

# LITTLE BABY CURED OF ECZEMA

Parents Applied to Hospitals and Doctors but Could Get No Relief—Grew Worse Under Doctor's Prescription—Friends Recommended Cuticura—Result

## A SPEEDY AND PERMANENT CURE

"We express to you herewith our best thanks for the cure of our baby from eczema. The eczema appeared when the child was three months old. We applied to several doctors and hospitals, each of which gave us something different every time, but nothing brought relief. A physician recommended a salve which we threw into the fire after two days' use as the eczema became worse so that the baby scratched his face. At last, one of our friends recommended to us Cuticura Soap and Cuticura Ointment, costing in all \$1.25. Even the poorest man can pay that instead of throwing it into the doctor's lap. I myself only make twelve dollars a week as a teamster, but I recommend the Cuticura Remedies strongly to all mothers whose children suffer from such diseases. They are cheap, harmless and good. C. F. Kara and Wife, 343 East 65th Street, New York, March 30, 1906."

## FOR SORE HANDS

Soak the hands on retiring, in a hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, and in severe cases spread the Ointment on thin pieces of old linen or cotton. Wear during the night old, loose, kid gloves, with the finger ends cut off and holes cut in the palms, or a light bandage of old cotton.

Complete External and Internal Treatment for Every Form of Eczema, Ulcers, and All the Scaly Conditions of the Skin. Cuticura Soap (25c) and Cuticura Ointment (50c) to Heal the Skin, and Cuticura Pills (50c) to Purify the Blood. Sold throughout the world. Patent Druggists, Chemists, Grocers, and Dealers. Sole Agents, The J. C. Ayer & Co., Lowell, Mass., U.S.A. Cuticura Soap, 25c; Cuticura Ointment, 50c; Cuticura Pills, 50c.

**SQUABBLE OVER SHEEP DIPPING LAW**  
(From Thursday's Guard.)  
Federal Sheep Inspector S. W. McClure, E. N. Hutchinson, of the bureau of animal industry, and State Sheep Inspector W. H. Lytle, who arrived here yesterday for the purpose of looking into the enforcement of the new law in regard to dipping sheep, have been investigating conditions today and drove over to the Seavey farm on the McKenzie and to other farms where dipping is going on to see that the right materials are being used. The officials keep their own counsel and it is pretty hard to obtain any information as to their plans for enforcing the law, if it is to be enforced, but it is learned that they are of the opinion that only those bands of sheep that are infested will necessarily have to be dipped. As stated in these columns yesterday, the new law was framed for Eastern Oregon, where the bands of sheep are very large and the owners can afford to dip and pay the inspector \$5 a day and expenses, and it seems that the Western Oregon farmers who have only a few sheep each were not taken into consideration. On this account it is thought the government and state officials are inclined to be lenient and where dipping is not absolutely required it is thought the law will not be enforced.

# SPRINGFIELD BANKING CO. INCORPORATES

L. H. Potter, John Hampton, F. N. McAllister and Alton Hampton, all of this city, have incorporated the Springfield Banking Company, the articles being filed with the county clerk late this afternoon. The capital stock of each corporation is given at \$10,000, and the principal place of business of each is at Springfield. The Hampton Bros. Co. will conduct the Springfield store at Springfield, which is a branch of the Hampton Bros. store of this city, and is under the management of Stacey Russell, and the new banking company will open an institution there probably some time in the fall. This is the institution recently mentioned by the Guard.

The new bank will occupy the east room of the W. O. W. brick, the Hampton store now occupying the west room. The bank and store will be connected by an archway cut between the two rooms. The bank will be opened just as soon as the present tenant of the room vacates it.

Messrs. Potter and McAllister are at present connected with the First National bank of this city. They both know the banking business thoroughly, and as the Hampton boys, the very successful merchants the quartet will be a strong one. The Guard predicts success for the enterprise.

## C. J. BULEY GETS CONTRACT FOR FISH HATCHERY

The state board of fish commissioners has let the contract for building the state salmon hatchery on the McKenzie river to C. J. Buley, of Eugene, for \$2500. Other bids were as follows:

John R. Chezem, of Springfield, \$3225; M. L. Buley, of Eugene, \$2,859; Chapman & Rhodanel, of Clackamas, \$2827.

Mr. Buley will gather his materials together within a few days and take his force of men up the river to at once begin the work. The buildings will be completed by fall.

## ACTUALLY CURES CATARRH

It is one thing to claim, but another thing to back up the claim by a statement that if not proven true there will be no charge for the service or the goods. It is in this way that Mr. Hull sells Hyomel, for he has so much faith in its power to cure all forms of bronchial troubles that he gives an absolute, unqualified guarantee with every outfit that if the remedy does not cure the money will be refunded.

A complete Hyomel outfit costs but \$1, making it not only a very pleasant method of treatment, but most economical.

## BARGAIN IN LAND

400 acres 10 miles southwest of Eugene; good 9-room house, good barn; all fenced; and cross-fenced; young, thrifty, bearing orchard; abundance of running water for house and stock; spring water piped on porch; fine oak and ash timber; 80 acres good fir saw timber. Ranch is adapted to dairying, cattle or sheep raising, with plenty of farm and meadow land to supply the ranch. Will sell in one or two tracts. Would trade for residence or small tract near good town. For further particulars phone or write me at ranch. Phone Farmers 8-6.

## GREAT NORTHERN AND TREASURE MINES SOLD

(Continued from Page 1.)

opment Company is in no way connected with the new company, and the mine will be under an entirely new management. The new company voluntarily assumes all the indebtedness on the plant, amounting to something like \$800, and will pay that off so that everything will be ready for successful operation.

**Cause for Congratulation.**  
Those interested in properties at Blue River are to be congratulated upon securing such men as Messrs. Wightman and Shurtliff and the other members of the Great Northern Development Company in their midst. It will mean much to the district and the Guard predicts that it will not be many months until the camp will be as lively as it has ever been at any time during its history.

## WILLAMETTE VALLEY CO. TO BUILD EUGENE & EASTERN

Portland, May 11.—To build an electric line from Eugene to Springfield, and thence along the McKenzie river to Prineville; also branches from Springfield to Wendling and from Eugene to Corvallis, is the outline of an enterprise made public yesterday through the filing of articles incorporating the Eugene & Eastern Railroad Company, with a capitalization of \$1,000,000.

The incorporators are Al Welch and E. W. Hall, of the Willamette Valley company; F. W. Waters, former mayor of Salem, and right-of-way agent for the Willamette Valley Electric company, and James R. Thompson and Charles A. Hardy, of Eugene.

Mr. Welch is absent from the city, and Mr. Hall refused to give details of the plan, other than that the corporation is fully financed and the persons interested include those concerned in the Willamette Valley company and other Eastern capitalists. The Willamette Valley company recently formed a merger of electric properties throughout the Northwest, the plants at Eugene and Albany being included with those at Baker City, Pendleton, Walla Walla, Spokane and other points.

**Outlet for Prineville**  
The company is building a local line in Eugene, and construction is about to start on the project to Springfield, while surveys have been along the McKenzie river for some time. The plan is to connect Prineville, in the heart of Crook county, with the Willamette valley, will prove another boon to isolated Central Oregon. The line will cross the Cascades in the vicinity of the Three Sisters, and from streams en route electric energy for operation is to be generated.

**Old Officers Re-Elected.**  
The old officers of the association were re-elected. They are: F. M. Wilkins, president; G. G. Gross, vice president; J. M. Williams, secretary; P. E. Snodgrass, treasurer. Directors are as follows:

Eli Bangs, C. M. Young, D. E. Yoran, T. E. Schafer, Amos Wilkins, G. G. Gross and L. L. Whitson.

At the meeting Amos Wilkins was recommended to the governor for appointment as director of the district association for the term of two years, and Henry F. Hollenbeck was elected director of the local association for one year.

succeed the first time use Heroin and you will get instant relief. The greatest liver regulator. A positive cure for constipation, dyspepsia, malaria, chills and all liver complaints. Mr. C., of Emory, Texas, writes: "My wife has been using Herbine for herself and children for five years. It is a sure cure for constipation and malaria fever, which is substantiated by what it has done for my family."  
Linn Drug Co.

day afternoon filed with the county clerk notice of appropriation of the waters of Bear creek, a stream west of Junction, for the purpose of generating power for the operation of an electric light plant.

According to the papers filed with the county clerk, Mr. Howard appropriates 450 cubic inches of water, miners' measure, under a six-inch pressure. The canal is to be three-fourths of a mile in length, and four feet wide by two feet deep. The point of diversion is a southerly line of the northeast quarter of the southwest quarter of section 24, T. 16, S. 3, R. 12, E. 2, being on the donation land claim of Reuben Draper. The name of the canal is the Howard Electric Light and Power Company's canal.

The site of the proposed canal and power plant is about two miles east of Goldson and eight miles southwest of Junction. While Mr. Howard's plans are not fully known it is said he intends to build a big electric plant there for the purpose of furnishing Junction City an other towns, if need be, with light and power. He is now interesting capital in the project, it is said, and may soon incorporate a company that will be plenty able to complete the plans outlined by him.

**FOR DISTRICT FAIR IN FALL OF NEXT YEAR**  
At a meeting of the Lane County Agricultural Society and the local directors of the Second Southern District Fair Association in this city yesterday the matter of a fair to be held here next fall was discussed, and it was the unanimous sentiment of the meeting that the district fair should be held in Eugene next year. Immediate steps will be taken to purchase grounds for the fair and it is proposed to hold the best meet a year from next fall in the history of the association.

The local fair association and the directors of the district association will co-operate in this matter and in that way it is thought that a more successful fair may be held than if here was discussed, and it should act alone. The members of the two associations have proposed several plans, one of which is to form a joint stock company and purchase grounds near the city, thus insuring the permanency of the fair.

**GUARANTEED STOMACH REMEDY**  
You may ask why Mr. Hull is able to guarantee to refund the money unless Mi-o-na stomach tablets cure when no other remedy for stomach troubles is sold in this manner.

If the stomach is only given a rest by using a digestive, the muscles soon become weak, and it is necessary to continue taking a digestive tablet after every meal. On the other hand, Mi-o-na used before eating strengthens the stomach so that you will soon be well enough to give up the use of medicine.

Mi-o-na costs but 50 cents a box, and makes a positive and complete cure. The best proof of its merits is the guarantee to refund the money if it does not cure that Mr. Hull gives with every box.

On Friday, May 10, 1907, Mrs. Alice, wife of M. R. Garrouette, aged 39 years, 1 month and 27 days.  
Mrs. Garrouette had been a resident of Cottage Grove for two or three years, and leaves numerous relatives here to mourn her loss. She had been almost an invalid for the past year, being sick a great portion of the time, and her death was not at all unexpected. The funeral services were conducted at the M. E. church by its pastor, Rev. J. L. Beatty, and largely attended by the citizens, the Odd Fellows and Rebekahs having charge of the ceremony, which was a most impressive one and a large cortege followed the remains to their last resting place in the I. **LOST VALLEY NEWS**  
(Special Correspondence.)  
Lost Valley, May 12.—Rain, enough to do a great deal of good to everything in general.  
As delegates to the Sunday school convention to be held at Cloverdale Saturday, the 18th inst., the following were appointed: from Dexter, Mrs. William Williams, Mrs. William Fenton, Mrs. William Tace, Miss Eunice Neet, Messrs. E. A. Wagner and T. H. Fenton.  
Roy Addington has gone to the Rigdon ranch at Pine Openings with a load of supplies for his brother, Alva Addington, who in company with Leo McMahon has charge of the station for the summer.  
Miss Ora Williams has just completed a very successful seven months term of school at Edenville, and is home for the summer.  
Albert Johnson has his new barn nearing completion. A number of the neighbors came and assisted in its raising last Saturday.  
E. T. Templeton has turned his farm over to his neighbors and is now sealing logs at E. L. Williams' upp camp.

A. W. Jacobs has returned from a flying trip to Grass Valley, Oregon. Mrs. O. W. Neet has been visiting with friends and relatives at Fall Creek for the past week.  
Guy Jacobs, who is employed in the Eugene postoffice, visited with his brother, L. H. Jacobs, of Dexter.  
Mrs. L. L. Addington is visiting with friends at Rush Island.  
We very much appreciate the beautiful art work that has appeared on the blackboard for the benefit of the Sunday school the last few Sundays. Call again, friend and helper, "MISTY HOLLOW."

Marriage licenses were issued today to the following: Jas. F. Grant, of Vancouver, Wash., and Miss Sadie Hubble, of Eugene; Clarence E. Gilkinson and Miss Anna P. Seifert, both of Cottage Grove.
