

BLOOD POISON

HUMILIATING-VILE-DESTRUCTIVE

The first symptom of Contagious Blood Poison is usually a little sore or ulcer, which is quickly followed by a red rash on the skin, swollen glands in the groin, falling hair, ulcerated mouth and throat, and often copper colored blotches on different parts of the body. As the blood becomes more fully contaminated with the poison, pustular eruptions and sores break out on the flesh, and in extreme cases the nerves and bones are attacked and the finger nails drop off. Then the sufferers find themselves diseased from head to foot with this humiliating, vile and destructive poison. No other disease is so highly contagious; many an innocent person has been inoculated by handling the clothing or using the toilet articles of an infected person. There is but one certain, reliable cure for Contagious Blood Poison, and that is S. S. S. It attacks the disease in the right way by going down into the circulation, and neutralizing and forcing out every particle of the poison. It makes the blood pure and rich, tones up the system, and completely and permanently cures this disease. S. S. S. has cured thousands of cases of Contagious Blood Poison. If you are suffering with this debasing and destructive disease begin the use of S. S. S. and get the poison out of your blood before it permanently wrecks your health. We have a home treatment book on the disease which we will send free to all who wish it, and in addition our physicians will give without charge any medical advice needed. The New Game of Topsy Twirl

Everybody is going to play it, one of the most fascinating and skillful games ever offered to the public. It is a game that is easily mastered, but it requires skill to operate it successfully. As an outdoor exercise it is unequalled, and a child that is trained can enjoy it as well as the trained athlete. Small size 10c and 20c; larger sizes from 50c up to \$5.00. Ask to see them.

TO JUDGES AND CLERKS OF ELECTION

After every election the mistake of putting the tally sheets in the ballot boxes and sealing them up after count has been completed has been made by the judges and clerks of election in a number of the precincts of Lane county, thus delaying the official count. County Clerk Lee is now sending out supplies for the primaries with instructions to place the tally sheets in the envelopes furnished for that purpose and LEAVE THEM OUT OF THE BALLOT BOX. This envelope containing the tally sheet should be delivered to the clerk by the messenger sent in with the returns. NOTHING BUT THE BALLOTS MUST BE PLACED IN THE BALLOT BOX.

WHY NOT ACCEPT NEW IDEAS, IF GOOD?

Few newspapers are opposed to progress, but I notice the Springfield News says "new ideas and methods in assessments will not work in Lane county." However, there are a few publications and their patrons who believe a few new ideas might work in our present methods to our benefit and not upset any of the things worth retaining. We do accept improvements in planting, care of orchards, implements and all business lines.

P. D. NEWELL,
Candidate for nomination for Assessor.

HOW IS YOUR STOMACH?

Easy Way to Strengthen It and Get Well.

A good digestive system, one that acts so that you do not know that you have a stomach, is God's birthright to every man—every woman.

If digestion is weak, if food turns into gas, if you suffer after eating, if you are sleepless, nervous and out of sorts—then the stomach is diseased and prompt action should be taken.

W. A. Ennis, a well known builder in Syracuse, tells an easy way to strengthen the stomach and get well; he writes: "Mi-on-a Stomach Tablets have done more for me in one week than all doctors the two years I was under their care. Thanks to Mi-on-a, I can work once more, the first time in over a year."

It is an easy thing to strengthen the stomach and cure indigestion by using Mi-on-a. Get a 50c box from Hall's Drug Store; they guarantee to refund the money unless the remedy does all that is claimed for it.

ELMIRA ITEMS

(Special Correspondence.)
Elmira, April 14.—S. W. Jackson and wife began a meeting April 9 at the Christian church. They expect to be with us a month. Good interest is manifested and we expect a great meeting. Two confessions Sunday. Undoubtedly the people of Elmira are having the opportunity of hearing the best speaking and singing this place ever had. Mrs. Jackson is an excellent chorus director. Since they came here we built a choir stand in one corner of the church and now have a chorus of twenty voices under Mrs. Jackson as chorus leader.

The sole purpose of meeting is for those out of Christ to bring them to the Savior. We earnestly ask those who can to attend these meetings. It will do you good—you cannot afford to miss them.
