GATHERING PRODUCTS FOR FAIR EXHIBITS

E. M. Warren Asks Farmers to Help Him Out and Lane County Can Win First Prize This Year—Won Second Last Year.

E. M. Warren, a member of the committee which has charge of the work of collecting a Lane county exhibit of resources at the state fair, requests the Guard to ask all farmers who have anything in the fruit, grain or vegetable line suitable for the exhibit to let him know and he will call for it or they can bring it to him at his residence on West Seventh and Lawrence streets. The county commissioners' court has appropriated \$250 for this exhibit and it is desired to get up the best possible with that amount. Mr. Warren would like to get some currants and gooseberries, especially currants, and asks those who have some good samples of that fruit of any variety to bring them to him. He also wants other fruits, in fact, anything in the line of farm products that will make a good show in the fair. Last year Lane county won second prize on its county exhibit and can easily win first this year if the proper effort is made.

(Special Correspondence.)
Lost Valley, June 12.—E. T. Tompkins has returned from camp. He

says hard labor and good fare help some.

We have been wondering for some time if it would ever rain. Now it is raining, who will be the first to want it to cease.

Our people turned out en masse to the Pleasant Hill picnic. They report a very enjoyable time, with the exception of the ball game, which they say was slow.

E. A. Wegner spent Sunday visiting with William Klugow and family, of Pleasant Hill.

We have learned since our last writing that Dan Parker is sick, in the Eugene hospital, with diphtheria. Our heartfelt sympathies are with you, Dan.

HAVE YOU CATARRH?

If you have catarrh, with offensive breath, burning pains in the throat, difficulty in breathing, raising of mucus, discharge from the nose, tickling or dropping back of the head, or dropping from the lack of the throat, coughing spasms, etc., begin the use of Hyomei at once.

Its medication is taken in the air you breathe, so that it reaches the most remote part of the respiratory organs, killing all catarrhal germs and soothing any irritation there may be in the mucous membrane.

The complete Hyomei outfit costs but \$1; and Mr. Hull gives his personal guarantee with each package that money will be refunded unless the treatment does all that is claimed for it.

For the sake of justice to the afflicted and for the good of humanity it is my right and duty to recommend Hollister's Rocky Mountain Tea. We owe our country and our fellow man a duty. Tea or tablets, 35 cents. Linn Drug Co.

LIKE OLD FRIENDS

The Longer You Know Them the Better You Like Them.

Doan's Kidney Pills never fail you. Eugene people know this. Read this Eugene case. Read how Doan's stood the test for many years.

It's best testimony and it can be investigated.

W. W. Gossett, of 558 Madison street, Eugene, Or., says: "I served during the war in the 77th Ohio regiment, under General Grant, and came through the battle of Shiloh without a scratch. For about four months last year I had a dull, persistent aching across the loins and kidneys. It hurt me if I stooped or made a sudden movement. When splitting some wood out in the yard a sharp twinge of pain caught me in my back and I could not move to save me. A little while afterward I happened to read about Doan's Kidney Pills and I got a box at W. L. DeLano's drug store. I began their use and they effected a permanent cure." (From statement made March 10, 1903.)

Cured to Stay Cured.
On February 9th, 1906, Mr. Gossett confirmed the above, saying: "I have had no occasion to use any kidney medicine since 1903. The cure I described before is permanent."

For sale by all dealers. Price, 50 cents. Foster-Milburn Company, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"Shell" Coffman and Fred Craig, who were arrested yesterday afternoon for assault and battery upon Lute Ackerson, were each fined \$50 and costs by Judge Bryson, of the justice court. He gave them until this morning to raise the money, but they have not shown up in court today, so it is presumed that they have left the city. Coffman is an old offender and the officers are glad that he has left.

COTTAGE GROVE FIRE LIMIT LAW INVALID

(Special Correspondence.)
Cottage Grove, June 12.—Last Saturday M. Hubbel, contractor and builder, was arrested on complaint of J. C. Porter for violation of the ordinance establishing fire limits in the city of Cottage Grove. A demurrer was interposed to the complaint which attacked the validity of the ordinance establishing the fire limits. The demurrer was argued by attorneys Johnson and Medley, on the part of the defendant, and by John M. Williams for the city, before A. H. King, city recorder, and the matter was taken under advisement by him until Monday morning, at which time he sustained the demurrer, holding the ordinance to be invalid.

Everybody Glad It Rained.
And the Lord said let there be rain and there was rain, and the dust disappeared from the face of the earth and the clouds of the valley were softened and the farmers were made to rejoice in the thought of abundant harvest. Let all the people praise the Lord for his goodness toward the webfoot people forever.

Cut Foot With Ax.
Wilbur Kelly met with a painful accident at the Disston sawmill yesterday. He was swamped, when his ax glanced and split his foot open. He was brought to Cottage Grove and Dr. Oglesby dressed the wound.

CROSS EXAMINATION PRODUCES NO EVIDENCE

(Continued from Page One.)

of dull questioning in the fourth day of the cross-examination of Harry Orchard and you begin to feel that the defense would have been better advised to pass him up without a simple interrogation and then leave the corroboration of his testimony to the prosecution. As it stood originally only the story of an informer. He had admitted himself an assassin, an incendiary, a traitor to the hand that fed him.

Under English legal practice, and under the practice of the ancient and honorable state of Massachusetts, too, how many of the statements Orchard made in the first instance to Mr. Hawley would have been ruled out as inadmissible? Many of them were incapable of independent corroboration, or independent refutation, and were therefore under the courts of England and Massachusetts, not "legal evidence," but Western practice, and even New York practice, would admit such statements, and they were admitted here. In any case they were not very important.

Believes His Own Story.
The vital parts of Orchard's statements were those dealing with his alleged engagements by Moyer, Pettibone and Haywood, or either of them, to commit certain sundry murders. Now, taking those statements, Orchard may or may not have been stating demonstrable facts, but there is no doubt that in making them he believed them to be absolutely true.

Whatever Orchard is doing he is not consciously lying. He believes what he is saying. He believes that he has sinned so grievously against mankind and against the Lord Jesus Christ who died for sinners that he must make public confession of his sins before he seeks absolution of Almighty God. He asks and looks for no forgiveness from man.

The morning of his first appearance in court he said to a man who has been close to him for a year: "I am going to tell the truth. I am not going to spare myself, and when the case is through I am done with the world."

The long, tedious cross-examination of Richardson has been valueless. He has traversed every question asked by Hawley and every answer made by Orchard with painful minuteness.

He has in several instances strengthened the case for the prosecution by confirming the friendly relations existing between Orchard, Haywood, Moyer and Pettibone. He has left openings for the prosecution to submit matters in examination that would not otherwise have been possible. He has elicited that this assassin once committed bigamy and sometimes told a lie." But he has not shifted Orchard's testimony an inch from its original foundation.

BABY'S DREADFUL CASE OF ECZEMA

Extended Over Entire Body—Mouth Covered With Crusts as Thick as Finger Which Would Bleed and Suppurate—Disease Ate Large Holes in Cheeks—Hands Pinned Down to Stop Agonized Scratching—Three Doctors' Best Efforts Failed to Give Relief.

BUT CUTICURA WORKS A MIRACULOUS CURE

"When my little boy was six months old he had eczema. The sores extended so quickly over the whole body that we at once called in the doctor. We then went to another doctor, but he could not help him, and in our despair we went to a third one. Matters became so bad that he had regular holes in his cheeks, large enough to put a finger into. The food had to be given with a spoon, for his mouth was covered with crusts as thick as a finger and when ever he opened the mouth they began to bleed and suppurate, as did also his eyes. Hands, arms, chest, and back, in short the whole body was covered over and over. We had no rest by day or night. Whenever he was laid in his bed, we had to pin his hands down, otherwise he would scratch his face and make an open sore. I think his face must have itched most fearfully. We finally thought nothing could help, and I had made up my mind to send my wife with the child to Europe, hoping that the sea air might cure him, otherwise he was to be put under good medical care there. But, Lord be blessed, matters came differently, and we soon saw a miracle. A friend of ours spoke about Cuticura. We made a trial with Cuticura Soap, Ointment, and Resolvent, and within ten days or two weeks we noticed a decided improvement. Just as quickly as the sickness had appeared it also began to disappear, and within ten weeks the child was absolutely well, and his skin was smooth and white as never before. F. Hohrath, President of the C. L. Hohrath Company, Manufacturers of Silk Ribbons, 4 to 20 Rink Alley, South Bethlehem, Pa., June 5, 1905."

PLEASANT HILL HAS GOOD BALL TEAM

The Pleasant Hill baseball team is a lively candidate for the Lane county championship honors. The boys have played some good games this season, defeating Cottage Grove twice and Colburn once, besides winning a number of minor games. At the picnic at Pleasant Hill Saturday Colburn was beaten by the score of 9 to 3, and on Sunday Cottage Grove met defeat at the hands of the Pleasant Hill boys by the score of 5 to 3. Several games will probably be arranged soon with McCormick's Colts, of Eugene.
