

MRS. GUNNESS' TEETH FOUND IN DEBRIS OF BURNED HOME

La Porte, May 19.—Just before noon today the upper and lower plates, which came from Mrs. Gunness' mouth, both containing her false teeth, were recovered through the sluicing of the ashes of the Gunness home. They have been positively identified by the dentist who made them.

LaPorte, May 19.—The issuance of a death certificate for Jennie Olson and turning the body over to relatives in Chicago puts the official stamp of identification upon one of the bodies found on the Gunness farm, regarding which there has been so much controversy. Although identified by her brother, many refuse to believe that the girl is dead.

In this connection the story of Earl Greening, who worked on the farm for Mrs. Gunness in the fall of 1904, is interesting. He says that on a Friday in September a man came to the house and that night Mrs. Gunness asked Mr. Greening to sleep in the barn, as the couple, whom she said were the professor and his wife from the Los Angeles college which Jennie was attending, would spend the night at the house and would require Mr. Greening's bedroom. In the morning Mr. Greening saw nothing of Jennie nor the professor nor his wife, but he was informed by Mrs. Gunness that they left on the early train, taking Jennie along.

This body, which is now declared to be that of a young woman, was taken from the same hole as was that of Jennie Olson, and in that hole were also the bodies of Ole Budsberg, of Iowa, Wis., and the remains of a male person. All the bodies were dismembered, but the trunks of the four were such that it was possible to identify the bodies of Jennie Olson and Budsberg. It is evident that three murders occurred in one night.

Other Bodies Buried.
Seven unidentified bodies, including one female, were buried in the Potter's field today.

PAVING PETITIONS REFERRED TO COMMITTEE

As predicted by The Guard yesterday, petitions for the pavement of several additional streets were presented at last night's city council meeting. First, a petition to pave West Eighth street from Charleston west to Blair was presented. It was proposed by Councilman Harbaugh that the following streets be included in the paving to be done under the next contract: East Fifth, from Willamette street to Oak; East Sixth street, from Willamette to Oak; West Ninth street, from Olive to Lincoln; Tenth street, from Olive to Oak; West Eleventh street, from Willamette to Olive, and Olive street, from Tenth to Eleventh. After considerable discussion the matter was referred to the committee of the whole till next Monday night, when another meeting will be held. There is talk of enjoining the city from further paving if more contracts are let.

Ordinances Passed
The judiciary committee reported on several ordinances which had been reported to them, as follows:
To prohibit minors from frequenting billiard halls, poolrooms and card rooms without written permission from parents or guardians. The ordinance was unanimously passed.
Regulating weights and measures was presented and by motion referred to the judiciary committee and the city attorney.
To prohibit dogs from running at large and fixing the license at \$2.50 for male dogs and \$1 for female dogs per year was passed by a vote of six for and two votes against.
Regulating the cutting and removing of telephone, telegraph, electric or trolley wires in moving houses through the streets was unanimously passed after much discussion.
The fire and water committee reported on the ordinance prescribing the duties of drivers and assistant driver of the fire engine. It was unanimously passed.

OREGON WON BY CLOSE SCORE AT PULLMAN

Pullman, Wash., May 16.—Oregon defeated Washington State College in a dual track meet here today by the close score of 62 to 50. Features of this meet were Houston's record of 19 seconds in the 100-yard dash; fast work by Roberts, an Oregon freshman, in the 220-yard dash; a splendid broad jump by Captain Kuykendall, of Oregon, and the consistent performances of Johnson, Cool and Clark, the distance runners on the Washington State College team. Downs, Selvers and Dodson, Oregon's distance runners, showed the effect of their grueling work in the Oregon-Whitman meet and were not in the best of condition for today's events. Moulten's failure to win the pole vault and the inability of Zacharias to capture the hammer-throw for Oregon gave the local athletes points that they did not count on.

Oregon Forfeits Relay.
All the Oregon men showed the effects of their long trip, although the sprinters and hurdlers did excellent work. Oregon seemed to have a run of bad luck in a number of the events, but managed to win out by an actual score of 62 to 55. Pullman's remaining 5 points were scored by Oregon's forfeiture of the relay race. Oregon has a splendid team of gentlemen and sportsmen. Trainer Hayward is recognized by local athletic authorities as one of the greatest coaches in the west.

Today's Events Resulted as follows:
Those Who Won Points.
100-yard dash—Huston, Roberts and Moon, all of Oregon; time 10 seconds.
220-yard dash—Roberts, Moon and Reid (all Oregon); time 22 1-5 seconds.
440-yard dash—Reid (Oregon), Lowell (Oregon), Chase (W. S. C.); time 52 1-5 seconds.
880-yard run—Johnson (W. S. C.), Downs (Oregon), Dodson (Oregon); time 2:04 4-5.
120-yard hurdles—Kuykendall (Oregon), Putnam (W. S. C.), Roberts (Oregon); time 16 1-5 seconds.
220-yard hurdles—Huston (Oregon), Putnam (W. S. C.), Roberts (Oregon); time 28 seconds.
Broad jump—Kuykendall (Oregon), Putnam (W. S. C.), Huston (Oregon); distance 22 feet, 7 inches.
Pole Vault—Cogwell and Boone (W. S. C.) tied for first, Moulten (Oregon), third; height 9 feet, 9 inches.
Shotput—Halm (W. S. C.), Moulten (Oregon), Zacharias (Oregon); distance 40 feet, 11 inches.
Hammer throw—Halm (W. S. C.), Gardiner (Oregon), Moulten (Oregon); distance 139 feet, 5 inches.
Discus throw—McIntyre (Oregon), Love (W. S. C.), Halm (W. S. C.); distance 115 feet 8 1-4 inches.
Mile run—Clark (W. S. C.), Johnson (W. S. C.), Cool (W. S. C.); time 4:48.
Five Jump—Putnam (W. S. C.), Moulten (Oregon), Anderson, (W. S. C.); height 5 feet 8 inches.

DOMESTIC TRAGEDY ON RESERVATION

Willits, Cal., May 19.—Word from the Round Valley Indian reservation states that Charles Card and his wife, who had been married for many years, had been killed by their own hands. The man was shot by the woman, and she was then killed by the man.

DRINK-CRAZED PLUMBER COMMITS AWFUL CRIME

San Francisco, May 19.—William J. Hanna, a well-to-do plumber, residing at 1114 Tennessee street, cut the throats of his baby son, Burton, and baby daughter, aged two years, with a razor early today. Both will probably die. He then invaded the apartment occupied by his wife and three other children, two girls and a boy, aged respectively four, five and seven, and announced: "I have killed the two babies and am now going to kill you."

Mrs. Hanna jumped from bed and

BOOSTER HARTOG WAS INJURED IN STAGE ACCIDENT

(From Tuesday's Daily Guard.)
A special telephone message to The Guard from Hale this morning brought the information that the westbound Eugene-Mapleton stage went over an embankment seven miles east of Mapleton last evening, and the passengers, John H. Hartog, W. W. Calkins and L. E. Bean, all of Eugene, were carried down with the vehicle. Mr. Hartog, who was on his way to Florence to deliver the principal address at the rhododendron fiesta there, was pretty badly bruised and cut about the head and legs, but the injuries are not considered serious. Messrs. Calkins and Bean, who were also on their way to Florence to attend the fiesta and incidentally to do a little campaigning (they are candidates for the legislature), escaped practically unscathed. The driver was also uninjured.

Mr. Hartog, being unable to proceed on account of his injuries, was taken back to Swisa Home, where he spent the night and was taken on to Mapleton this morning in a buggy. Messrs. Calkins and Bean walked on to Mapleton last night with the driver, one of the horses, while being extricated from the mix-up, having run away.

The accident was caused by the driver trying to dodge a deep mud-hole in the road. He went too far, and the wheels of the stage slipped over the edge of the precipice, which, however, was not very deep, or there might have been several fatalities to record.

ADDRESS TO VOTERS OF LAKE COUNTY.

There is a contest going on in the State of Oregon at the present time, organized, financed by plutocratic and predatory wealth aimed to dominate and control the state legislature. This movement is led by the machine politicians of the Republican party, who now have control of the party organization and appeal to partizanship, hoping that a majority will blindly follow. Enlightened citizens need no further evidence of the nefariousness of the "system" seeking the control of the people's representatives, than our history in past years. Why should any organized band of men debauch a Legislature?

Lincoln Stephens has said that the trail of corruption led from the Legislature to the United States Senate and here is the secret of the design of the present conflict. The U. S. Senate today as constituted is the bulwark against reform; Roosevelt, with courage never equalled by any President, has daily thundered to Congress reform policies urged by an increasing number of people, but the Senate like a stone wall refuses to consider them, and gives attention only to useless makeshifts, a ship subsidy bill, an Aldrich Currency bill;—the fact is a majority of the Senate do not represent the people, but serve only the "System" (known as the Rockefeller, Morgan & Railroad etc.) The "System" therefore wants to maintain a majority of the senate as it is today, to protect the special privileges. Oregon has secured a direct primary law in which law, there is a clause known as Statement No. 1, providing that candidates for the Legislature, pledging themselves to the Statement, shall vote for the people's choice for U. S. Senator, and since this law came into effect, we have had a senatorial election and two Senators were elected in about 30 minutes, actually by a direct vote of the people.

The "system" that dominates other legislatures sees the handwriting on the wall and the possibility that with Statement 1 the people will elect a majority to the senate and make that body a Representative of themselves instead of the financial interests, and make possible the success of reform ideas, and secure a constitutional amendment providing for the election of Senators by direct vote of the people, for in no other way will this reform come.

There are three candidates for the Legislature from Lane County pledged to cast out the will of the people and maintain the right of majority rule by the people, namely Allen Eaton, Leon R. Edmunson and Geo. O. Knowles. Two other candidates in the field oppose Statement One and the right of the people to elect their United States Senator by popular choice. Why should not a candidate pledge himself to represent the expressed will of the people and why should any candidate ask the people to elect him to represent them and (when asked under Statement One of the Primary Law) yet refuse to be instructed to represent their will, as expressed in the popular choice of senator? The only answer is, they would return to the old system of bribery and corruption that has obtained in this State and all over the Union for years,—they would maintain the U. S. Senate as it is at present, constituted and have the body represent the great "financial interests" rather than the people, and perpetuate the rule of the System. These candidates stand opposed to the doctrine that the people are able to govern themselves and by refusing to vote for the people's choice to the senate and reform that body, they have arrayed themselves against the people and in opposition to the progress of all reform ideas. Neither party nor personality should cause the voter to desert the maintenance of his sovereignty or majority rule. The right of the people to govern themselves is prior to all reform. Why should the Statement One Republican, who believes in popular choice of Senator, vote for a candidate, who openly and boldly opposes this great reform, why should any citizen who believes that he is able

OREGON EASTERN WILL BE BUILT WITHOUT DELAY

On the authority of E. H. Harriman himself it is said that the financing of the Union Pacific system's needs for extensions and improvements will not require the sale of more than \$50,000,000 of its proposed bond issue at the present time. Of that amount approximately \$44,000,000 will be needed for work in Oregon, California, Idaho and Washington, says the Oregon Daily Journal. The stockholders have favored these expenditures, and there is no further doubt that the extensions will be made as soon as the bonds can be marketed.

The company wants to put its men to work and keep up with the phenomenal growth and progress of the Pacific states, says Mr. Harriman. He declares that the financial requirements of the lines he represents have been exaggerated, and that there will be no need for more than half of the proposed \$100,000,000 bonds authorized.

The extension of the Oregon Short Line from Huntington along the route of the Snake river to Lewiston is already financed as far as Homestead by the trust company that controls the Iron Dyke mines. The Short Line will have to furnish money only for the building of the road north from that point to Lewiston. Construction work is now being pushed on this route north of Huntington, and tunneling is in progress at Ox Bow mountain, a short distance south of Homestead.

J. W. BAKER AND THE COUNTY JUDGESHIP.

South Lane County has one man, and one only, J. W. Baker, out for a county office, and it is an important one. Will South Lane stand by the home man? What his politics may be counts for little in comparison with the roads and bridge question and development of South Lane.—Cottage Grove Leader.

John Baker, ex-state game warden and now candidate for county judge on the democratic ticket, is going to make an active campaign, and it is just possible that this office may go to the Cottage Grove man. Mr. Baker is a level headed fellow, a man of experience in public affairs, and no more interested in the county seat than he is at Junction, Florence or any of the other Lane County towns. His slogan is "a square deal for every section of the county and every man thereof" and he says he don't see why a democrat hasn't just as good a right to be county judge as sheriff in old Lane.

COTTAGE GROVE LEADER ENDORSES HARRY BOWN.

Harry Bown, for sheriff on the democratic ticket, who has been a deputy during the administration of Sheriff Plisk seems to be the popular candidate for the office and is making a thorough canvass of the county, and is a gentleman in every sense of the word. That he will make a capable sheriff goes without saying, his past experience in the office doing entirely away with the usual trouble of the inexperienced, in fact, he will be right "at home" when he assumes charge of the important office and will continue to carry out the work of the present efficient sheriff without the least embarrassment. He will make an officer who will at all times see that the law is properly enforced when it comes to duty. He should and will be elected by a good majority.—Cottage Grove Leader.

SPRINGFIELD NEWS ENDORSES HENRY W. STEWART.

Henry W. Stewart is one of the most active politicians in the county and if he is not elected it will be no fault of his. He is making a thorough canvass of the county and meets with most gratifying encouragement on every hand. Many of the old life-long Republicans are volunteering their support and doing everything they can for his election. Mr. Lee has held the office of County Clerk for the past ten years and the great majority of his friends think it is time for someone else to have a turn at it, therefore many of the leading Republicans are making a hard fight for the election of Mr. Stewart.—Springfield News.

SALMON AGAIN SCARCE.

Ten days of salmon fishing in the Columbia River show the salmon supply still on the wane. This is the season of the finest salmon of the river—the best in the world. Soon these fish will be an extinct breed. They are the fish that make the Columbia river famous. The few remaining specimens should be protected with closed season. The open season should be put off from April 15 to May 15. After that there should be the closed Sunday and rigid regulation of all kinds of gear—sillnets, traps, seines and wheels.

Master Fish Warden VanDusen quits his office May 1, leaving the industry in a bad plight. It is too much to say that he is wholly to blame for this condition of affairs. But the fish faction with which he has been allied is as much to blame as any other, and none is more grasping and averse to more remedial legislation.—From the Oregonian, April 27th, 1908.

The U. S. Bureau of Fisheries has for a long time been endeavoring to secure just such remedial legislation as is being objected to by the lower river interests. A short time ago Secretary Strauss of the U. S. Department of Commerce and Labor, set forth a list of things necessary to save the industry. Initiative bill—No. 318 X Yes—as framed to carry out their ideas. We commend it to your favorable consideration.

Hickory Bark Ointment, made by the Hickory Brak Remedy Company, of Salem, Or., guaranteed to be pure; guaranteed to cure your cough or money refunded. Guaranteed to make a friend of you. For sale by Hall's Red Cross Drug Store and first-class dealers everywhere.

EDMUNSON WELL EQUIPPED FOR PLACE

Leon R. Edmunson, the only candidate upon the Democratic ticket for representative, is a native son of the State of Oregon, having been reared and educated in Lane County, where he has spent all his life.

He is a young man of exemplary habits and is deserving of consideration at the hands of the voters. Mr. Edmunson is a strong advocate of the Initiative and Referendum, and of the election of United States Senators by direct vote of the people, as provided for in Statement No. 1 of the primary law, and if elected as one of the three Representatives from Lane County, pledges himself to support the people's choice for United States Senator, and that he will vote first, last and all the time for Mr. Cake, if Mr. Cake is chosen by the people, although his personal choice is Geo. E. Chamberlain for United States Senator.

Mr. Edmunson attended the University of Oregon for many years, and obtained his law education at Ann Arbor, Michigan, and he is well equipped to represent Lane County in the legislature, and his legal education would assist him in preparing bills that his constituents wished passed.—Florence West.

PIPES WILL LEAD DEFENSE FOR MARTIN

Portland, May 19.—Martin L. Pipes will be the senior counsel for Edward H. Martin, accused of the murder of Nathan Wolff, according to the statement made today by City Attorney Kavanaugh, who has acted for Mrs. Martin since her husband was arrested. Kavanaugh this afternoon, before the circuit court, secured an additional week's delay for Martin's pleading. Attorney Pipes has been absent from the city, and has not yet met Martin. Another lawyer will also be engaged. Martin's father is believed to be in Spain, but has not yet been reached by messages sent to him.

BEN KEENEY FOR ASSESSOR.

The railroad company and other corporate interests are paying a great deal more in taxes while the farmer is paying less. The average voter, irrespective of party affiliation, has taken a little mental exercise and will not "kill the goose that laid the golden egg" by turning down the candidacy of the man whose official "backbone" has put the taxpayers of Lane County many dollars to the good. Ben Keeneey for re-election for a second term as County Assessor.

COST OF OREGON EASTERN.

The Oregon Eastern will cost in the neighborhood of \$10,000,000, and a branch to Klamath Falls will cost \$2,000,000 more. There is also a line surveyed north from this line to Madras that will cost a similar sum.

The Goose Lake Valley railroad incorporated last week by E. E. Calvin, William Hood and W. F. Herlin, head officials of the Southern Pacific, is practically an Oregon project, and its cost is estimated to be the amount of the capital stock named in the incorporation, \$15,000,000. This sum is estimated to be sufficient to build about 400 miles of road in the country between Anderson, California, and Central Oregon.

The route of the main line of this road will start at Anderson and follow the general direction of the Pitt river to the head waters, and pass around the east side of Goose lake and north to Lakeview. From this point it is surveyed north between Warner and Albert Lakes to a point on the main line of the Oregon Eastern.

OPEN TO CALIFORNIA.

While the completion of the Oregon Eastern system will give direct access from Portland to Lake and Harney county regions, and to Klamath county, it will also open the whole of Central Oregon's richest trade field to the commerce of San Francisco. It appears that the Harriman administration is averse to opening to Portland commerce any part of Southern or Central Oregon that they do not also at the same time open to the favored metropolis of California.

ASSESSOR KEENEY'S WORK COMPLIMENTED.

The State Grange at one of its sessions in Eugene last week discussed the matter of assessment and the work done by the different assessors throughout the State and it was agreed that the efforts of the Lane County Assessor were equal if not ahead of any assessor in the state for all around justice.

FILES! FILES! FILES!

Williams Indian Pile Ointment will cure blind, bleeding and itching piles. It absorbs the tumors, always itching at one, acts as a poultice, gives instant relief. Williams' Indian Pile Ointment is prepared for piles and itching of the private parts. Sold by Linn Drug Co., by mail \$5c and \$1.00. Williams Mfg. Co., props., Cleveland, O.

WAKE UP

Be alive to opportunity. It's the individual that's active that in the long run comes out on top.

Have you stopped to think that we have such lines as

Albert Benjamin and Sophomore Clothes Stetson and Guyer Hats Stetson Shoes

All of these are carried by the best dealers in large cities, but are seldom found in towns of this size.

ROBERTS BROS. TOGGERY

554 Willamette Street

EUGENITES WILL BE WELCOMED

Secretary B. I. Dasent, of the Commercial Club, has written to the Eugene Commercial Club extending a welcome to the Eugene boosters who desire to visit Albany in the near future. The Eugene people will come to Albany a week from tomorrow evening, and will be given a royal reception. It is the purpose of the local club members to see that the southerners go away from Albany with a favorable impression and they will be made to realize that Albany is not behind Eugene in the matter of entertaining visitors and making them feel that this is the best town in the Willamette valley.—Albany Herald.

IRIS BULEY WINS BUCK'S JUNIOR RANGE

Campbell Fellman Company, Eugene's big housefurnishers, today awarded the handsome Buck's Junior range which they have been advertising to give away to the little lady who obtained the largest number of the Campbell-Fellman Company's ads containing a Buck's trademark.

The contest started several weeks ago and closed last evening. The range was won by Iris Buley, aged 11 years, of 181 East Eighth street, she having nearly 9000 ads. Gertrude Livermore, aged 7 years, of 510 Lawrence street, was a close second, and was awarded an electrice Teddy bear, worth \$8. Campbell-Fellman Company says this has proven to be one of the best advertisements they have ever had.

ATLANTIC FLEET ENCOUNTERS HEAVY SEAS

Los Angeles, May 19.—The United Wireless was in communication with the flag-ship Connecticut at midnight. The fleet was then 165 miles north of San Francisco, steaming fourteen knots in heavy seas.

EXECUTOR'S NOTICE

Estate of Daniel Smith, deceased. Notice is hereby given that the undersigned, Henry T. Smith, has been duly appointed executor of the estate of Daniel Smith, deceased, of Lane County, Oregon. All persons having claims against said estate are hereby notified to present the same with proper vouchers to said executor at the law office of L. Bilyeu in Eugene, Oregon, within six months from the date thereof.

Dated this 21st day of May, 1908.
HENRY T. SMITH, Executor.

L. BILYEU, Attorney
