REGULAR. CURES COUGHS AND COLDS. Hyomel Gives Relief in Ten Minutes—Cures Over Night

Everybody knows, or ought to know, that Hyomel is recognized among scientists as the specific for catarrh, asthma, bronchitis and hay fever, but there are a great many people who do not know that Hyomel will cure a cough or cold in less than 24 hours.

But every one should know that the soothing, balmy and antiseptic air of Hyomel when breathed over the nose and inflamed membrane of the nose and throat will instantly allay the inflammation and will effect a prompt cure.

Complete Hyomel outfit, including log inhaler, costs only \$1 at the Red Cross Drug Company, and extra bottles, if afterward needed, cost but 50 cents.

Joseph M. Harbaugh, Holdridge, Neb., writes: "I have used your Hyomel in my family for two years or more, and find it one of the best remedies we ever used for a cold or sore throat. We find that it gives quick relief in cases of catarrh."

Salmon Again Scarce. Ten days of salmon fishing in the Columbia River show the salmon supply still on the wane.

Mr. Welby Stevens of Springfield promises the voters of Lane County that if he is elected, he will raise this assessment to \$407,600.00 or more.

GOOD REAL ESTATE DEAL AT COTTAGE GROVE

JOHN SPRAY, FARMER, BUYS DAVE FINN PROPERTY—BAND ORGANIZED.

An important real estate deal was consummated this week through correspondence of the parties resulting in the transfer of the Dave Finn property on the south side of Main street, next to the Southern Pacific depot grounds.

It is understood that Mr. Spray already planning to erect a building covering his entire holdings, which will probably be utilized as a commission and produce house.

The young men of this city, many of them members of the old band, met last Thursday evening and organized a band, as follows: J. C. Morse, president; A. L. Griffin, Sec. and Treas.; C. Comer, Sergeant-at-Arms; P. L. Bennett, manager.

The band is composed of fourteen pieces, as follows: Cornet—Guy Van Ripper, Ernest Blisby, Monzo Finerty, Will Thompson, Heron Earl, Saxophone—L. Turpin, Alto—A. L. Griffin, Tenor—Sanford, Baritone—Horace Cochran, J. M. Isham, Trombone—J. C. Morse, A. L. Wynne, C. Comer, Tuba—L. Blisby, Drums—L. P. Bennett, Bob Sherwood.

ABOUT THAT RAILROAD ASSESSMENT. In a communication to the Cottage Grove Leader, Assessor Keeney calls attention to the fact that the Southern Pacific Company is now assessed \$20,000.00 per mile, but we ask, why did he not raise the assessment to \$30,000.00 per mile—the same as in Marion, Linn, and Douglas Counties?

Mr. Keeney states that he did list the S. P. Co.'s road bed at \$30,000 per mile, but that he did not succeed in getting the assessment at that figure. We ask why not? The farmers of Lane County pay the assessment made by Mr. Keeney. Why not the Railroad Company?

Why should the Southern Pacific Company be allowed to have their assessment placed at \$20,000.00, when it lists \$30,000.00.

Mr. Keeney admits, by his communication, that the S. P. Co.'s road bed should have been assessed at \$30,000.00 per mile and he has not explained to voters of Lane County, why this assessment was made at only \$20,000.00 per mile.

The difference in the assessment of the railroad bed in this county, between \$20,000.00 per mile and \$30,000.00 per mile is the sum of \$407,600 upon which the taxes are lost to Lane County, this year.

Mr. Welby Stevens of Springfield promises the voters of Lane County that if he is elected, he will raise this assessment to \$407,600.00 or more.

Arrangements for the 27th annual encampment of the department of Oregon, G. A. R., to be held at Newport, June 24, 25 and 26, are now being completed.

WIFE FAILS, NOW HUSBAND ASK FOR DIVORCE

Andrew J. Richmond yesterday began suit in the circuit court against his wife, Fannie B., for divorce and for the care and custody of their six minor children. They were married, according to the plaintiff's complaint, filed by his attorney, I. N. Harbaugh, yesterday afternoon, in 1889, and have the following children: A. G. aged 18 years; B. C. aged 17; Allen, aged 14; Helen, aged 13; Marie, aged 12, and Hazel, aged 10. Richmond alleges that his wife, without cause or provocation, deserted him and refused to live or cohabit with him during the past year.

Last September Mrs. Richmond brought suit against her husband for divorce, but the judge thought the evidence not sufficient to warrant a decree and dismissed the case.

SPRINGFIELD PAPER GIVES REASONS FOR SUPPORTING STEWART.

Mr. Lee has held the office of county clerk for the past ten years and the people are satisfied now that it is time some one else was elected in his stead, says the Springfield News. Our lifelong townsman is the opposing candidate and will no doubt be elected to succeed Mr. Lee and the voters of the precinct should give him a unanimous vote to show that we are loyal to our citizen.

Mr. Stewart is a native son, born and raised among us, and with the exception of the last few years he was in the employment of the Southern Pacific Co., he has made Springfield his home. Mr. Stewart is a democrat and has stood faithfully by his party ever since he has been old enough to vote, yet to the intelligent voter the fact that he is a democrat will not lessen his strength as his capability and popularity among the voters of the precinct, both old and young, will give him a handsome majority when the votes are counted.

Henry is a business man of rare ability, is trustworthy, accommodating and agreeable. The fact that the present incumbent has held the office for the past ten years is proof positive that there should be a change.

The people of the precinct should have self pride enough to get into the harness and work for Mr. Stewart, and by so doing, prove to Eugene that when a Springfield boy is placed before us for an office or trust that we have enough faith in his worthiness and ability to make up the required majority to insure his election. Has Springfield precinct ever elected one of her number to a court house job? The time is now ripe and the opportunity is before us. Shall we grasp this opportunity or shall we be content to have it said that we are not loyal to our home boy? Monday, June 1st, will be election day, and on that day let there not be a dissenting voice, but instead, let us see how large a majority we can pile up for him in Springfield precinct.

Sheriff Flisk and the Eugene police officers have been on the lookout all day for the burglars who shot Marshal Beckley at Oakland, Or., last night and escaped. The night police were apprised of the shooting early this morning by telephone. The description of the men as given over the phone to them was that one of them was tall and wore a blue suit and two others were short. According to the first reports received here there were five men mixed up in the burglary and shooting.

Thousands Have Kidney Trouble and Never Suspect it. Prevalency of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physician, who consequently advise them to themselves with doctoring the effects, while the original disease undermines the system.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills ever wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

S.S.S. BLOOD POISON A SAFE HOME TREATMENT

In S. S. S. nature has provided a certain, safe, home cure for Contagious Blood Poison. It is a medicine made entirely of roots and herbs of recognized blood-purifying value, and is the one medicine which is able to get down to the root of the trouble and remove every particle of the virus, and at the same time benefit and build up the system and general health.

harmful effects ever follow its use, as is so often the case when strong medicinal remedies are used. As soon as the system gets under the influence of S. S. S. the disease begins to improve, and when the remedy has thoroughly purified the blood and driven out every trace of the poison, no signs of the trouble are ever seen again.

The general manifestations of Contagious Blood Poison such as falling hair, copper-colored spots, ulcerated mouth and throat, sores and ulcers, etc., are merely symptoms of the poisoned condition of the blood, and in most cases respond quickly to local treatment, while S. S. S. is doing the necessary work of cleansing the blood.

"Home Treatment" book is of great assistance along this line. It is a complete guide for treating the trouble, containing instructions for the different stages of the disease, and also valuable suggestions about the local treatment, that will be most helpful in effecting a cure. We will gladly send a copy of this book, free of charge, to any who desire it, and if special medical advice is wanted our physicians will take pleasure in supplying it without cost to the patient. If you are suffering with Contagious Blood Poison you can cure yourself in the privacy of your own home by the use of S. S. S., an absolutely safe remedy.

WALTERVILLE ITEMS

(Special Correspondence.) Walterville, May 27.—Mrs. Kennedy, of Woodburn, visited her friends, Mr. and Mrs. Will Rennie, last Saturday and Sunday.

A baseball team from Springfield played against the Walterville boys last Sunday, our boys coming off conquerors.

Mr. Williams, a Divinity student, preached here last Sunday and gave us a good sermon. He expects to preach here twice a month. Come and hear him.

Mrs. A. Sturtevant is steadily improving under the care of Dr. Johnson.

Mr. Baldwin, of Portland, a brother-in-law of Mrs. Rowland, is visiting her and family.

Mr. Devon went to Brookmeyer's logging camp on the Mohawk Tuesday, to move Mrs. Robert Hayes to Walterville. Mr. Hayes will be on the drive two or three months, after which they will go on their farm on Camp creek.

Monday evening G. O. Bassett, of Springfield, and Rev. Ellis, of Portland, gave a very interesting talk on prohibition. They plainly showed and proved that the pictures in the saloon windows showing the bankruptcy of Kansas City under prohibition were fraudulent. They proved it by telegrams received from prominent Kansas City men, in answer to inquiry. The circulars showing the prosperity of Kansas City are worth reading more than once.

Our school will close this week on Friday. Mr. Mathews has given good satisfaction as teacher.

Mr. and Mrs. Gordon have sold their home here and will soon hunt a new location. We are sorry to lose them.

Mrs. Clark Sturtevant and Miss Hartwig, of Crow, are visiting Mrs. A. Sturtevant.

LOWELL NEWS

(Special Correspondence.) Lowell, May 27.—Grain is looking fine and the prospects are for a good crop.

Born—To the wife of Dexter Carter, May 16, a son. Died—May 13, infant son of Mr. and Mrs. Dexter Carter.

The B-K drive of logs in charge of Joe Hills has started and will be at the camp of Hills Bros. near Rush Island in a few days, and by the first of June will leave Rush Island for Springfield. The drive, we are told, will be about four million feet.

Samuel Steirs, our genial mail carrier, is bound to supply the wants of the people from Lowell to Hazel Dell. One day last week he put a four-horse team on the road to supply the patrons along 1 1/2 route.

Roy Humphrey, of Unity, will soon have his quota of logs in the Rush Island Slough and Mac Crow has two teams transferring them to the river, a distance of one-fourth of a mile.

Thomas Blakeley is also logging and will keep his camp along until the drive gets to his place.

Rev. Mr. Baker took the stage for Eugene on the 18th from Rush Island. During his protracted effort, which lasted two weeks, there were 15 conversions and 13 were baptized Sunday, 17th. He was assisted by Rev. M. Kelly.

The political pot is boiling and there is likely to be a heavy vote cast on election day.
