

I AM A MOTHER

How many American women in lonely homes to-day long for this blessing to come to their lives, and to be able to utter these words, but because of some organic derangement this happiness is denied them.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. Maggie Gilmer, of West Union, S. C., writes to Mrs. Pinkham: "I was greatly run-down in health from a weakness peculiar to my sex, Lydia E. Pinkham's Vegetable Compound was recommended to me. It not only restored me to perfect health, but my delight I am a mother."

FACTS FOR SICK WOMEN

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration.

POLITICAL MANAGERS PREABRE FOR CAMPAIGN

Hot Springs, July 14.—From present indications Mr. Taft's letter of acceptance will be a judicial scoring of the Democratic platform as adopted at Denver.

Publicity Plan The Democratic national committee has adopted a motion in outline as follows: "No contributions shall be accepted from corporations; no contributions of \$100,000 shall be accepted. All gifts over \$100 shall be made public October 15. Thereafter immediate publication will be given. Contributions under \$100 will not be published, and no money will be received after November 1."

Official Notification Bryan will be officially notified of his nomination on August 12, at his home. Kern will be notified at Indianapolis, the date yet to be set. William E. Gonzales, editor of the State of Columbia, S. C., one of Bryan's lieutenants, after a visit with Bryan and Kern today said: "The statement that Bryan will not make a canvass is incorrect. It is his present intention, however, to deliver no near platform speeches, but to use a dozen political addresses, dealing with the more vital issues as presented in the platform. Kern will make a more continuous campaign, and I was assured at Denver that C. Towne will be no less active than he had been the vice presidential nominee."

DELICIOUS BANANA CREAM This recipe is highly recommended by one of our correspondents; try it to desert tomorrow. Peel five large bananas, rub smooth with five teaspoonfuls of sugar. Add one teaspoon sweet cream beaten to a stiff froth, then add one package of Lemon JELL-O dissolved in 1-2 cups of boiling water. Pour into mold and when cold garnish with candied cherries. Serve with whipped cream, or a good pudding sauce. JELL-O is sold by all grocers at 10¢ per package.

A marriage license was issued this morning to Roma A. McCully, a merchant of Halsey, and Miss Blanche R. Campbell, of Eugene.

A sure cure, one you can depend upon. Hickory Bark Cough Remedy is a sure cure and its pure. Use it for all lung trouble, coughs, colds, whooping cough and sore throat. For sale by all drug stores and by mail. Write for full particulars. Price 25¢ per bottle. Sold by all drug stores and by mail.

NEAR BEER IS BEING SOLD IN EUGENE

Some Oregon hop growers hope that the sale of "Near Beer" will stimulate the brewing industry and tend to raise the price of hops. While many hop growers attacked prohibition on the ground that it would hurt their business, the breweries in the East and some in the West seem to be catering to the tastes of the beer-drinking public by the production of "Maltona," "Barleyette," "Cincinnati," "Hopana," and other brands of liquor with less than one per cent alcohol in their composition. As a result, some expect that the production of "Near Beer" will surpass, as the palates of the public are cultivated, that of beer.

The breweries which are adapting themselves to the dry districts are sending out liberal advertisements of their new brands. At first the sale will probably be light, but as such drinks as wine and whiskey are forbidden in a large portion of Oregon, it seems not unlikely that a steady market will be built up for "Near Beer" drinks.

Most of the local old beer drinkers claim that the taste of the new assortments are flat. The price in Eugene last week, it is said, was ten cents a glass, and it may be the price made them flat rather than the beverage.

Small lots of fruit will still be purchased, but large growers, who can make arrangements to ship out their product, will be left to care for their crop themselves.

LANE COUNTY AT SALEM CHERRY FAIR (Special Correspondence.) Lost Valley, July 13.—A light shower of rain today had the farmers of this vicinity somewhat scared, as every one has their hay in the shock. Letcher Holbrook, of Lakeview, is visiting with relatives and friends here and at Fall Creek this week. E. R. Parker and family have moved to their home at Dexter to spend the summer. The ball team gave a very successful ice cream social last Saturday night at the Dexter schoolhouse. Rev. David Husband, of Eugene, preached here Sunday. If such is the case Bryan must be "sounding" the West.

S.S.S. DRIVES OUT S.S.S. BLOOD HUMORS

The skin is not simply an outer covering of the body, but through its thousands of pores and glands it performs the great and necessary work of regulating our temperatures, and also assists in disposing of the refuse and waste matters of the system by the constant evaporation that goes on through these little tubes. To perform these duties the tissues and fibres which connect and surround the pores and glands must be continually nourished by pure blood. When from any cause the circulation becomes infected with impurities and humors, it loses its strengthening powers and begins to disease and irritate the delicate tissues, and produces Eczema, Acne, Tetter, or some other itching, disfiguring skin trouble. S. S. S. cures skin diseases of every kind by going down into the circulation and neutralizing and removing the impurities and humors. It changes the quality of the blood from an acid, fiery fluid to a cooling, health-producing stream, which, instead of irritating and inflaming the skin, cures and nourishes it by its soothing, healthful qualities. Salves, washes, lotions, etc., may be used by any temporary comfort or cleanliness they afford, but skin diseases cannot be cured until S. S. S. has purified the blood. Book on Skin Diseases and any medical advice sent free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

LANE COUNTY AT SALEM CHERRY FAIR Lane county will be well represented at the cherry fair which opens at Salem tomorrow and continues till over Saturday. The Lane County Fruit and Vegetable Growers' Association is preparing the exhibit at their packing house on Oak street and will ship down to the capital city tonight. There will be 30 or 40 boxes of cherries in the exhibit, all neatly packed, and they present a beautiful appearance. The work is under the direction of J. O. Holt, secretary of the association, which fact alone insures that it will be done in a splendid manner. The varieties to be sent to Salem are: Bings, Lamberts, Centennials, Late Dukes, Black Republicans, Royal Anna and Llewellyn.

LANE COUNTY AT SALEM CHERRY FAIR (Special Correspondence.) Lost Valley, July 13.—A light shower of rain today had the farmers of this vicinity somewhat scared, as every one has their hay in the shock. Letcher Holbrook, of Lakeview, is visiting with relatives and friends here and at Fall Creek this week. E. R. Parker and family have moved to their home at Dexter to spend the summer. The ball team gave a very successful ice cream social last Saturday night at the Dexter schoolhouse. Rev. David Husband, of Eugene, preached here Sunday. The Eugene Lumber Company's log drive started down river on July 6th. Blackberries are ripening but the report is that there are more pickers than berries. Mr. and Mrs. Harry Keeney are in the valley visiting his parents for a short time. After a careful consideration and study of the subject we have reached the conclusion that the loud rumblings, heard of late, are the echoes of the demonstration at the Denver convention, caused by Senator Bryan's remarks. If such is the case Bryan must be "sounding" the West.

FRANKLIN NOTES (Special Correspondence.) Franklin, July 15.—Everybody is busy now trying to get their hay up before it rains. There will be services at the Christian church Sunday, morning and evening. Miss Lena Richardson and her friend, Dick Pope, visited Union Sunday. Miss Clara Darnelle is visiting with her sister, Mrs. Elsie Goodman. Miss Elsie Lemley and Tony Bryant visited Mrs. Stingley Sunday. Mrs. Mary Smith and family went to Elmira Sunday on business. Ivan Ricketts and Loma Fields visited Franklin Sunday. Frank makes his regular trips to Bailey lake. Wonder why it is? He says he likes to visit the boys so well. We will ask Addie about this. Arthur Shove, who is working in Benton county, visited his folks Sunday. Frank and Croff Bailey visited their folks Sunday. John Clock visited Bill Cook Sunday. A crowd of young folks visited Bear Creek Falls recently. All report a splendid time. Jim Clock and Miss Mary Allen attended church at this place Sunday evening.
