

AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

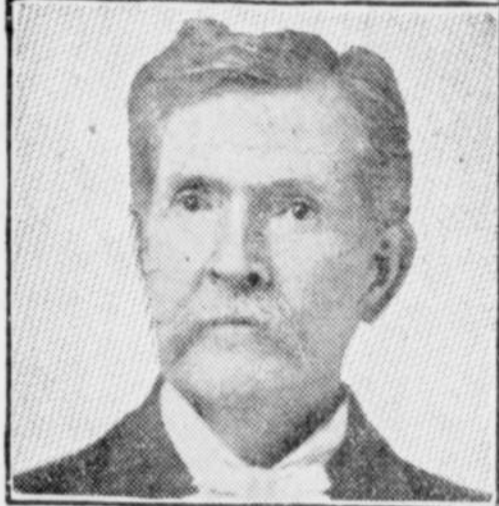

A Remedy for the Grip.
Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula."
"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite."
"I therefore feel much encouraged that I am on the road to complete restoration."
"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.
Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:
"I can recommend Peruna for dyspepsia and stomach trouble."
"I have been using your medicine for a short period and I feel very much relieved."
"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.
Chas. W. Bowman, 1st Lieut. and Adjt. 4th M. S. Cav. Regt., writes from Lanham, Md., as follows:
"Though somewhat averse to patent medicines, and still more averse to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative powers of Peruna."
"I have been particularly benefited by its use for colds in the head and throat."
"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions."
"I use it as a preventive whenever threatened with an attack."
"Members of my family also use it for like ailments."
"We are recommending it to our friends."

GEN'L KIRBY

Gen. A.M. Legg

Recommends Pe-ru-na to the Afflicted.

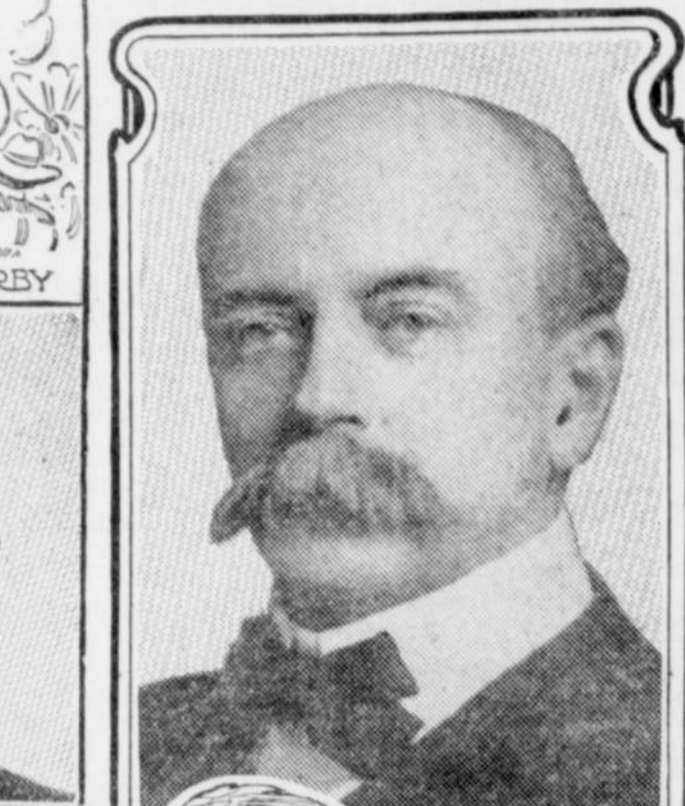

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:
"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

Pe-ru-na in Tablet Form.

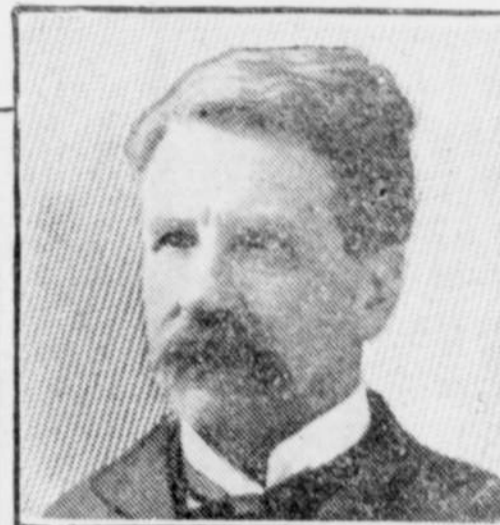

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

For Catarrh of the Stomach.

Gen. W. W. Duffield, Washington, D. C., writes:
"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.
Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:
"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them."
"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them."
"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?"
"My own little personal experience of being relieved of deafness, caused by a case of catarrh, warrants me in advising all the afflicted to just try Peruna."

GEN'L YODER

Used Pe-ru-na—Satisfied As to Its Merits—Recommends It to All Sufferers.

Gen. S. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:
"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

For Kidney Trouble, Coughs, Colds and Catarrh.

Gen. A. T. Hawley, 1336 25th St., N. W., Washington, D. C., writes:
"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrh trouble."

Convicted of Pe-ru-na's Merit.

Brig. Gen. J. Floyd King, Washington, D. C., writes:
"I unhesitatingly state that I am convinced Peruna is a medicine which will effect all that is claimed for its use."
"Those desirous of obtaining special directions with regard to the use of Peruna should write to Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio."

COUSINS ELOPE AND GO TO BRITISH COLUMBIA

ADRIAN WYCOFF AND MISS GEORGIA WYCOFF DETERMINED TO WED DESPITE THEIR BLOOD RELATIONSHIP.

The story of the elopement of a young couple residing in the McKenzie valley and who are first cousins, has reached The Guard. The young people are Adrian Wycoff, who is aged about 25, and Miss Georgia Wycoff, said to be only 16 years old. They left home two or three days ago, accompanied by the young man's sister, Miss Ethel Wycoff, who is also under age. They came to Eugene by private conveyance and took the first train for British Columbia, where the young man and his cousin will be married, the laws of this state forbidding the marriage of first cousins. It is said that after the wedding they will return home and expect to reconcile their parents to the union. It is said the young people have been contemplating marriage for some time past but the parents of both have naturally been very much opposed to it. Seeking the aid of the young man's sister, it was found that she was agreeable to the proposition and the elopement was planned by the three and successfully carried out.

BELIEVE ORCHARD WILL BE PARDONED

Denver, March 18.—"I know nothing about what will be done with Harry Orchard," said James McFarland, the detective who secured the confession of Orchard, today. "He was never promised any immunity and never asked any. I do not know whether his sentence will be commuted or not. He is guilty and he has confessed his guilt. He has told all he knew about those who caused him to commit his crimes. The fact that they were cleared by juries makes no difference to him."

APPLICATIONS FOR GRAZING PERMITS

Notice is hereby given that all applications for permits to graze cattle, horses and sheep within the Cascade (Willamette) National Forest, during the season of 1908, must be filed in my office at Eugene, Oregon, on or before April 15, 1908. This new division handles grazing districts 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of the Cascade (South) National Forest, as established last year. Full information in regard to the grazing fees to be charged and blank forms to be used in making application will be furnished upon request.

C. R. SMITH, Supervisor.

BIG FRESHMAN CLASS NEXT YEAR

Indications are that Oregon's freshman class of next year will be the largest in the history of the University. Registrar Tiffany has received so far over 50 applications for University entrance, while in previous years very few if any came in so early. University authorities predict an entering class of close to 250 next fall. The present enrollment, exclusive of outside branches, is 418, and with the law, medical and musical department the total is brought up to 719.

INCREASING GRAZING ALLOTMENT ON NATIONAL FOREST

Special to Daily Guard. Washington, March 19.—The forest service has recommended that the number of cattle and horses allowed to graze upon the Blue Mountains (W) National Forest in the state of Oregon during the season of 1908 be increased from 15,000 to 17,500 head and the number of sheep from 150,000 to 152,500 head. This forest has recently been divided into three administrative units, and the increase in the number of head of stock to graze on the range this year was made to permit an equitable adjustment among the former users of the forest.

ARRESTED FOR PASSING WORTHLESS CHECKS

Sheriff Fred Flak received word from Walla Walla, Wash., today to the effect that G. M. Whitson, a former traveling salesman for a Portland house, wanted here for obtaining money under false pretenses, was caught in that city today. The officers were notified and a lookout for the fellow was kept in every city in the Northwest, with the result that he was caught at Walla Walla. Sheriff Flak will leave for Olympia tomorrow to secure the necessary requisition papers from the governor at Washington, and will then go to the Island Empire City to bring his man back to Eugene for trial.

LANE DEMOCRATS HOLD MEETING AND RESOLVE

ENDORSE BRYAN, STATEMENT NO. 1, AND THE UNIVERSITY APPROPRIATION

CANDIDATES MENTIONED FOR VARIOUS OFFICES TO BE FILLED THIS YEAR—J. M. KITCHEN ENDORSED FOR COUNTY TREASURER—OTHER NAMES MERELY SUGGESTED

(From Saturday's Guard.)
The Lane county Democratic central committee met in Eugene today, passed resolutions, suggested several persons as suitable candidates for the various offices to be filled this year and took preliminary steps toward organizing a Bryan club and auxiliary Democratic clubs in every precinct in the county.

The meeting was called to order at 10 o'clock this forenoon by Chairman L. M. Travis and J. C. Veatch, of Cottage Grove, acted as secretary. Speeches were made by several of the thirty-five or forty war horses present and committees were then appointed as follows:
Committee on resolutions—E. P. Williams, J. D. Matlock, J. J. Walton, C. P. Houston, J. C. Veatch.
Committee on candidates—L. L. Stevens, J. M. Francis, R. M. Veatch.

Resolutions Adopted.
The meeting then adjourned until 1 o'clock this afternoon, at which time Chairman Travis called it to order and the committee on resolutions reported as follows, the report being unanimously adopted:
Whereas, the paramount issue in the coming campaign in this state involves the election of United States senators by the direct vote of the people; therefore be it

Resolved, That we, the Democrats of Lane county, are in favor of Statement No. 1, and hereby pledge ourselves to support no candidate who does not favor this measure; be it further
Resolved, That we are in favor of the \$125,000 appropriation for the maintenance of the State University; be it further
Resolved, That W. J. Bryan be endorsed as candidate for president.

Candidates Suggested.

The committee on candidates reported the names of several persons who would acceptably fill the offices of the county if elected, but no official action was taken except to endorse the name of J. M. Kitchen, of Irving, for county treasurer, the others being simply suggestions by the committee and by the meeting. Following are some of the suggestions:

- For sheriff—H. L. Bown, of Eugene.
- For Clerk—Henry Stewart, of Springfield.
- For assessor—Welby Stevens, of Springfield.
- For school superintendent—J. J. Bryan, of Springfield.
- For coroner—Dr. W. L. Cheshire, of Eugene.
- For surveyor—Simon Klodahl, of Eugene.
- S. M. Douglas, of Springfield, was mentioned for county judge, but he declined to run. He was also mentioned for commissioner, and this was also declined. J. H. McMahon was suggested for judge, but he, too, declined to make the run. The matter of selecting candidates for these two offices was referred to the central committee.

The chair was authorized to appoint a committee to look into the matter of selecting candidates for the legislature and to report at a mass meeting to be held soon. It is said that a meeting of Statement No. 1 advocates from both parties will be called for next Saturday. The committee appointed is as follows: F. L. Armitage, A. J. Pickard and G. F. Skipworth.

Of the above-named persons who have been suggested for office, Harry L. Bown has announced his intention of running for sheriff, and Welby Stevens has filed his petition for the nomination of assessor.

It was decided to form a Bryan club at a mass meeting to be held on Saturday, April 11.
