"I took the medicine for two years, then I got sick again and gave up all hopes of getting cured.

"I saw a testimonial of a man whose case was similar to mine being cured by Peruna, so I thought I would give it a trial.

"I procured a bottle at once and commenced taking it. I have taken several bottles and am entirely cured.

"I have gained in strength and feel like a different person. I believe Peruna is all that is claimed for it."

Nervines, such as coal tar preparations, are doing a great deal of harm. Sleep medicines and headache powders are all alike—heart depressants, and should not be used. The nerves would be all right, if the digestion were good. Peruna corrects the digestion.

## NEWS NOTES OF SPRINGFIELD AND VICINITY

At a meeting of the Springfield city council last Thursday night it was decided to purchase a new fire bell and also a 15-horse electric motor. Recorder Beebe was delegated to go to Portland and secure the best possible cash prices of a large bell and also a motor. After considering the matter thoroughly they instructed the recorder to send in an order to the Willamette Valley Company for a 15-horsepower, three phase, 60 cycle, 220 volt, form "K" induction motor, made by the General Electric Company. The price obtained on this motor was \$258.60. The motor will be used by the city to furnish power for the rock crusher and as soon as it arrives the crusher will be moved to the gravel bar and the large boulders will be crushed for the purpose of graveling the main street.

A 950-pound fire bell was also ordered from the Rierison Machine Co., of Portland, which will cost the city \$77.

**Business Change.**  
Mr. Miller, proprietor of the Springfield bakery, informs us that he has sold his confectionery store and bakery to Messrs. L. C. Mitchell and F. L. Younker, two Eugene young men who have been in the employ of Condon's and Dunn's bakeries.

**Military Company.**  
There is considerable talk among the boys of organizing a military company here. The Commercial Club will take the matter up at its meeting tonight and see what can be done. It is hoped that a company can be organized.

**Organized Notes.**  
R. L. Jones was painfully hurt at the Booth-Kelly mill yesterday afternoon by having one of the heavy loaded trucks pass over his foot. His toes were badly mashed.

Yesterday was the first time that mail was distributed in the new post-office.—News.
