Mott, Sam Davidson, Henkel and McKenzie.
On Tuesday evening Mrs. Lischen Miller entertained a few of her friends very informally at her home on the hillside of East Eugene. Among the guests were Mrs. W. S. Gilbert, of Astoria, who formerly resided here.

Mrs. A. T. Cokerline was hostess to the Sunshine Club on Friday afternoon. The Mesdames C. M. Elspass, Emma Johnson, W. G. Gilstrap and Sibyl Kuykendall Smith were invited guests for the afternoon. Miss Winnifred Cokerline assisted her mother in serving refreshments.

Mrs. Martha Chambers was the complimentary guest at an informal gathering this afternoon at the home of Mrs. Fred Chambers. The guests passed a very pleasant afternoon with their needle work and conversation. Later the hostess served a dainty luncheon.

The former friends of Mrs. W. S. Gilbert were glad of the opportunity given them to again meet her on Friday afternoon at the home of the Mesdames Emma and Nettie Chase. Tea was passed by Mrs. Alice Ross and little Margery Gilbert passed dainty tea cakes.

On last Monday evening Miss Margie Young was the guest of honor at a kitchen shower given for her by Mrs. Math. Each of the twenty guests brought some useful article for the kitchen, and Miss Margie was requested to guess the name of these articles by accompanying rhymes. This caused much amusement. The remainder of the evening was passed delightfully with music and refreshments.

The Mesdames Mary and Ensl Barker were hostesses this afternoon at a handkerchief shower for Miss Idah Hendershot. The guests were fifteen of the high school girls, who made the afternoon merry with games and music, followed by a supper. Miss Vera Auten assisted the hostess in entertaining.

Mrs. W. W. Brown invited a number of the teachers in today to pass the afternoon with her at their needle work. The hostess was assisted by her sister, Mrs. Theresa Jackson, in serving lunch. The guests were: Miss Ida Patterson, Mrs. Blanche Thurston, Miss Mertie Auten, Miss Nettie Kress, Miss Fannie Milligan, Miss Belle Keeney, Miss Fannie Zeldner, Miss Mabel Simmons, Miss Mae Kinsey, the Mesdames Abel, Mrs. Charles Froeland, Mrs. Elbert Thral, Harris-Wilson.

The song recital given at Villard hall on Thursday evening by the pupils of Mrs. Katherine Ward Pope, under the auspices of the University of Oregon School of Music, proved to Eugene that we have some vocalists of no mean ability. Villard hall was filled with an extremely appreciative audience, as was witnessed by the beautiful flowers and the plaudits. The accompaniment work of Miss Alberta Campbell and the instrumental solo of Miss Jessie Fariss are deserving of special mention, as is the work of each of the vocalists. The rich contralto voice of Miss Louise Yorin was heard to advantage in three numbers, but especially in her second number, "Rose in the Bud." Miss Lila Prosser has a pure, sweet soprano voice, and she uses it excellently. A new voice to a Eugene audience was that of Mr. Ralph Dodson, but which we hope we shall hear again. Mrs. Pope is to be congratulated upon the excellent showing made by her pupils.

On Thursday afternoon, June 4, at 3 o'clock, the wedding of Miss Margie Young and Mr. Archie Knowles was solemnized at the home of the bride's parents, Mr. and Mrs. C. H. Young, Rev. O. C. Wright officiating. The bride wore a dainty gown of white net over white organdie, and carried a bouquet of white roses. She was attended by her sister, Miss Charlotte Young, as bridesmaid, also wearing white. The groom wore the conventional black and was attended by his brother, Mr. Silas Knowles, as best man. Miss Florence Andrews, of Minnesota, played the wedding march. The ceremony took place in a room filled with ferns and white roses, making a beautiful bower. Immediately following the ceremony a luncheon was served to the guests, who numbered between 50 and 60. When the bride's cake was cut Miss Elizabeth Howe drew the thimble, Miss Nancy Pollock the ring, and the coin went to the bride.

Young-Knowles
The Boys' Dorm Club last night gave a pleasant informal dance to a number of their friends in their reception hall. Mrs. Church served the refreshments.

A charming surprise June luncheon was given for Mrs. A. C. Terrill on Thursday afternoon, with Mrs. David Link as the hostess. The living room and dining room made a charming scene, being festooned with a delicious three-course luncheon was served by the hostess, assisted by Mrs. Frank Wetherbee, in the dining room, where pink was the predominating color. The guests were: The Mesdames Archie Livermore, Robert McMurphy, Frank Wetherbee, Will Young, A. E. Wheeler, C. B. Willoughby, David Link, W. G. Alden, S. D. Read, R. S. Bryson, O. A. Stillman, W. B. Pinkerton, G. E. Metcalf, H. L. Studley, W. C. Barbour and Miss Nellie Loomis.

CHESTER THOMPSON

Tacoma, Wash., June 8.—Chester Thompson walked out of the county jail, a free man, at 3:20 o'clock this afternoon, on an order issued by Judge Snell, of the superior court, 15 minutes before. For a moment, as he went out into the open air, he hesitated, blinded by the sunshine, and bewilderment.
"It seems so strange," he explained to his father and brother, who accompanied him.

WAR BETWEEN WHITE AND JAP MELON PICKERS

Imperial, Cal., June 9.—Trouble has arisen between the white and Japanese cantaloupe pickers and the county officials are making a great effort to restore order. Yesterday at El Centro a number of young men overturned a wagon loaded with Japanese laborers and the team ran away. At Brawley a number of Japanese were taken from a wagon and threatened, but no harm was done them.
The trouble appears due to a surplus of cantaloupe pickers, five thousand having arrived in the past month and they are still coming at the rate of two hundred per day. Considerable privation has existed, but it is believed the rapidly ripening crop will provide work for all.

PIONEER RESIDENCE NOW BEING MOVED

THE BUILDING OCCUPIED BY LAKE'S MARBLE SHOP WAS BUILT IN EARLY FIFTIES
The building occupied by E. C. Lake's marble shop, now being moved from the corner of Sixth and Willamette streets, where Cherry Bros.' fine new concrete building is to be erected, was at one time a residence and was one of the first built in Eugene. An old-time citizen tells The Guard that it was built early in the fifties, about '52, he thinks. A man named Pierce built it on the old Lauer property, now owned by F. L. Chambers and on which his two-story brick building occupied by the Independence creamery stands. About the year 1875 the building was moved to the corner of Sixth and Willamette streets, where it was used as a dwelling house until only a few years ago, when it was transferred into a store building and has been occupied by Lake's marble shop since. It is now being moved to James Santford's lot on East Seventh street, between Willamette and Oak.

STORE AT JUNCTION CITY BURGLARIZED

Chief of Police Farrington this forenoon received a telephone message from Junction city stating that a store had been entered there last night and robbed of considerable cash and several dollars in money. He is now looking out for any suspicious looking hobo, as it is thought to have been the work of transients, several of whom had been hanging around Junction previous to the burglary, and who could not be found this morning by the marshals of the town when the theft was discovered. Which store was entered was not learned by the chief.

S.S.S. FORTY YEARS SUCCESSFUL SERVICE

When a medicine has stood the test for a period of more than two generations and is the most popular drug ever, there can be no doubt of its merit. This is the record of S. S. S., a line of cures of blood and skin diseases of every character, and its value in the treatment of such troubles has become so well known that it is today the most extensively used blood medicine on the market. For Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases and all other troubles due to an impure or poisoned condition of the blood, S. S. S. has no equal. It counteracts and drives out the poisons, humors and germs, cleanses the system of all unhealthy matter, cures the disease permanently and restores strong, robust health. Where the blood is weak or anemic, and unable to furnish the body with the nourishment and strength it needs, S. S. S. supplies it with the healthful properties and acts splendidly in toning up and reinvigorating the system. It goes down to the very bottom of all blood disorders, and in this way reaches inherited taints on which the ordinary blood medicines have no effect. Not only is S. S. S. certain in its results, but it is at the same time an absolutely safe remedy. It is made entirely of roots, herbs and barks of known healing and curative value. It does not contain the slightest trace of mineral in any form to damage the delicate parts of the system, and may be used by children with the same good results and perfect safety as by older people. It is not an experiment to use S. S. S.; it is a remedy with a record and one that has proven its worth by its forty years of successful service. If you are in need of a blood purifier for any cause begin the use of S. S. S., write our physicians and they will send you a book concerning your trouble, and will give without charge any special medical advice that is required.
