The accompanying cut is self explanatory. It represents the largest purchase of Fruit Jars ever made by a Eugene firm. In buying such a large quantity of jars we have not only saved money on the purchase price but on freight rates as well. Get our prices before buying. ❁ ❁ ❁ ❁ ❁ ❁

On Monday, June 17th we will have with us, for one day only, the real live Buster Brown and his dog Tige.

Buster's height is three feet six inches; his age 47 years.

Tige, while younger and still smaller than his little master, has the distinction of being one of the best trained dogs before the public. ❁ ❁

They have been advertising the

Buster Brown Blue Ribbon Shoes

throughout the East for the past three years. This is their first trip west of the Rockies.
