

COACH FROST WILL ARRIVE ON SEPTEMBER 24

OREGON'S NEW COACH TAKING GREAT INTEREST—MANAGER KENTLEY'S SCHEDULE—O. A. C. GAME AT EUGENE—OREGON WILL HAVE SPLENDID ELEVEN

Gordon B. Frost, coach for the University of Oregon football team, will arrive here not later than September 24. Frost is taking great interest in coaching this year, and while spending the summer at his home at Fort Ann, New York, will be at the University of Oregon, where he will be in charge of the team. Frost is not a football player alone, but has made a success of the game at other institutions. He will undoubtedly put out a good team here.

All but five of the old men will be back, four of them, Hug, McKinstry, Chandler and Latourette, being graduates, and the fifth, Moullen, who it is understood will not return. There will be plenty of good material from present indications. The schedules comprises a most interesting lot of games, most of which will be played away from home. The schedule follows:

- Oregon vs. Pacific University at Eugene, October 19.
- Oregon vs. Willamette University at Salem, November 2.
- Oregon vs. University of Idaho at Portland, October 25.
- Oregon vs. O. A. C. at Eugene, November 3.
- Oregon vs. University of Washington at Seattle, November 16.
- Oregon vs. Multnomah at Portland, November 26.

Only one important game will be played at Eugene, the one with the university's old rival, the agricultural college. The game with Pacific University is played for the reason that Forest Grove will be stronger this year, and the Oregon management desired a practice game with a college team rather than with some club at the first of the season.

The game at Portland with the University of Idaho is simply an experiment, being tried for the reason that the expense of bringing a team from Moscow is so great. Whether the people of Portland will support the game well enough in that city to make such a game a precedent for following years in a question that cannot be decided until this year's game has been played.

O. A. C. is making a great deal of noise about their team this year, and claim to believe that they will best the Oregon men, but that is their usual custom. This year they play on Klinefield Field, and not on a plowed gridiron. Willamette University usually produces a strong eleven, but what this year's team will be is difficult to guess. If not stronger, it will afford a good game for a tryout between the game with Idaho and the Oregon farmers.

The University of Washington game, just after the Corvallis game, should be the hardest college game of the year, being played at Seattle. Washington has the promise of a splendid aggregation this year, and Oregon will have to play her very best football to defeat the Evergreen team.

There is a bare possibility that the university may meet the Washington State College team, for in case that team should pass undefeated, as she did last year, and the University of Oregon should again win the championship of the Northwest, a game can be arranged for November 22 between the two colleges, on the supposition that the two faculties would grant permission.

On Thanksgiving Day Oregon, as usual, meets Multnomah, and will try again to lower the colors of the club men. Multnomah will probably have its customary aggregation of stars, while Oregon, if she does not play the Eastern Washington team, will have a ten-day's rest.

CHILDREN IN PAIN
Never cry as do children suffering from hunger. Such is the cause of all babies who cry and are treated for sickness when they really are suffering from hunger. This is caused by their food not being assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. O'BRIEN BRINGS NO SPECIAL NEWS FROM HARRIMAN

Portland, Or., Aug. 19.—J. P. O'Brien, general manager of the Harriman lines in the Pacific Northwest, returned yesterday morning from a five days' visit with E. H. Harriman at Salt Lake City. The only light that Mr. O'Brien sheds on the projected Central Oregon railroads is that the route will be made public when the contracts for its building are let. He declares, though, that there will be no new train put on the O. R. & N. between this city and Huntington.

I believe it is the best policy not to tell about a new road until everything is ready and work begins upon it," said Mr. O'Brien in his forthright reply to the question, "Well, isn't something going to be done by Mr. Harriman for Central Oregon?"

When asked about the proposed new train between Portland and San Francisco, to handle the express and mails, Mr. O'Brien stated that this

DAN KELLY HAS STARTED TO JAMESTOWN

KELLY AND HAYWARD OFF THIS MORNING—WILL TAKE TEN DAYS TO CROSS CONTINENT—HAS THREE DANGEROUS COMPETITORS, PARSONS, CARTMAN AND MAY

(From Saturday's Guard.) Dan Kelly and Trainer "Bill" Hayward left this morning on the first stage of their trip across the continent to Jamestown, where Dan will be pitted against the fastest men in the world. Hayward and he will take ten days to cross the country, in order to keep Kelly in the best of condition.

Kelly's most dangerous competitors will probably be Charley Parsons, who will represent the Olympic Club, of San Francisco. Parsons is described as a very graceful runner and has several times made the fast time of 9 4-5 seconds.

The two strongest competitors in the East, according to Hayward's figures, are May, of Illinois, and Cartman, of the University of Pennsylvania. Both men are good ten second runners, and are dangerous.

Smithson, who represents the Multnomah Club, is a fast man, but judging from his past records, is not in the class with any of these three men besides Kelly. He is a better hurdler.

If in good condition Kelly is likely to run the hundred yards in 9 3-5 seconds. But it is even more likely that he will break some record in the 220-yard dash. This year he established a new mark for that distance on a curved track, and many times has run very close to or tied the other record for the 220 yards. In fact, his race seems to be the 220 rather than the 100.

Kelly is in better condition right now than at any time in the past. He has a better stride, more even and easy. He runs with less strain, apparently, though his strides cover nearly eight feet at a step. He weighs about 160 pounds stripped, and is in fine physical trim, and altogether fit to run any man.

After the 220 and 100-yard dashes are run he may try a broad jump, although no practice in that event will be permitted until the other events have been pulled off. The 100-yard and 220-yard dashes will be run in heats in order to get the star men pitted against each other.

Dan Kelly, who started for Jamestown this morning, desires to thank the people of Eugene for what they have done for him, and while in his haste in preparing for the trip did not write any letter, he asked a Guard representative to let the people know his deep appreciation of the effort and money, and above all the good will on the part of those who are backing him in his trip East.

Kelly said that he would do his best to win. In the East he will wear one of his "varsity track suits with 'Oregon'" across the breast.

General Manager O'Brien said the work of purchasing the right-of-way between Natron and Klamath Falls is being pushed, as is the resurvey of the proposed eastern extension of the Corvallis & Eastern.

O'Brien joined his chief at Salt Lake last Tuesday and accompanied him to San Francisco, then north to Pelican Lake, leaving the Harriman party Saturday.

BUBONIC PLAGUE IN SAN FRANCISCO
San Francisco, Aug. 17.—Five cases of bubonic plague, four of which resulted in death, have been reported to the health department within the past week. The patients, with one exception, were of the poorer class of foreigners dwelling in the neighborhood of old Chinatown. The exception was a foreign sailor taken from a coastwise steamer.

Prompt and active measures were taken by the local, state and federal authorities, and the spread of the disease is not feared. Both President Jules A. Simon, of the health board, and Health Officer James T. Watkins stated today that the situation is well in hand and no occasion for alarm exists. The infected steamer was ordered into quarantine with her passengers and will remain until released by the health department. The two shacks inhabited by the other patients were fumigated, locked up and sealed.

The bodies of the two Mexicans, Italian and Russian Pole who succumbed, were destroyed in quick time.

REAL ESTATE VERY ACTIVE ABOUT EUGENE

(From Monday's Guard.) The Eugene real estate market seems to be more active than ever, in both county and city property. Some of the real estate is to Eastern people, while others are to local parties. Both business and residence property seem active in movement.

This afternoon the deeds to some of the Washburne property, purchased by W. Polders a few days ago, were made to Elmer Yarnell. He bought two pieces, one 80x80 on the corner of Willamette and Fifth, perhaps the choice of the whole piece, and another slice 40x50 on Fifth street. The consideration in both cases is private. The sale was made through the Hollenbeck Real Estate Company, and the firm of Coffman, Rodman & Smith.

The Eugene Real Estate Company also sold today a piece of land two miles northwest of this city to R. M. Pyle for \$2000. The land was owned by A. B. Mann, and is very rich.

and good for fruit and vegetables. A. J. Price today sold his house and lot on West Fifth street to C. A. Bonnett, through the Hollenbeck Real Estate Agency, for \$1800. The building is a two-story dwelling.

Another residence sold through the same agency was that of Charley Peterson at the corner of Pearl and Thirteenth street to Mrs. Evans. The price paid was \$3000. The house is a fine one-story cottage of seven rooms, surrounded by a nice yard.

Miss Grand, notice of the Miller brothers, arrived Saturday afternoon from Tacoma for an extended visit here. Emory Seals, Frank Moore, and Ed and Albert Koopp went to Junction Sunday afternoon.

Ed Byers went to Independence Sunday morning. Nida Wing is the guest of Miss Leda Zumwalt this week. Harold Weltner has finished his run of hay baling. He had been out several weeks.

R. Cook is engaged in sawing wood. He is kept busy with the work in the shop and the sawing too. Mrs. Jean Robinson and daughter Leone are visiting in Lin county.

The grain harvested is of good quality and usually yields more per acre than expected. If good prices were assured the farmer would be king. As it is he is doing well.

ACCUSED MEN ARE FOUND GUILTY OF LAND FRAUDS

BENSON AND PERRIN CONVICTED BY JURY IN ONE HOUR—NOTED CASE ENDS IN VICTORY FOR GOVERNMENT AT SAN FRANCISCO

San Francisco, Aug. 19.—John A. Benson and Dr. Edward B. Perrin were today convicted of conspiracy to defraud the United States government in securing 12,000 acres of land in Tehama county.

The verdict, which means a fine and imprisonment, was returned by the jury in the United States district court after being out about an hour. Only two ballots were required before the jury arrived at a decision to find the aged defendants guilty.

Retain Liberty on Bail.
Benson and Dr. Perrin were allowed to retain their liberty on bail. Judge DeHaven set Thursday as the day for passing sentence. J. C. Campbell made the closing argument for the defense at the morning session and in the afternoon United States District Attorney Devlin closed for the prosecution, summing up the case in a forcible manner. In his charge Judge DeHaven instructed the jurors that if they found from the evidence that Dr. Perrin had at any time subsequent to October 31, 1903, taken advantage of the contract with Benson, he should be found guilty as charged.

After the jury had been out half an hour they flew back into court and asked for a reading of the letters Perrin wrote from Washington. Snell's reply, and that part of the charge relating to Dr. Perrin's liability in connection with the Benson contract. A verdict was returned within ten minutes after the request of the jury had been granted.

I. W. Mitchell, a well-known resident of this city, died this morning at his home at 245 Cheshire street. Mr. Mitchell, who was 78 years old, had been ill for over a year. He came to this country with his family about fifteen years ago, and since that time had made numerous friends in the county. A wife and three sons, Clyde, Harry and Lloyd, survive him. The funeral will be held Thursday morning at the home. Rev. D. H. Trimble will conduct the services. Interment will be made in the Odd Fellows cemetery.

LOCAL AND PERSONAL NOTES FROM IRVING
(Special Correspondence.)
Irving, Aug. 19.—Franz Golde and family arrived in Irving Friday afternoon. At present they are the guests of John Koopp, but will soon move to their house on Second street. Miss Grand, notice of the Miller brothers, arrived Saturday afternoon from Tacoma for an extended visit here.
