PORTLAND MARKET REPORT. Portland, Or., Jan. 9.—Wheat buyers report a material improvement in trade since the opening of the year and a firm tone prevails in the market at this time. Considerable buying is being done and the volume of the trade is steadily growing. Prices today underwent no change locally. Barley and oats are steady at the quotations that have ruled for a week or more, and but little of these grains is being moved.

Onion Market Ranging Higher. On account of a sharp improvement in demand at fractionally higher prices, 100 per 100 pounds was added to the local price of onions at country points today by shippers. At shipping stations buyers today are offering as high as \$1.85 for first class stock. Sales are fair but some growers are again showing a tendency to hold because of the increased call. In the Front Street market the price today for first-class stock ranges firm at \$2.25 with second-class onions close to \$2. Local shippers are sending out warnings to their country friends not to get excited because the market is slightly up and hold their stock. Buyers claim that the market has every prospect of making another fractional rise but prices will not go so very high because onions will be brought in from the East if Pacific coast figures warrant it.

Potatoes in a Rut. The potato market is far from pleasing, either to the shipper or to the producer. Present buying prices at country points range around 50c and 55c per 100 pounds for first class shipping stock. It is stated that many consignments to the coast have recently been made by Eastern Multnomah producers but their returns have been no more satisfactory than the present market. Cheap Butter Quite Plentiful. The cheaper grades of butter continue to plentiful for the demand and the result is that most sales of first class products are now being made at 5c. Supplies of outside creamery are increasing and even city creameries report a greater volume of cream shipments than formerly. It is stated that supplies of cold storage butter were never so great in the east nor on the coast than at present.

Poultry Supplies Are Inadequate. Supplies of poultry continue inadequate to fill the requirements of the trade and the result is that the prices are being held up to the top notch. Eggs are holding their own quite well with some reporting a slight shortage, and others a glut. Price unchanged at 32 1/2 c. Dressed hogs are high with prices firm around 8c for the best. Fresh halibut is almost out of market and the old stocks are being readily sold at quotations. Trade believes when fresh stock arrives that higher prices will rule. Present value at 8c. Quoting Sweet Potatoes Higher. Repacked sweet potatoes are selling at an advance of 25c in the local market. Orange market is quite firm at former range. Supplies just about equal demand. Demand for cheap quality apples is increasing and the range of value is quite wide. Celery market is firmer here as a result of the better tone in the south. Hop Buyers Still Want Hops. There remains a very liberal demand for hops in all three of the coast states. The movement in California is not so large as in Oregon because the growers there are holding back somewhat. There is a disposition among the buyers here to take all the hops offered by producers but only low figures are being obtained. Some of the dealers who are not short are now buying for speculation; this being one of the best features of the tired market at present.

Portland Livestock Market. A firm tone prevails in all lines in the local livestock market, with no change from the quotations of yesterday. Cattle—Best steers \$3.75 @ 4.25; medium \$3.25 @ 3.75; cows \$2.25 @ 3.00; fat to medium cows \$2.50 @ 3.25; bulls \$1.50 @ 2.25; calves \$3.50 @ 4.00. Sheep—Good shorn \$4.25 @ 4.75, full wool \$4.50 @ 5.00; lambs \$4.50 @ 5.25. Hogs—Best \$5.00 @ 5.25; lights, fats and feeds \$4.50 @ 5.00.

CREAMERY MARKET REPORT. Creamery Butter—30c @ 25c. Eggs—30c @ 32c. Chickens—14c @ 15c. Wheat—Valley 85c; bluestem 85c. Oats—Per ton, \$27 @ 32. Barley—Per ton, \$27 @ 31. Hay—Timothy \$18; cheat \$13. Mohair—Choice, 29 @ 30c. Wool—Valley 18c @ 20c. Hops—Prime, 45c @ 7. Potatoes—50c @ 60c. Onions—New, \$1.50 @ 1.75. Chittim bark 5 1/2 @ 7c.

ASK RAILROADS TO ADVERTISE OREGON ALSO

At a meeting of the board of governors of the Eugene Commercial Club, held January 6, the following resolution was adopted, and ordered sent to the officials of the Southern Pacific and Union Pacific Railroad Companies: Whereas, the Southern Pacific Company, Union Pacific Company and their connecting lines are doing such splendid, persistent and costly advertising in the daily newspapers of the big Eastern cities, urging people to go to California; and Whereas, the writers of those advertisements seem to be entirely unaware that California's sister state, Oregon, has attractions as to mild winters and sublime scenery equal to and in many instances surpassing California; and Whereas, many people who have no intention of again going to California might be induced to visit beautiful Oregon, thereby adding to the revenues of the railroad companies, and to the upbuilding of our state, to the mutual benefit of Oregon and the railroads; be it

Resolved, by the Eugene Commercial Club, of Eugene, Oregon, that the railroad companies above named be respectfully urged to give to Oregon at least a share of the publicity which is now so lavishly bestowed by them upon our sister state exclusively.

NEWS BUDGET FROM PLEASANT HILL. (Special Correspondence.) Pleasant Hill, Jan. 7.—The holidays passed very quietly, family gatherings being the only events out of the usual order. Studies have been resumed in all of our schools. Mrs. P. N. Shelley and son have moved to Portland, where they will be joined by Mr. Shelley next week. Several prominent teachers of the county returned to their old homes at Pleasant Hill to spend the holidays, viz: J. D. Baughman, of Cottage Grove; H. C. Baughman, of Springfield; W. M. Gilbert and wife, of Marcola; Miss Ruby Baughman, of Blue River. Roy Mitchell returned today to Corvallis to attend the O. A. C. C. C. Mulkey and wife have gone to Mabel, where they will take charge of the Sunset Lumber Company's cook house. Ralph Hemphill is home from Kelo, Wash., after nearly two years' absence. Mr. and Mrs. John Waring have moved from Thurston to the Bridges place, which they recently purchased. Miss Blanche Branton, of Cottage Grove, spent the holidays with her grandfather and other relatives at this place. Mr. Chenoweth arrived today from Salem and took possession of his newly purchased property in this neighborhood. Mrs. A. C. Sherwood, who has been seriously ill for several weeks, is much improved at this writing. While Eugene is agitating the county high school question, it is up to the rural voter to carefully read article 2, page 112, of the school laws, and decide for himself where he prefers to send his children who are ready to enter high school—to the county seat, where tuition only is free, or to a central or union high school, which might cost him a trifle more for maintenance, but would give peace of mind to the conscientious parent who desires to safeguard his children with home influences as long as possible.

REGULAR. ANNOUNCEMENT OF JUNCTION BAPTIST CHURCH. Regular services as usual, 11 a. m., theme, "The Open Door," 7:15 p. m., "The Stupidity of God's Children." Every Christian should hear these addresses. Let everybody come. Services at Lancaster at 3 p. m. D. E. BAKER, Pastor.
