 ELMIRA ITEMS
 (Special Correspondence.)
 Elmira, March 11.—We are all enjoying the fine weather, and we hope it will last for a long time, so we can get in some more garden.
 Homer Hayes visited at Mrs. Zumwalt's Sunday.
 Reece Zumwalt was in our burg on a visit one day this week.
 Miss Veda Hale, who has been visiting her sister in Junction, returned home Monday.
 The party at Erdman's was reported good, everybody enjoying themselves, but it would have been better if it had not been in the middle of the week. There was a sleepy school the next day, even the teachers being sleepy.
 Elmira is still growing. We have three new families. Now we have some more school children.
 Bessie Hale, who has been visiting friends for the past week, returned home Tuesday morning on the stage.
 As you may be aware, the red-wheeled bus is making its regular trips up to Mrs. Bowls' residence. What is the attraction, Rebecca?
 Reece Zumwalt made a flying trip to Eugene Sunday.
 John Horn's family is out on a visit.
 The choir practice was well attended Sunday.
 Miss Bertha Mounts is visiting friends in Elmira.
 Darwin Hale made a flying trip home Monday morning.
 Miss Quinn went to Eugene Friday night, returning to her school Sunday.
 Charles Gilson also went to Eugene Friday night, returning home Saturday.
 Dorris Hale has been on the sick list the last week. Ira Inman has been teaching for him.

JURY AWARDS DOYLE \$45,000 DAMAGES
 (Continued from Page 1.)
 out it down to a lower figure than at last agreed upon.
 The trial has been long, beginning last Thursday morning. A greater part of the first day was occupied in securing a jury and the testimony was long and some if it tedious. A number of Greeks who were working under Doyle at the time of the accident testified and their testimony had to be repeated by an interpreter, thereby taking up more time than the testimony given by others. Both sides were represented by some of the ablest attorneys in the state. The railroad company had W. D. Fenton, R. A. Letter, well-known corporation attorneys of Portland, and J. M. Pipes, the company's local counsel, while Doyle was represented by Judge A. S. Bennett and Attorney Sinnott, of The Dalles, and A. C. Woodcock, of Eugene. Judge Bennett is said to be one of the best attorneys in a case of this kind on the coast and it is probably due to his splendid argument before the jury that the plaintiff was awarded as much as he was. The case will probably be appealed to the supreme court by the railroad company. The defendant was given 20 days to file a motion for a new trial.
 The jury in the case was as follows: P. D. Newell, Clarence Koon, H. B. Dunlap, E. W. Michael, Palmer Ayers, R. Y. Porter, L. B. Rossman, J. P. Bolan, J. N. Cole, J. M. Gearhardt, Rufus Robertson.
 Enter Plea of Not Guilty.
 Andy Taylor and Wm. L. Ford, who had been indicted for the illegal sale of liquor, appeared in court this morning and entered pleas of not guilty. Taylor's attorney is C. M. Kinsinger and Ford's is L. M. Travis. The trials will come up within a few days.
 Ernest Coleman, who last week was fined \$75 for the same offense, has been indicted by the grand jury for perjury, alleged to have been committed in connection with his case. His attorneys, Charles A. Hardy and L. Blythe, filed a demurrer to the indictment.
 Hoffman vs. Scott Case Up.
 The case of Mrs. Eugenia Hoffman vs. Duncan Scott, to recover \$4000 which the plaintiff alleges she gave the defendant to invest for her, was called this morning and the following jury chosen:
 M. B. Stone, J. W. Pollock, J. M. Gearhart, H. B. Dunlap, L. B. Rossman, E. W. Michael, Rufus Robertson, F. R. Wetherbee, R. D. Hawley, Palmer Ayers, R. Y. Porter, W. L. Wheeler.
 This case is the one, it will be remembered, in which Scott alleges that Mrs. Hoffman gave him the

money with which to buy "green goods" at Los Angeles, Scott claiming to have been robbed by the bunco artists, but also claims that it was his money which they took and not Mrs. Hoffman's. The case was tried at one of the terms of court last year and this is the second trial. J. M. Pipes, George A. Pipes, of this city, and M. L. Pipes, of Portland, are attorneys for Mrs. Hoffman and L. Blythe, of this city, and A. S. Bennett, of The Dalles, for Scott.
 Divorce Granted.
 Judge Harris has granted a divorce in the case of Sarah E. Parmenter vs. David B. Parmenter. This is the case wherein Parmenter married a second wife before he was divorced from his first, and wife No. 1, learning of the circumstance, immediately sued to be free of him.
GRANGE ORGANIZED AT IRVING TUESDAY

Fisher, gate keeper; Mrs. Amanda Parker, Pomona; Minnie Plank, Flora; Mrs. Hattie Robinson, Ceres; Mrs. Minnie Bond, lady assistant steward. The next meeting of the grange will be held March 25th. STOP THE STRENUOUS LIFE.
 Weakens the Tissues and Lessens Organic Vitality.
 The stress and strain of the strenuous life in both city and country tends towards stomach troubles. Five years ago with sick headache, dizziness, fatigues, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the many other symptoms of indigestion.
 All who are suffering with stomach troubles, and that means at least two out of three in Eugene and other towns, should use Mi-o-na stomach tablets. Nothing else can be so thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na. So reliable is Mi-o-na in its curative action that Hull Drug Co., with entire 50c box they sell, give a guarantee to refund the money unless the remedy cures.
BOY CAUSED RINAWAY AT WALTERVILLE
 (Special Correspondence.)
 Walterville, March 11.—Tuesday morning Mrs. John Stormont started to drive to Eugene, but stopped at Rennie's store and tied her team to one of the porch posts. While she was in the store a small boy walked up to the team on stilts and shook a paper in their faces, which frightened them. He was advised by Lester Millican to stop, but he had not yet had fun enough, and soon the horses were rearing and plunging and finally broke loose and ran home, a distance of one and a half miles east of Walterville. The barnyard gate was open, and as they dashed in they broke loose from the hack and after circling around the yard a few times went out into the road and ran to Elliot Potter's, where they were caught. Mrs. Stormont's many friends are very thankful that she was safe.
 Several of the children in the neighborhood have the chicken pox. No one is very sick.
 Zara Potter was very sick with neuralgia of the stomach Saturday evening, but is much better.
 Uncle Walter Hotchkiss was taken to the Eugene hospital last Saturday by Dr. Johnson.
