MISS MAE WOOD CONTINUES STORY IN DIVORCE CASE

New York, May 19.—Mae Wood continued her testimony today in her suit for divorce from Senator Platt. Counsel for Platt concluded his cross examination, questioning her about a release she gave Abraham Hummell, the former lawyer, in 1903, in which she agreed to accept $30,000 in settlement of her claims against Platt. Miss Wood declared yesterday that the release was secured under duress, but that she said she accepted some of the money. Although Miss Wood had signed the release and declared in an accompanying affidavit that she gave the alleged Platt letters to Hummell as her attorney, she denied today that she had retained Hummell as counsel but said she could have obtained $50,000 for the letters. She asserted today that she was paid $7500 for the letters, but she did not know where the money came from.

GIRL'S DEATH DUE TO ACCIDENT

Princeton, May 19.—Dissatisfaction is shown by some of the authorities of Mercer and Middlesex counties over the decision of the coroner of the latter county that Miss Bertha Vanderbilt was accidentally drowned, and this is creating new interest in the case. A second examination of the body by Dr. Suydan confirms the opinion of the coroner that death was accidental, and the parents of the girl are satisfied with the verdict.

GOVERNER'S CONFERENCE VOTED GREAT SUCCESS

Washington, May 15.—The governor's conference ended shortly before 1 o'clock with the adoption of a set of resolutions without an opposing vote which suggests that the president call future conferences, but provides for no permanent organization. The president thanked the conference for the manner in which it had done its work, and then presented William J. Bryan, who began an address in keeping with the purposes of the conference which was most cordially received.

The governors of many states expressed their appreciation of the benefits of the conference and after adjournment met and appointed a committee consisting of Governors Wilson, of Kentucky, Folk, of Missouri, and Sheldon, of Nebraska, to prepare a resolution thanking the president for his initiative in calling the convention.

S.S.S. MADE FROM ROOTS AND HERBS

A SAFE AND RELIABLE BLOOD PURIFIER

In the time of our forefathers the forests and fields were the only laboratories from which they could procure their medicines. They searched out and compounded the different roots, herbs and barks into remedies, many of which have been handed down to succeeding generations, and continuously used with satisfactory results. Among the very best of these old time preparations is S. S. S., a medicine made entirely from roots, herbs and barks, in such combination as to make it the greatest of all blood purifiers. This absolute vegetable purity of S. S. S. makes it the one medicine that may be used without fear of harmful results in any way. Most blood medicines on the market contain mercury, potash, or some other strong mineral. These act with bad effect on the system, upsetting the stomach, interfering with the digestion, affecting the bowels, and when used for a prolonged period of time often cause salivation. No such effects ever result from the use of S. S. S., and it may be taken by children as safely as by older people. For Rheumatism, Catarrh, Sores and Ulcers, Malaria, Scrofula, Skin Diseases, and all other troubles caused by impure or poisoned blood, S. S. S. is a perfect remedy. It goes down into the circulation and removes all poisons, impurities, humors or unhealthy matter, and makes the blood pure and rich. It eliminates every particle of the taint of inherited blood trouble, purifies and strengthens the weak, deteriorated blood, and establishes the foundation for good health. S. S. S. is Nature's Blood Purifier, and its many years of successful service, with a steadily increasing demand for it, is the best evidence of its value in all blood troubles. Book on the blood and any medical advice free of charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

DEPOSED LEADER LOSES HIS TEMPER

Chicago, May 18.—William D Haywood, deposed leader of the Western Federation of Miners, has again manifested his contempt for courts, judges and writs issued by them.

"To hell with the courts. To hell with injunctions. To hell with the judges that grant them," he shouted in addressing a gathering of socialists that had assembled to ratify the nomination of Eugene V. Debs as the presidential candidate of the socialist party.

An audience of 3000 listened to his vitriolic speech. Having scored the machinery of the law, Haywood bitterly criticised President Gompers, of the American Federation of Labor, and John Mitchell, former head of the miners' organization. In fact, he roundly grilled every labor leader

WILLIAM D. HAYWOOD.

who has failed to embrace the cause of Socialism. The speaker also denounced President Roosevelt as a coward for branding him and Moyer as "undesirable citizens."

MR. CAKE'S POSITION

East Oregonian (Ind. Dem.)

The Oregon Sunday Journal declares that H. M. Cake has forsaken the Statement No. 1 principle which he advocated before the primaries. It says that he has kicked the Statement No. 1 people out of doors.

Here is what is the matter with the Journal: The Republicans observed the primary law, nominated candidates in the primaries and came out fearlessly and emphatically for the observance of the law and made their contest under it.

The Democrats did not do this. In almost every county of the state they evaded the primary law, refusing to put candidates before the primaries and declining to recognize the law.

Now after the Republicans have nominated their candidates in the primaries and settled their contests at that time, the Democrats want the Republicans to forsake their own candidates and accept Democrats placed in nomination on petition after the primaries.

Why did not the Democrats get out candidates and observe the primary law? Why did they not make an effort to get out good men before the primaries and not wait to try to disrupt the Republicans after the primaries?

The Journal is now "sore" because Mr. Cake and his followers will not forsake their party nomineses and follow these clandestine nominations made after the primaries. Mr. Cake and his followers made a fair, open fight in the primaries for Statement No. 1 candidates. In most of the counties these were nominated and are being supported by Mr. Cake as forcibly today as before the primaries and the Journal knows it.

Mr. Cake has not deserted any principle which he advocated before the primaries. He is for Statement No. 1, but he will not knife his own party to please the Journal or any other Democrat. He will not be dictated to by his opponents.

The Republicans observed the primary law and nominated their candidates at that time. The Democrats should have done the same, if they respect the advance legislation which has been passed by the Republican voters of Oregon. Mr. Cake is a Republican and is entitled to every Republican vote.

The ladies are pleased with the fine assortment of go-carts just received by Campbell-Fellman Company at prices from $2.50 up.

MORE MONEY FOR EUGENE POST OFFICE BUILDING

Guard Special Service.

Washington, D. C., May 15.—The omnibus building bill which passed the house today, carried $20,000 additional for the Eugene, Oregon, public building, making with the original appropriation $70,000.

The bill also carries $65,000 for a building at Albany and $75,000 for one at Pendleton.

Pastmaster Page also received this news in a telegram from Congressman Hawley, who has been working for $30,000 additional. Bids for constructing the building were opened May 9, the only bid being that of a Salem contractor for $45,000, which exceeded the estimate of the supervising architect by several thousand dollars. There is little doubt but that the house bill will be accepted by the senate without change, as is usual in the closing days of congress, and this will call for revised plans and new bids. It is good news because the building as proposed will not meet the requirements of a growing city like Eugene.

PRESIDENT IS SUSTAINED BY FEDERAL COURT

New York, May 15.—The right of President Roosevelt to summarily dismiss the negro soldiers of the Twenty-fifth infantry, for alleged participation in a riot at Brownsville, Texas, was sustained today by Judge Hough, of the United States district court.
