Chicago, July 12.—After 25 years the secret of the fate of the Bender family, of infamous memory, has been revealed. After they fled from their blood-reeking shanty on the Kansas prairie, they disappeared as completely as if the earth had swallowed them. London, July 13.—Dr. William Osler, who, while a professor of medicine at Johns Hopkins University had fame thrust upon him by his reported declaration that sixty years was the limit of man's usefulness, himself entered upon his sixtieth year yesterday. It is evident, however, that the eminent physician and instructor has no immediate intention of resorting to the chloroform bottle, for he has consented to run in opposition to Winston Churchill and George Wyndham, ex-Chief Secretary for Ireland, for the Lord Rectorship of the University of Edinburgh next November.

GOVERNOR RECEIVES QUEER COMMUNICATION

Salem, Or., July 6.—Governor Chamberlain received the following queer letter in his correspondence yesterday morning. No requests were made; it was a simple statement, which, perhaps is self-explanatory, and again, perhaps it is not. Here it is: "Brooklyn, N. Y., July 2, 1908.—To His Excellency, the Governor of the State of Oregon, Greetings. The present outlook both at home and abroad demands the reelection of President Roosevelt."
