The Friendly Store Grand Annual Clearance Sale

This is by no means an event of ordinary importance. The thousands of people who have patronized these sales in seasons past and know the character of the proffered buying advantages, will come in great numbers to share again in the marvelous price savings. You will notice if you read the store news below that we have arranged price inducements of a very tempting nature--but the items printed here do not half tell the tale of the many bargains that are ready for you all over our two big stores. **OUR BUSINESS CREED---To do the Right Thing, at the Right Time, in the Right Way; To do Some Things Better Than They Were Ever Done Before;** to eliminate errors; to know both sides of the question; to be courteous; to be an example; to work for the love of work; to anticipate requirements; to develop resources; to recognize no impediments; to master circumstances; to act from reason rather than rule: to be satisfied with nothing short of perfection.
