

EUGENE WINS EXCITING GAME FROM SPRINGFIELD

(From Monday's Guard.)

Standing of the Clubs.		
	Won.	Lost.
Eugene	1	0
Springfield	1	1
Coburg	0	1

Next Sunday.

Eugene vs. Coburg at Coburg.
Salem vs. Springfield at Springfield.

Those who journeyed out to Recreation Park yesterday afternoon certainly got their money's worth as far as baseball is concerned, and the home team won, 6 to 5; not because they played better ball than the visitors, for the score shows they didn't, but because baseball luck certainly was with them in the ninth inning, when the garrison finish was made. It was by far the most exciting game that has been played here this season. There was nothing to it but Springfield for eight innings, for they led the home team by a score of 5 to 3. Hurd, who was slated to pitch for the Blues, did not occupy the mound because of his being played under the name of Lee at Roseburg, pending the time of the A. A. U. decision in the matter. Pender, however, who took his place, pitched a splendid game, but the locals bunched their hits on him when they were needed, and thus won the game. DeNeffe struck out seven men, allowed 10 hits, and passed two men to first on balls, while Pender struck out seven men, allowed but 5 hits and passed three men to first. The error column broke even for the teams, each side making but three.

Springfield made all of their runs in the second and third innings. This is how it happened: Kestley, first up in the second inning, went out, Johnson to Edwards; Hathaway, up next, walked and stole second and hit; bdringing in Hathaway. Z. third. Pender then registered a hit, bringing Hathaway in, and himself advanced to second. Kelly then went out, Johnson to Edwards, Pender advanced to third on the play. King then hit safely over short, scoring Pender. He then stole second and came home on McCormick's wild throw of Humphrey's grounder.

In the third inning Smith secured a hit, stole second, was advanced to third and came home while Ramp was being played between first and second. Ramp went to second when Paine struck out and to third while Kestley was being thrown out. DeNeffe to Edwards, and came home on Hathaway's two bagger.

For Eugene, Branstetter scored in the fifth inning on a fielder's choice by Hobbs after two men were down. In the sixth Weed registered a run for the Colts also.

In the last half of the ninth inning Pender hit Harper, who went to third on Branstetter's two-bagger. DeNeffe, next up, scored both Harper and Branstetter on his single to right, tying the score. DeNeffe advanced to third when an attempt was made to catch Branstetter at the plate. Hobbs, next up, went out, Ramp to Paine. Johnson, the next up, however, was there with the timely hit, scoring DeNeffe and thereby breaking up the game. Following is the tabulated score:

Springfield.		
ab.	r.	h.
Smith, 2b.	4	1
Ramp, ss.	4	1
Paine, 1b.	4	0
Kestley, if.	4	0
Hathaway, 3b.	2	1
Pender, p.	4	1
Kelly, rf.	3	0
King, c.	4	1
Humphrey, cf.	4	0

Eugene.		
ab.	r.	h.
Hobbs, 2b.	3	0
Johnson, 3b.	5	0
Edwards, 1b.	3	0
Moshberger, cf.	2	1
Weed, c.	4	1
McCormick, ss.	4	0
Harper, if.	3	1
Branstetter, rf.	4	2
DeNeffe, p.	2	1

Runs and Hits by Innings.
Springfield . . . 0 3 2 0 0 0 0 0 5
Hits . . . 12 2 1 0 1 0 1 1 10
Eugene . . . 0 0 0 0 1 2 0 0 3 6
Hits . . . 0 0 0 0 1 1 0 0 3 5

Summary.
Two-base hits—Hathaway, Branstetter. Bases on balls—Off Pender, 3; off DeNeffe, 2. Struck out—By Pender, 7; by DeNeffe, 7. Double play—DeNeffe to Edwards. Passed ball—King. Hit by pitcher—Harper, DeNeffe, Moshberger, Smith. Umpire—Vincent. Scorers—Howe and Kestley.

Baseball Notes.
The game yesterday was the best played so far this season—that is, it was the most exciting, and everybody was satisfied.

THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN

Peru-na Should Be Kept In Every Household

Where There Are Little Children.

Peru-na should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But, have Peru-na on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the affections of childhood are catarrh.

All forms of sore throat, quinsy, croup, hoarseness, laryngitis, etc., are but different phases of catarrh.

Peru-na Contains No Narcotics.

One reason why Peru-na has found permanent use in so many homes is that it contains no narcotic of any kind. Peru-na, if taken according to printed directions, is perfectly harmless. It can be used any length of time without acquiring a drug habit. It does not produce temporary results, but it is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh.

Mrs. F. Brookman, 818 Meade street, Appleton, Wis., writes:
"I have never had a return of the catarrh, which had made me so miserable and unhappy before I began taking Peru-na."
"I would not be without it in the house, now."
"I have a baby boy, two years old, to whom I give Peru-na for a cold, and my husband also takes Peru-na."
"I thank you and wish you well."—Mrs. F. Brookman.

No Doctor Required.

Mr. Edward Otto, 927 De Soto street, St. Paul, Minn., writes:
"I cannot say enough for Peru-na. It has done great work in my family, especially for my oldest boy. We had doctor with three or four different doctors and they did not seem to do him any good."

"We gave up hopes of cure, and so did they, but we pulled him through on Peru-na."
"We had several doctors and they said they could do no more for him, so we tried Peru-na as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required."—Edward Otto.

There are a multitude of homes where Peru-na has been used off and on for twenty years.

Such a thing could not be possible if Peru-na contained any narcotics.

The Benefit Which the Children of the United States Have Received From Pe-ru-na Can Never Be Put Into Words.

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peru-na, for it is in the tender years of youth that slight ailments are liable to develop into lasting diseases, thus blasting the whole career of the individual.

The mothers who are bringing up their children to-day to believe in Peru-na are speaking from their experience. These children brought up to believe in Peru-na from the start, will, when they become heads of families themselves, use Peru-na with unquestioning faith.

A Child's Life Saved.

Mr. G. H. Farmer, New Martinsville, W. Va., writes:
"Our little son, Harry, is well and healthy now and we think if we do as you directed us, he will keep his health and grow strong."

"We know that our little son's life was saved by your wonderful medicine, Peru-na, and we shall always praise Peru-na and use it in our family when needed."

"Should we have any more catarrhal trouble in our family, we shall always write to you for treatment."

Mr. W. F. Doring, Mt. Vernon, Mo., writes:
"I have used Peru-na to my entire satisfaction and am exceedingly well pleased with the results, having suffered greatly with catarrh of the stomach."

Mrs. J. C. Sterling, 133 Brown Avenue, Norfolk, Va., writes:

"My little boy, Meredith, suffered with indigestion so badly he could not eat anything without it making him very sick, so I thought (as many others have) that I would try Peru-na, and it worked like a charm."

"Now he eats anything he wishes, and I would not be without it for anything."

"My other little boy, Alfred, two and a half years old, has taken it and received as much benefit from Peru-na as his brother."

"I hope my testimonial may be of some benefit to others, as I feel as though I cannot praise it enough."

—Mrs. J. C. Sterling.

Mr. Howard Andrew Sterner, 421 Canal street, Reading, Pa., writes:

"I have Peru-na in my house all the time and won't be without it. It is good for children when they take a cold or croup. I cured my baby boy of croup."

"I have introduced Peru-na into six families since I received your last letter, and four have seen relief already."

—Howard Andrew Sterner.

Peru-na Protects the Entire Household.

As soon as the value of Peru-na is appreciated by every household, both as a preventive and remedy, many lives may be saved and thousands of chronic lingering cases of catarrh may be prevented.

When Sickness Comes to the Little Ones

It is the Mother Who Chiefly Suffers.

She suffers even more than the child who happens to be sick.

Her sympathy is deeper than that of any other member of the family.

The mother looks forward with dread to the torrid heat of summer, thinking of her children and the many liabilities to disease that are before them.

Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Peru-na is the best friend she has in time of illness among the children.

A Multitude of Mothers Have discovered that Peru-na is their stand-by, and that in many of the ailments of spring and summer to which the children are subjected, Peru-na is the remedy that will generally quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Peru-na quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Peru-na is a household remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peru-na has.

Mr. C. Hallock, Antwerp, Ohio, writes: "My daughter Allie, after taking three bottles of your Peru-na is entirely cured of catarrh of the head of two years standing. We have used Peru-na as a general tonic as well as for catarrh and are well pleased with it and recommend it to anybody who has catarrh."

The Mothers Hold Peru-na in High Esteem.

Not only because it has cured them of their various ailments, but because it promptly rescues the children from the throes and grasp of catarrhal diseases.

We have in our files many testimonials from mothers whose children have been cured by Peru-na. However, the large majority of mothers who use Peru-na, we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peru-na that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

SAWMILL PLANS ARE UNCHANGED

Honore Palmer this morning stated in an interview that the plans in regard to not building the big sawmill on the Bangs' Park tract west of town had not been changed and that at present the mill would not be erected. No definite time is set for the beginning of the project, circumstances and conditions governing the steps of the enterprise. Some late rumors had indicated that the decision not to build this year had been changed.

TWO MINOR ACCIDENTS AT COTTAGE GROVE

(Special Correspondence.)
Cottage Grove, June 22.—Geo. Teeters' ten-year-old son fell from a horse and fractured his left arm above the wrist. Dr. B. R. Job reduced the fracture.

The ten-year-old daughter of F. R. Campbell, the railroad commissioner, fell in a gymnasium and fractured the left clavicle. Dr. W. W. Oglesby was called in the case.

ADDITIONAL SOCIETY NOTES

Tuesday evening, June 18, a large audience gathered at the Eilers Piano House parlors to listen to the work of Miss Irene Potts, who is a certified pupil of Mrs. Rose Hollenbeck, and who will receive a teacher's certificate. The work of Miss Potts was especially fine in the last two numbers, and particularly so in the Hungarian Rhapsody No. 6, by Liszt, which is a very difficult composition, and the value of the work of a careful teacher in this instance was clearly shown. There were the usual number of floral offerings and gifts and the genial manager of the house had his hands full for a while attending to the details of the occasion. Miss Louise Yoran assisted by giving two vocal numbers that were enthusiastically received, and as she is always listened to with pleasure this occasion proved no exception. Miss Eloise Edwards, her accompanist, is a very talented musician, and as an accompanist is certainly master of the art.

The theatre orchestra dance in Davies' hall, after the band concert last night, was largely attended. The music was excellent and the young people enjoyed themselves to the ut-

CRAZY ITALIAN RUNS AMUCK IN A CHAIR CAR

Denver, June 2.—In a shooting affray in a chair car on a westbound passenger train on the Chicago, Rock Island and Pacific railroad last night between Dresden and Solden, T. B. Topp, a tailor, of Minneapolis, was killed and Mrs. Morris Olson and her sister, Mrs. Harry Balesley, of Arriba, Colo., were wounded. The shooting was done by an Italian barber named John Bella, enroute from Boston to San Francisco, who ran amuck. Most of the people were dozing in their chairs and were awakened from their slumber by frantic yells and pistol shots. Bella fired five shots in rapid succession, taking accurate aim at one passenger after another.

All the people fled from the car in a panic except Charles A. Gilliat, of Denver, who is employed by the Griffin Wheel Company, and D. R. Slawson, of Pueblo, Colo. Gilliat closed in on Bella and after a desperate struggle succeeded in wrenching the pistol from the Italian's hand, but not before he fired two shots, which did not hit anybody. He then drew a razor and made a desperate but ineffectual effort to use it. A negro porter from a tourist car here joined the struggle and succeeded in knocking the razor out of Bella's hand. He was then seized and bound by Gilliat.

The train crew stayed out of the car while the disturbance was in progress.

At Goodland the injured women were placed in a hospital and Bella and his companion, Patsy Loganbrad, were locked up in jail.

Mrs. Bella said the men were drinking all day yesterday. Bella went to sleep and awoke with a start. He imagined some one was trying to rob him and rushed up the aisle firing the pistol.

by the Allen King establishment, 326 Washington street. She is now in New York, where she is enjoying a whirl of metropolitan gaiety, and at the same time gathering hints for the very latest wrinkles in summer millinery. Just before leaving, on June 6, Miss Stuart was informed that she had won the beauty contest, and that the \$75 prize would be promptly forthcoming.

When the contest was instituted in Portland Miss Stuart's name was among the first to be mentioned as a contestant, as her beauty had been noted by several art photographers. When her consent was sought, however, she protested against being photographed for the contest, and was only prevailed upon after much persuasion by her friends.—Telegram.

The Chicago Tribune instituted a search some time ago to discover the most beautiful girl in America. Other papers have been assisting the Tribune in its beauty quest, by discovering the prettiest girl in their respective states. The Oregon Daily Journal took up the search for the Beaver state, and after a long canvass its judges have unanimously awarded the prize to Miss Stuart.

that of larceny from a dwelling substituted. When he was arraigned on that charge he entered a plea of guilty. They will be sentenced Saturday morning at 10 o'clock. The penalty for robbery is from one to fifteen years and that for larceny in a dwelling is from one to five years. The reason that the latter charge was substituted for that of robbery in Pearce's case is that he was the first one that confessed.

DIED.

W. S. Miller, and old soldier well known in Eugene, having resided at one time on the Richardson place west of Eugene, also engaging in the blacksmith business here, died suddenly at his home near Cottage Grove Sunday morning. He went out to the barn to do his chores, and not returning at his usual time, a little boy was sent out to see what was the matter. He found him lying dead in the barn lot. He leaves a family and was aged about 62 years. He was in the blacksmith business two or three years ago with Lee Driver, doing business where Sloan's shop now is.

John Carman died at the home of his daughter, Mrs. J. N. B. Fuller, on East Eleventh and Mill streets, Eugene, today at noon, from paralysis. He was aged 76 years. The funeral will be held tomorrow afternoon at 3 o'clock with interment in the I. O. O. F. cemetery. Obituary will appear later.

BORN.

In Eugene, June 25, 1907, to Dana C. Rossman and wife, a daughter; weight 9 pounds.

In Eugene, June 22, 1907, to Henry Bonney and wife, a son.

It goes to the root of disease, invigorates, strengthens and exhilarates. Its life producing properties are not contained in "any other known remedy. Hollister's Rocky Mountain Tea. Tea or tablets. 35 cents. Linn Drug Co.

WEBER-BUSSELL MAY ESTABLISH SECOND CANNERY

WASHINGTON FIRM ESTABLISHES BRANCH IN EUGENE AND WILL HANDLE FRUIT ON EXTENSIVE SCALE

Company Will Erect Two Canneries in the Willamette Valley This year and Eugene Has Good Prospects for Securing One of Them—Now Buying Fruit From Lane County Growers

Possibly, if this district should prove remunerative enough, the Weber-Bussell Canning Company will during the next season establish a second cannery in Eugene. The company at least will establish two in the Willamette valley, one in Salem and the other at some other point yet to be chosen.

The Weber-Bussell Canning Company started business a year ago, and last year put up 80,000 cases of fruit. This year they will can 250,000 cases. They have at the present time two canneries, one at Puyallup and one at North Yakima, Wash. The first is the second largest cannery on the Pacific coast, while the second has a capacity of 50,000 or 60,000 cases a year. One is also being erected at Sumner, three miles from Puyallup. By next year two more will be built in Washington, besides the two in the Willamette valley, one at Wenatchee and one at Vancouver.

C. H. Bussell is establishing a sort of sub-station or warehouse in Eugene to receive fruit from Lane county growers. Al Henniman, a well-known fruit buyer, will be the permanent manager, and by next year an office and warehouse will probably be built. At the present time the company is receiving fruit at Hall's warehouse, paying the highest market prices. Other warehouses will be established in this state, wherever a district produces a sufficient amount of fruit and vegetables.

The company has evidently very good backing behind it, as it is even undertaking to grow fruit as well as to can it. It has over a thousand acres of land in Washington, which it cultivates.

GENERAL NEWS
IN BRIEVITY FORM
Judge J. C. Moreland, of Portland, has been appointed clerk of the supreme court to succeed the late J. J. ders.

RINHEART REUNION CAME TO CLOSE YESTERDAY

(From Thursday's Guard.)

The Rinheart family reunion, which began at the old T. D. Edwards place above Springfield Monday, came to a close last evening, and today all the visitors from a distance left for their respective homes, most of them in Eastern Oregon. Yesterday was the biggest day, it being pioneers' day. About three hundred visitors, besides the members of the Rinheart family, were there and the day was very enjoyably spent. At noon there was a grand basket dinner and in the afternoon addresses were delivered, games played and various amusements indulged in. Rev. R. G. Callison delivered the address of welcome and it was responded to by T. A. Rinheart. Fred Edwards delivered a splendid oration on "The Oregon Pioneer."

There was music by various members of the Rinheart family, followed by short talks.

Officers of the reunion were elected as follows: President, J. H. Rinheart, of Summerville; vice president, Henry Rinheart, of Elgin; and secretary, T. A. Rinheart, of LaGrande. The next reunion will be held at Summerville in June, 1908.

MARRIED.

In Portland, June 24, 1907, Miss Florence Watkins and William Robb Rev. D. E. Loveridge, of Eugene, officiating. The bride is a former resident of this city.

CHERRIES! CHERRIES!
People wanting Kentish cherrie call up Farmers 114. G. T. Saunders.
