

CHAMBERLAIN'S LEAD GRADUALLY INCREASING

Portland, June 3.—2 p. m.—Governor Chamberlain leads Judge Calkins for senator by 1672 votes, and is slowly increasing his lead.

Portland, June 3.—Governor Chamberlain, Democrat, has carried the state of Oregon for United States senator over H. M. Calkins, Republican, by a majority ranging from 1000 to 1200. Returns from all the counties are nearly enough complete to leave no question of the result. Chamberlain has been successful in 14 out of the 33 counties, as follows: Baker, Clackamas, Clatsop, Crook, Douglas, Jackson, Josephine, Lincoln, Malheur, Marion, Multnomah, Polk and Union, and probably in Lake.

Mr. Calkins has carried the remaining 19 counties, but his average pluralities are much smaller than those of his opponent. The largest majority given by any county for the Republican candidate was 500 in Lane, where the unpopular action of the Democratic governor in vetoing the State University appropriation had a great deal to do with the result. Calkins' smallest plurality was 18 in

Benton county. The county of Baker, which the Portland Republican candidate for senator carried by a large plurality in the primaries, reversed its friendly attitude toward him and gave his rival more than 300. The same result occurred in Clackamas. The Eastern Oregon counties, as a rule, although they were for Fulton in the primaries, gave the Republican candidate pluralities, although they were small in nearly every instance. Umatilla, however, which is the home of Senator Fulton's strongest friends, rolled up over 300 for the man who beat him in April. Wasco, which was yesterday thought to have gone for Chamberlain, comes through finally with a small plurality for Calkins.

Governor Chamberlain had the unexpected large plurality of 500 in Clackamas, the home of Statement No. 1, but in Clatsop, the residence of Senator Fulton, where the Democratic nominee relied on a plurality of from 500 to 1000, he had only 300. It is not denied, however, that many of Senator Fulton's Astoria friends vigorously knifed the Republican nominee, but the results of their

slaughter were not so serious to him as they might have been in view of the fact that the large fishing contingent in the lower river town was hostile to the Democratic governor, and declined to support him. La Crosse, the home of ex-Representative Williamson, a warm friend and supporter of the Astoria senator, the Democratic nominee had a decided plurality. Linn, the old home of the governor, gave him more than 400. In Marion the margin is very close, practically complete returns, however, showing a Democratic lead of about 100. In Multnomah Chamberlain will have a plurality of at least 1000.

STATEMENT NO. 1 MAJORITY ELECTED

At least 50 members of the next legislature will be pledged to support Chamberlain for United States senator. With Senator Kay, of Marion, and Representative Bonebrake, of Benton, included (both conditionally pledged), the statement number one members will number 52. Of these 13, and possibly 14, are Democrats, and 38 or 39 are Republicans. The statement number one forces defeated opposition Republican nominees for representative in Linn, electing two Democrats, I. A. Munkers and J. M. Philpot; in Jackson electing one Democrat, D. H. Miller; in Coos, electing one Democrat, R. E. Heddlon; in Yamhill, electing one Democrat, M. F. Corrigan, and in Gilliam, Sherman and Wheeler, electing two

OREGON SUSTAINS U. OF O. APPROPRIATION BY GOOD MAJORITY

Portland, Or., June 3.—(Noon)—The University appropriation has not less than 6000 majority in the state, and there are indications that this lead may be increased by complete returns.

Owing to the difficulty of getting definite figures and complete returns from Portland there was considerable anxiety in this city last night over the result. This was not dispelled until after 11 o'clock, when a message to The Guard from the Oregonian gave positive assurance that Multnomah would give a majority large enough to offset all of the lower Willamette valley majorities, with several thousand to spare. The crowds waiting around the bulletin boards dispersed about midnight feeling satisfied that the appropriation was safe.

Tonight the students will celebrate the victory with bon fires and music, and the citizens will do their best to encourage the enthusiasm of the event.

NO CHANGE IN LATEST OREGON ELECTION RETURNS

Portland, June 3.—Latest returns of Monday's election are far from complete but there is no reason to change the estimate that Chamberlain (Dem.), will clearly have a majority of 1000 over Judge Henry M. Calkins (Rep.) for the United States senatorship. It is also practically certain that the legislature will have 52 "Statement No. 1" members, six more than are necessary to confirm the people's choice for senator.

Congressman Hawley and Ellis are returned to congress by large majorities. Equal suffrage is snowed under. Prohibition has carried many counties and it is estimated that approximately 200 saloons will be put out of business as a result of the election.

Mrs. King, his aged wife, has been arrested, accused of the crime. The woman denies she killed her husband but in an alleged confession admits she chopped the body up after she found him dead in a chair. The motive of the alleged murder was the one-half of a forty-acre tract owned by him.

The remains were found in the orchard last Saturday, and the facts were made public today.

PRESIDENT HAD NARROW ESCAPE FROM ACCIDENT

Washington, June 3.—President Roosevelt late yesterday afternoon had an exceedingly narrow escape from a serious accident while horseback riding in Rock Creek Park. Mrs. Roosevelt was with the president, but on his return to the White House said nothing and the rumors of the accident were denied. Occupants of carriages, however, who witnessed the accident, related the circumstances today.

Washington, June 13.—The president was riding a new horse, which reared twice forfording the creek. The second time the horse went straight up on his hind legs and over backward into the creek with the president, who had the presence of mind to slip out of the saddle. The rider and animal fell ten feet. The president got out of the way of the falling horse, and beyond a wetting no damage was done. He remounted the animal and rode for half an hour before returning to the White House. The young horse was not injured.
