

JAPAN DECIDES TO RESTRICT EMIGRATION TO UNITED STATES

VISCOUNT HAYASHI

Tokio, Jan. 21.—Viscount Hayashi in an interview made a statement concerning the emigration question,

which may be considered as the official declaration of the attitude of his government, in which he says that the government is determined to investigate the personal standing of those who go to America as students, requiring two sureties before they leave. The government is, moreover, determined to prevent the emigration of laborers.

If necessary emigration to Hawaii will be absolutely prohibited, also to Mexico, and the foreign minister says there is no important question pending between America and Japan, reports "originating in certain sectors" "originating in a certain understanding."

POLICE AND STRIKERS CLASH IN BERLIN

Berlin, Jan. 21.—There was a serious collision between the police and a mob of unemployed men who earlier in the day had attended a meeting addressed by socialists. The police used their sabres freely, and the mob hurled missiles at them.

MISSING BRITISH VESSEL SIGHTED IN DIRE DISTRESS

Seattle, Jan. 21.—A deserting sailor from the Norwegian steamship Tyra, from Bellingham to Australia, reports that the Tyra sighted the missing British ship Hartfield last Wednesday forty miles inside the straits east of Cape Flattery on her beam ends, her forward engine inverted as a distress signal. She seemed uncontrollable. Seven hours after the vessel was sighted the wind changed and it was blown out to sea.

HEMBREE MUST STAND TRIAL AGAIN

Tillamook, Jan. 21.—Abu Hembree, has been arrested and will probably be tried in April for the alleged murder of his daughter. He was convicted of the murder of his wife and given an indeterminate sentence, but was released on parole a few weeks ago. Two indictments were returned in April, 1906, after the bodies of the wife and daughter were found in the ruins of their home.

THOUSANDS CURED.

Wonderful Success of Hyomel in Curing Catarrh, Even in Chronic Stages.

Hyomel is the most unusual remedy ever known for the cure of catarrh.

It follows Nature in her method of treating diseases of the respiratory organs, as its healing balsams are taken in with the air you breathe, thus reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs and preventing their growth.

Use Hyomel at the first symptoms of catarrh. Do not allow the disease to extend along the delicate mucous membrane, gradually going from the nose to the throat, thence into the bronchial tubes, and then onward as downward until the lungs are reached. Hyomel will cure all curable forms and stages of catarrh. Hull Drug Co. takes the whole risk, and offer to refund the money for a dollar outfit if it fails to cure.

JEROME FAILS TO CONFUSE YOUNG MRS. HARRY THAW

SHE TELLS HER STORY EXACTLY AS SHE DID IN THE FIRST TRIAL—JEROME CONCLUDES HIS LONG CROSS-EXAMINATION THIS AFTERNOON

New York, Jan. 21.—Mrs. Evelyn Nesbit Thaw continued today under the lash of District Attorney Jerome's cross-examination. The prosecutor spent much time in poring over her evidence at the former trial, but the witness adhered to her original story, declaring it all to be true. Jerome was aggressive in his attitude today, but his manner of questioning lacked the fire of yesterday. He and the witness constantly engaged in tilts and the honors were about even.

Mrs. Thaw matched herself both with Mr. Jerome and his assistant, Mr. Garvan, who was ever at his chief's elbow with new suggestions. She fended with them as skillfully as she did a year ago, and at times rejected the mood of the district attorney by answering in a voice pitched in as loud a key as his own. The prosecutor's pitiless and aggressive questions often struck fire, and once, when Jerome demanded to know if the young woman had told Thaw certain things, she replied: "Yes, I told him, but I did not use the language you are using."

"Don't argue with me, madam," shouted Mr. Jerome, who then had the reply stricken from the record.

But one new feature appeared in the testimony of the witness. This was when she told of Thaw's swallowing the contents of a bottle of laudanum at Monte Carlo in 1904, in an attempt to end his life. Previous to this, at the Grand Hotel in New York, Thaw had talked of suicide, his wife declared, and had suggested that she also should take poison, as both their lives had been ruined. Mrs. Thaw said she humored Thaw at the time and diverted his mind. She was out of the room when he finally took the poison.

"Why didn't you tell us of this at the first trial?" demanded Jerome. "Mr. DeLmas said it might make Harry out to be a liar," the witness retorted before the district attorney could stop her.

Jerome finished his long cross-examination of Evelyn at 2:43, after which Littleton asked some redirect questions. The witness was excused at 2:47.

KICK AGAINST LANE COUNTY COYOTE HUNTERS

Monroe, Or., Jan. 20.—There are several sore spots in this vicinity on account of the way the coyote hunters of Lane county are operating.

The varmints are started in that county, chased across Houck mountain into Benton county, and frequently the trail is lost on this side of the hill, so that the sheep killer is left to ply his trade among the bands owned here. Since there are no dogs to chase these animals it works a hardship on the Benton ranchers. Hence steps are being taken for a donation of a fund sufficient to secure the destruction of coyotes in this part of the county.

HAPPY WOMEN.

Plenty of Them in Eugene and Good Reason For It.

Wouldn't any woman be happy? After years of backache, suffering, days of misery, nights of unrest, the distress of urinary troubles, she finds relief and cure? No reason why any Eugene reader should suffer in the face of evidence like this:

Mrs. M. J. Drew of 295 West Eighth Street, Eugene, Ore., says: "I suffered from severe pains that seemed to run from the kidneys through the loins and down into the limbs. There was also a noticeable disorder of the action of the kidneys and the presence of uric acid caused rheumatic twinges. Being induced to try Doan's Kidney Pills I was agreeably surprised by the prompt relief I found. It helped me a great deal in just a few days and the improvement continued as long as I kept on with their use. I cannot help but give Doan's Kidney Pills a stronger recommendation."

AME WILL BE PLAYED IN PORTLAND

The University of Oregon athletic council has acceded to the wish of the Oregon Agricultural College, and the annual football game between the institutions will be played in Portland this year.

No arrangements were made, however, for playing the game in Portland permanently. This year's game should be played on the O. A. C. campus, but the "Aggies" wish to play it in Portland instead. It is very doubtful if Oregon's game, that is the game played in Eugene every other year, will ever be taken from the university campus, as the school sentiment is against playing away from home more than necessary.

HENEY SAYS LAND FRAUDS STILL CONTINUE

Portland, Jan. 21.—In an interview today with an Evening Telegram representative Francis Heney declared that land frauds were going on in Oregon today as of yore, that the wholesale prosecution of land grafters has not made the land thieves better but has simply made them more careful.

The Hall-Mays case today was devoted to the continued testimony of people who obtained homesteads under the alleged frauds and under contract with the Butte Creek Company.

EUGENE'S FIRE LOSS IN 1907 LESS THAN \$11,000

ANNUAL REPORT OF FIRE CHIEF FILED WITH THE CITY COUNCIL.

FOURTEEN ALARMS RESPONDED TO BY DEPARTMENT DURING YEAR—WILLAMETTE STREET FIRE IN AUGUST LARGEST BLAZE, WITH LOSS PLACED AT \$6,000.

At the meeting of the city council last night W. C. Yorlan, chief of the Eugene fire department, filed his annual report. It is as follows:

Eugene, Or., Jan. 18, '08. To the Honorable Mayor and Common Council of the City of Eugene: Gentlemen: In accordance with the provisions of the city laws, I herewith submit my report as chief of the Eugene fire department for the year ending December 31, 1907.

Fires and alarms occurring during the year, together with the losses occasioned and the causes of the same as far as obtainable, are as follows:

Feb. 15.—Theatre block; alarm; no fire.
April 23.—J. O. Watts' residence, corner East Seventh and Pearl streets; roof fire, caused by defective flue; damage about \$25.
April 24.—Roof fire at Fisher laundry, on East Eighth street; caused by sparks falling on mossy roof; damage trifling.

May 13.—Roof fire at Denhart residence on East Tenth and High streets; caused by sparks falling on mossy roof; damage about \$10.
May 14.—Fire at Gross Hotel; probably caused by cigar stump thrown on canvass awning; loss trifling.

June 5.—Fire at Burbach house on Olive street, caused by careless use of firecrackers; loss about \$100.
June 7.—Fire at Fisher laundry, on East Eighth street; caused by sawdust used for fuel being allowed to accumulate around firebox of engine; loss about \$800.

July 19.—Grass fire in W. W. Haines' yard on East Ninth street.
July 31.—Fire in Mrs. Brown's barn on Washington street; caused by children playing with matches.

July 31.—Grass fire in Prof. B. J. Hawthorne's yard on Lawrence street.
Aug. 5.—Fire on Willamette street, between Sixth and Seventh; probably caused by cigar stump thrown among rubbish accumulated between buildings; loss about \$6,000.

Oct. 9.—Blacksmith shop rear river bridge; destroyed; probably incendiary; loss about \$500.
Nov. 27.—Burning flue in Theatre block; no fire.
Dec. 16.—Fire in Mrs. Shumate's millinery store on East Ninth street; loss about \$3,000.

This makes a total of 14 alarms answered by the department during the year, with a total loss of about \$10,735.

Equipment.

The equipment for fire protection at this date is as follows: Seventy-three hydrants well distributed about the city; one hose cart on East Eleventh street, one on Lawrence street and a reserve cart at the city hall, each carrying 6000 feet of hose in fair condition; one combination chemical engine and hose wagon at city hall carrying 1000 feet of first-class cotton hose; one hook and ladder truck. With the exception of the reserve cart, all are well manned.

Expense of Maintenance.

The estimated expense of maintaining the department for the ensuing year under present conditions is as follows:

Board of delegates, allowance	\$ 30.00
Eugene Engine & Hose Co., allowance	60.00
Cyclone Hose Co., allowance	20.00
Roscoe Hose Co., allowance	30.00
Hook & Ladder Co., allowance	30.00
Driver for engine	750.00
Assistant driver	180.00
Chief engineer	50.00
Feed for team	258.00
Shoeing for team	48.00
Incidentals (blankets, etc.)	30.00
Hauling fire apparatus	30.00
Total	\$1636.00

Respectfully submitted, W. C. YORLAN, Chief Engineer Fire Department.

BOISE BANK FAILED TO OPEN FOR BUSINESS

Boise, Jan. 21.—The Capital State Bank of Idaho, Limited, of this city, failed to open its doors this morning. At a directors' meeting last night it was decided that temporary suspension was necessary, owing to recent heavy withdrawals of deposits. The expert accountant who advised the action expressed the opinion today that the bank is solvent, and will pay dollar for dollar.

Reports reflecting on the stability of the bank have been in circulation for two months, and helped to precipitate the failure.

When its last report to the state bank examiner was made in December the deposits aggregated nearly \$1,500,000. George T. Ellis is president and Horace Neal cashier, several prominent local financiers being stockholders.

A petition for a receiver will be filed today. The bank asked the assistance of the clearing house association some time ago, but after an examination it was decided that no help could be given. The bank asked for \$250,000 to tide it over until its assets could be realized upon.

N. L. Fitzhenry today sold 39 bales of hops to T. A. Livesley for 5 1/2 cents per pound.
