BARNETT IS FOUND GUILTY ON FIRST BALLOT

San Francisco, June 22.—Walter J. Barnett, ex-vice-president of the suspended California Safe Deposit & Trust Company and administrator of the estate of Mrs. Ellen M. Colton, this afternoon was found guilty of embezzling securities and bonds owned by the estate to the value of \$31,700. The jury was out less than 50 minutes and reached a verdict on the first ballot. Barnett was recommended to the mercy of the court and Judge Conley fixed 10 a. m., June 30, as the time for pronouncing sentence.

Scored by Prosecutor.
San Francisco, June 22.—Coward, cur, thief and liar were the epithets applied to Walter J. Barnett, accused with wrecking of the California Safe Deposit & Trust Company, by Assistant District Attorney Cook in one of the fiercest investigations ever hurled against a man at the bar today.

Cook went at length into the evidence that had been introduced in the case and frequently pointing his finger at the defendants he shouted his accusations in the teeth of Barnett, who was responsive and unmoved through it all.

Cook asked for a conviction of the first count in the indictment on which Barnett is being tried, that of stealing \$31,700 as special administrator of the estate of the late Ellen M. Colton.

"That man Barnett," cried Cook, pointing at the accused man, "is guilty of the worst kind of breach of faith. He has proven false to the trust put in him by the dead. He is guilty of a breach of the law's office and gentlemen, upon your verdict, depends the final confidence of this city."

Cook declared that he was no defender of J. Daisell Brown, Brown, Barnett and Treadwell, he said, are responsible for the wrecking of the bank. Brown is serving a term in prison. The prosecutor said that Barnett bought the Colton securities here from New York for the express purpose of hypothecating them to help out the shaken bank.

WELCH TO BUILD SLAYTON ELECTRIC ROAD

The Stayton committee and other committees represented in the effort to get an electric line built from Stayton to Stayton have accepted an offer of A. Welch of Portland to construct the line upon \$100,000 bonds being subscribed.

At the last Stayton meeting a committee consisting of W. Y. Richardson, of Salem, Sherman Swank, of Astoria, and W. E. Freres, of

Stayton, were appointed to confer with Mr. Welch and investigate his plan of building the road, and they have held several conferences with that gentleman and agreed upon the plan he submitted in a letter to the Stayton meeting. The plan was accepted at a meeting held in the office of Frank Waters, local representative of the Welch interests, which was attended by W. L. Freres, George L. Brown and R. A. Elwood of Stayton and F. L. Pound and Mr. Johnson of Astoria and York Richardson, representing the committee composed of Salem men.—Salem Journal.

JOHNSON ONLY LAUGHS ABOUT LAWSON'S OFFER

Minneapolis, Minn., June 22.—"That sounds like a most excellent proposition," said Governor Johnson laughingly this morning, speaking of the offer of Thomas W. Lawson, of Boston, to raise a \$1,000,000 cam-

GOVERNOR JOHN A. JOHNSON.

paign fund for a ticket with Johnson for President and Bryan for Vice-President.

"Yes, I think we will have to stand for it," continued the Governor evidently greatly amused at the proposition. "It sounds all right, and we are perfectly willing to agree to it."

Treats Matter Jokingly.
But that was as far as the Democratic possibility for President would go. He treated the matter in a joking manner, and while frankly ad- please him immensely, would not say whether or not Mr. Lawson, or any one acting for him, had actually proposed the plan to him.

Governor Johnson will not allow his name to be used as the Vice- Presidential candidate of the Democratic party. This announcement was made authoritatively today at the Johnson headquarters.

CITY COUNCIL HOLDS SESSION LAST EVENING

An adjourned session of the city council was held last night and the following business transacted:

Councilman Williams reported the work done by the committee of the whole with reference to the abandoning of the purchase of a team and other matters concerning the sprinkling, sweeping and cleaning of the streets, and the report was adopted. The committee reported a schedule for sweeping and sprinkling the paved streets, the main business streets to be swept four times a day. The report of the committee included sprinkling of the streets which will be published later. The committee was empowered to make such changes as the exigencies may arise and take action. The council agreed to take the best street sprinkler offered by the Eugene Transfer Co. at \$200, and the street committee was authorized to complete the trade. Bids for sweeping, cleaning, and sprinkling the streets were opened, and the matter turned over to the street committee.

Ordinances.
An ordinance was passed levying an assessment for paving Seventh street from Olive to Oak.

An ordinance was passed with restrictions on house moving, requiring homeowners to get the consent of the property owners in front of whose property there are trees that may be damaged and requiring a permit from the mayor, and to keep the building moving, providing a penalty for leaving it standing for a longer period than 24 hours.

An ordinance to license and regulate bill-posters, making the license \$25 per annum, was referred to the finance committee.

An ordinance to improve Oak street from Fifteenth to Sixteenth by grading and gaveling was passed.

An ordinance to regulate weights and measures was passed, and ordered published in both daily papers.

An ordinance for protecting the paved streets from injury by scattering gravel or mixing cement, mortar, etc., was read twice and referred to the street committee.

An ordinance to reconstruct the sewer on Twelfth street from Adler to Hilyard was passed.

An ordinance to construct a sewer in the alley between Fifth and Sixth streets from Jefferson to Blair streets was passed.

An ordinance to construct a sewer on the south side of Thirteenth street from the manhole to a point east of Ider, was passed.

An ordinance to construct a sewer in the alley between Second and Third streets, commencing at the west side of high street and extending east to the river. Mr. Fisher ob-

jected to the passage of the ordinance and it was laid over.
An ordinance to increase the salary of the city attorney to \$100 per month was referred to the judiciary committee.

The ordinance appropriating the \$3500 collected from the county court to the pavement of street intersections in Ordinance No. 747 was passed, and the recorder was authorized to notify the treasurer of the diversion of this fund.

The manner of paving the Park streets was brought up and plans and specifications were presented by Engineer Waggoner, in which he suggested that vitrified brick be used where the horses stand and that wrought iron pipe filled with concrete and a cast iron head and chain connecting them. The matter was referred to the committee of the whole.

The city attorney was ordered to draw the ordinance improving West Eighth Street so that the straightening of the street between Chagelton and Lincoln streets be made to conform to the wishes of the property owners in the district named.

The riding of bicycles on the sidewalk at great speed was referred to the street committee to bring in an ordinance.

Thousands Have Kidney Trouble and Never Suspect It.

Prevalency of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost always unrecognized by patient and physician, who neglect themselves with doctoring the effects, while the original disease undermines the system.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine, beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When filling out this card, please mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
