HUSTON MAKES RECORD TIME IN HUNDRED YARDS

(From Saturday's Daily Guard.)

The tryout sprints for the Pullman and Whitman field meets were held this morning on Kincaid field. The surprise of the day came in the 100-yard dash, in which Huston crossed the tape in ten seconds flat, with Moon, Reid and Roberts following closely in the order named. The track was fast and weather conditions were favorable for record-breaking time.

In the mile event the freshmen runners carried the day, Downs winning, with Seivers a close second. Woods was unable to appear at his best, and was almost forced to leave on the last lap.

Roberts, the McMinnville freshman, showed up well in the 100-yard dash, and ran the fleet-footed Huston a very pretty race in the 220-yard hurdles. Moon, the point winner of the freshman meet a few days ago, took a close second in both the 100 and 220-yard dashes.

The results of this morning's races are very encouraging to Trainer Hayward, as the team is crippled by the temporary loss of Moores.

This afternoon the remaining events of the tryout are being held.

This mornings results are:

Mile run—Downs, Sievers, Woods; time, 4:44 4-5.

100-yard dash—Huston, Moon, Reid; time, 10 seconds flat.

Half mile run—Dodson, May; time, 2:05.

220-yard dash—Reid, Moon, Klitz; time, 23 seconds.

220-yard hurdles—Huston, Roberts, Oberteuffer; time, 27 seconds.

Afternoon events.

440-yard run—Lowell, Klitz; time, 54 seconds.

120-yard high hurdles — Kuykendall, Huston; time, 17 seconds.

Discus throw—McIntyre won, 105 feet.

The team selected today will leave Monday evening on its northern trip. Probably fourteen men will go.

OLIVE STREET ORDERED PAVED BY COUNCIL

(From Tuesday's Daily Guard.)

At a meeting of the city council last night the petition to pave Olive street, between West Fifth and West Tenth, was presented and it was voted to instruct the city attorney to prepare the necessary ordinance ordering the work done. Councilman Gilbert made an effort to have the matter referred to the street committee but his motion to that effect was voted down. The petition was signed by a majority of the property owners along the street. The city attorney was also instructed to draw an ordinance ordering West Fifth and West Sixth streets, between Willamette and Olive paved.

Steam Roller Purchased.

The matter of purchasing a steam roller to be used in macadamizing the residence streets was brought up and after considerable discussion it was voted to purchase a machine of that kind. The city already owns a rock crusher and an engine with which to operate it. After the roller is purchased the city will be in a position to build its own macadamized streets in the residence districts. The roller will cost about $8500 and will be ordered from the Buffalo-Pitts Company.

Ordinances.

An ordinance providing for the improvement by grading and graveling West Sixth street from Bloss street west to the city limits was passed. Also for grading and graveling Alder street from Eleventh street to the mill race, and Pearl street from Fifteenth to Sixteenth street.

An ordinance for a sewer in the alley between Pearl and High streets and extending from the sewer on Twelfth street to a point midway between Twelfth and Thirteenth, was passed.

An ordinance regulating the cutting of pavement was amended and passed.

An ordinance regulating the riding of bicycles on the sidewalks of paved streets was referred to the street committee and the city attorney.

An ordinance amending the dog license raising the license fee to $2.50 for male dogs and $5 for females, was referred to the judiciary committee.

An ordinance regulating the cutting of wires, cables or trolley lines or raising same when buildings are being moved was referred to the judiciary committee and the city attorney.

Petition for sewers in the alley between Fifth and Sixth, from Jefferson to Blair street, and alley between Second and Third street, from the west side of High street to the Willamette river, were referred to the sewer committee.

A remonstrance against moving the old Hall building from the corner of East Ninth and Oak streets was read and the chief of police instructed to order the work of moving it stopped, under the city ordinance regulating the moving of such structures.

The council will meet again Monday night.

OREGON ELECTRIC RAILWAY PROMOTER

W. A. White, of the firm of Moffatt & White, the New York syndicate which is financing the Oregon Electric Railway, is in Portland, accompanied by his son, A. W. White, also of New York. Mr. White annually visits the Pacific coast, where he has interests aside from those of the Oregon Electric, and declined yesterday to enter into a discussion of the plans of the men who are financing the road other than to confirm the published report of proposed extensions of the system throughout the Willamette valley and into the coast counties.

Accompanied by Guy W. Talbot, general manager of the Oregon Electric, and members of the contracting firm which built the road, Mr. White and son yesterday made a trip of inspection to Salem. This was the first trip Mr. White has made over the road since it was completed.

It is expected he may visit Eugene before returning East.

MORE EVIDENCE AGAINST SUSPECT MURDERER

Portland, May 7.—What is believed to be the "missing link" in the chain of circumstantial evidence in the case of E. H. Martin, under arrest in connection with the murder of Nathan Wolff, the pawnbroker, last Friday evening, has been supplied by a watchmaker in the employ of Wolff, who has positively identified Martin as the man whom he saw talking with Wolff at 5:30 o'clock on the afternoon of the murder, and again later in the evening.

It was decided today to disinter the body of Wolff for the purpose of examining the finger nails for a possible trace of the skin of the murderer under the finger nails of the dead man. Martin's neck and hands are severely scratched and the police believe the scratches are the result of his encounter with Wolff. Martin claims he was scratched by a cat.

Other Evidence Found.

Finding of a blood-smeared overcoat and a rusty rifle in a vacant lot near the corner of Montgomery and Water streets last night is believed to supply evidence that will insure the conviction of Edward H. Martin of the brutal murder of Nathan Wolff.

The coat was identified at a late hour as belonging to Martin. The rifle is said to be the one stolen from Wolff's pawnshop at the time of the murder and robbery, early Friday night. Identification was made by Frank D. Hennessey, clerk of the municipal court, who knew Martin. He was positive of having seen the accused man wearing the garment within the past few days.

The coat and rifle were found at 9:30 o'clock. The identification was made shortly before midnight. Detectives were at once sent to make a detailed search of the vacant lot. Martin's coat and vest, worn by him when he left his home Friday morning, are still missing.

The articles were found by Patrolman Stark Lytle. The lot, between Montgomery and Harrison streets, on Water street, is on his beat, and attracted by a broken old barouche, he walked up to the vehicle and inspected the bed. The glint of a rifle barrel caught his eye, and he drew the rifle out. The coat lay across the stock.

A lighted match revealed the character of his find and the officer hurried to to the police station. Here a minute inspection was made of the garment. The breast was spattered with blood, while the right sleeve was literally dyed crimson. Broad red smears appeared on the right shoulder and lapel. The coat was of a light material and showed the stains plainly.

In Trouble at Tacoma

Vancouver, Wash., May 6.—Edward H. Martin, arrested in Portland on the charge of murdering Nathan Wolff, a Portland pawnbroker, has a police record in this city and curiously enough was arrested for robbing the safe of M. Clow, a local pawnbroker. From the varied story told the Vancouver police by Martin, Chief Secrist, of the local force, believes Martin likely to deny the charge of murder in the face of the most incriminating evidence. It was partialy through a description of the man furnished the Portland authorities by Secrist, who knew him well, that his capture was effected yesterday.

Martin's trial was to come up before the superior court on a charge of grand larceny, but through the influence of his wife and friends the charge was reduced to petty larceny and Martin pleaded guilty and was fined $30, this amount being paid by his wife. After his experience here Martin soon left town and has not yet been seen by the local authorities.

TWO SOLID BLOCKS OF ATLANTA ARE FIRE SWEPT

Atlanta, May 8—Two solid business blocks of Atlanta are in ruins today as the result of a fire that threatened for a time to carry destruction to the entire business section of the city. The loss is conservatively estimated at $1,500,000.

The Terminal hotel, one of the largest in the city, is in ruins. It contained two hundred guests, every one of whom escaped. Several smaller hotels were destroyed, but there was no loss of life.

The fire started in the Schlessinger Meyer Baking Company's store, and it is supposed to have been due to defective wiring, as attempts to operate the electric elevators immediately after the fire broke out were unsuccessful. Owing to the water pressure being poor the fire got beyond control in the high wind that was blowing. It was only by the greatest effort and total disregard of personal danger that the firemen finally got the upper hand of the flames.
