FLOOD WATERS LEAVE TRAIL OF DEATH AND RUIN

Dallas, May 26.—After doing over \$1,000,000 worth of damage, drowning at least three persons and rendering 4000 homeless, Trinity river today is slowly falling. It is believed that when the waters recede the death list will be increased.

OKLAHOMA FLOOD WATERS RECEDED

Guthrie, Okla., May 26.—The flood waters are fast receding and the death toll remains at eight. Railroads are demoralized, miles of trackage are washed out, and railroad bridges destroyed or damaged.

The damage to crops and railroads is roughly estimated at \$10,000,000, which is believed to be a conservative figure. Hundreds of passengers are stalled at various points.

DECISION OF SCHOOL DISSECTORS REVERSED

In the case of the appeal of R. W. Smith, a teacher of a district school near Junction, who was dismissed by the board of directors on account of alleged immorality, County School Superintendent Dillard has reversed the decision of the directors in favor of the teacher. Smith was charged with using profanity, of dancing in the school room and other offenses, but the evidence introduced when the case came up on appeal before the county school superintendent was deemed insufficient to warrant that official in sustaining the dismissal. W. G. Martin appeared as attorney for Smith.

ABSOLUTE CURE FOR DIPHTHERIA

Chicago, May 21.—Dr. Ernest Jentsch has sprung a surprise in medical circles by the announcement that he has discovered a treatment which is an absolute cure for diphtheria.

With this remedy which he calls "vegetable antitoxine" or lobelia, he claims to have cured 150 cases of diphtheria by administering it hypodermically.

Although lobelia is known to be a poison among physicians, Dr. Jentsch has demonstrated that it is harmless when it is used in this way. At the request of a physician attending a meeting of medical men at which he announced his discovery Jentsch injected thirty drops of the antitoxine into his body. Not one of the phy-

sielans had ever before heard of the use of lobelia as a cure for diphtheria.

ANOTHER PROBABLE VICTIM OF MRS. GUNNESS.

La Porte, Ind., May 21.—Another name was added today to the list of supposed intended victims of Mrs. Belle Gunness when Mayor Darrow received a letter from Omaha, Neb., signed "Samuel Harvey." The writer states that he visited Mrs. Gunness in May, June and August, 1907. He urges Mayor Darrow to ask Ray Lamphere if he recalls "Same, the man who had the nuggets." No explanation of this request is given.

Harvey adds that he met Mrs. Gunness at the depot in Ogden, Utah, on May 4 of this year and says she told him that she was going to get her daughter who was at school in California.

While it is possible that Harvey actually visited the Gunness farm, the authorities are puzzled over the latter statement.

The World's Best Climate

is not entirely free from disease. On the high elevations fevers prevail, while on the low levels malaria is encountered to a greater or lesser extent, according to altitude. To overcome climatic affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness and insomnia. Sold under guarantee at W. Kuykendall's drug store. Price 50 cents.

HARRY BOWN'S ELECTION IS GENERALLY CONCEDED

Harry Bown will be elected sheriff, according to the opinion of those best informed on the situation in Lane county. The people have confidence in his ability to discharge the duties of the office, and feel that his experience will be valuable to the public in a position so important. Mr. Bown is making a quiet, gentlemanly campaign, which is characteristic of the man, and is gaining friends daily in all parties, the majority of the voters realizing that it is not a question of politics in selecting a sheriff, but of fitness and trustworthiness.

A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Buda, of Tracy, Cal. "Two 25c boxes cured me of an annoying case of itching piles, which had troubled me for years and had yielded under no other treatment." Sold under guarantee at W. Kuykendall's drug store.

MADE OBJECT LESSON OF YOUNG POLE'S EXECUTION

Pottsville, May 26.—Felix Radzins, a young Pole, was executed today for the murder of Mrs. Mary Cherkoski and young son, with whom he boarded. He confessed to the crime, and also to having committed a murder in Poland. In order to impress the enormity of the crime upon them the sheriff issued five hundred invitations to Poles, Russians, Slavs, Hungarians, Italians and Lithuanians to witness the execution.

LOW PRICE FOR EASTERN OREGON WOOL

Pendleton, Or., May 25.—About 800,000 pounds of wool out of something over 1,000,000 pounds that was offered today in the first sales for this city was sold. The prices bid ranged from 6 to 13 1/2 cents per pound. Most of it changed hands at or near 12 cents, and there were only two bids as low as 6 cents.

LOWER SIUSLAW NOTES

Mrs. E. A. Bean and Mrs. Lawrence Plowman, of Eugene, came in a few days ago for a visit with their father, E. Nicolls, and other relatives at Mapleton. The schooner Albion was towed out to sea last Saturday with a cargo of lumber from the Siuslaw Lumber Company. The vessel spread her sails for a trip to San Francisco. The schooner Oakland came in Saturday from San Francisco and is loading at the Siuslaw Lumber Company's wharf. A new master is in charge of the vessel, Captain Johannsen having given up his position. The school children at Point Ten- race are having a vacation this week. Miss Alfreda Lingren closed her term there last Friday. The school will re-open next Monday with Miss Gertrude Hamble at the helm.—Florence West.

TWO MORE BISHOPS ELECTED BY METHODISTS

Baltimore, Md., May 25.—The general conference of the Methodist Episcopal church today elected two bishops and indorsed the anti-saloon league's methods of fighting the liquor traffic, rejecting the motion of B. Lee Page, of Portland, Or., that the prohibition party be indorsed. It was also decided to have two corresponding secretaries of the

board of freedmen's aid, one to be a negro, the other white. The bishops elected were Drs. Quale and Smith.

MAYOR REDDY'S AMENDMENT ENDOISED

Some time ago Dr. J. F. Reddy, mayor of Medford, submitted a copy of the "home rule for cities" amendment to various students of civic affairs, and among the replies was a following letter received from the mayor of Omaha: City of Omaha, March 9, 1908. Dear Sir:—Received yours of March 3, enclosing a copy of an amendment to your constitution in favor of home rule for incorporated cities. This is along the same lines that I have been fighting for here for the last two or three years. I am heartily in favor of a law of that kind and expect to make the fight here this fall to have ours amended along the same lines.

Yours truly, JAS. C. DAHLMAN, Mayor.

FOURTH OF JULY CELEBRATION COMMITTEE

President Charles S. Williams, of the Commercial Club, last night appointed a committee as follows on general arrangements for a Fourth of July celebration in Eugene this year: Alton Hampton, W. A. Bell, Elmer Roberts, Drew Griffin and Frank Gilstrap. The committee will organize at once and begin preliminary arrangements for one of the best celebrations in the history of the city. While no definite plans have been decided upon by the committee, it is understood that the members are figuring upon a number of new features that have never before been seen in this part of the state. The celebration last year was a partial failure because of the lack of enough amusements and because of the poor showing made by the parade, but this year's committee better than for a long time. In justice to last year's committee it must be said that it did the best it could with the limited means at hand for the purpose.

Everybody should take an interest in the coming celebration, and should not fail to respond liberally to the committee's appeal for funds when the time comes.

EXCITED OVER SMALL POTATO FROM OREGON

A recent issue of the Artigo (Wis.) Journal contains the following: "Henry Leiber brought a potato to the Journal office this afternoon that he had received from A. Fish, formerly of this county, but now living in Eugene, Or. It weighs over three pounds and is a foot long. It is certainly a wonder, but Mr. Leiber says he is going to plant a seed from it and raise a potato that weighs four pounds, and skin Oregon on raising potatoes."

Mr. Fish is naturally pleased with the sensation this three-pound potato produced back here, as it is evidence to his old home friends that he has made no mistake in choosing a new location in the West. But, speaking of potatoes, there is one in the Guard office that weighs eight pounds, and does not seem to be such an overgrown specimen for this country at that. The little fellow Mr. Fish sent back to Wisconsin was only a dwarf compared with this big robust product of Lane county, and last fall we had nearly a bushel in this office, picked up by our circulation manager at Blachley, that averaged five pounds apiece in weight. The ambition of the Wisconsin man to grow a four-pound potato is certainly laudable—but it sounds funny out here where four-pound potatoes are as common as initiative amendments to the state constitution.

WELBY STEVENS LEADS FOR COUNTY ASSESSOR

Welby Stevens is one of the strongest and cleanest candidates for office put forward by either party this year. He is a young man who was raised in Lane county and has won for himself an enviable position in the esteem of his acquaintances, his friends being numerous in every part of the county. He knows the value of Lane county property, and is qualified to make a just and equitable assessment; furthermore his reputation is such that no one doubts that he will perform his duty fearlessly and impartially. No mistake will be made by electing a man like Welby Stevens to fill this important county office.
