DIVORCE SUIT CAUSED MURDER OF ANNIS

Boston, Aug. 19.—The possible motive for the killing of Wm. E. Annis at the Bayside Yacht Club's pier by Captain Peter Haines Jr. may be found in the fact made known today that Mrs. Hains had filed suit for divorce against her husband, the papers having been served on Hains August 10th. In her suit Mrs. Hains makes sensational charges against her husband's character and demanded a public hearing. She believes that Hains and his brother concluded that Annis was behind the bringing of these accusations and had suggested to Hains that the only way she could clear herself of the charges preferred by Hains in a divorce action was by demanding that her case be tried in open court.

Charles H. Libby, father of Mrs. Hains, says she returned to her father's home June 2, after being cruelly beaten by her husband. Libby says his daughter was so badly beaten at Fort Hamilton, a medical attention necessary.

Insanity Defense
New York, Aug. 19.—John F. McIntyre, counsel for Captain Haines, said today that the defense would be insanity and that it would be proved easily.

RECORD BROKEN IN GRAND CIRCUIT

Poughkeepsie, N. Y., Aug. 18.—The feature of the opening day of the grand circuit meeting at the Hudson River driving park today was the 2:16 pace, in the which the first heat of which The Eel went in 2:02 3/4. He thus beat the track record, his own record, and made the fastest mile paced in the grand circuit this year. The Eel's chief competitor was George Gann.

The plastering is nearly finished in both the new Bible University building and in Rehms hall, which is being remodeled.

HINZEY WINS LONG FIGHT IN K. OF P ORDER

Chicago, Aug. 19.—John A. Hinzey, the "Captain Dreyfus of the Knights of Pythias," after suffering several years' expulsion from his lodge, charged with embezzling \$500,000, has been exonerated and reinstated. The charge was made by Ogden Fetters, of Janesville, Wis., when Fetters was supreme chancellor of the order. Hinzey fought the indictments and all subsequent civil suits which were started either won or they were dismissed. Finally he was reinstated with all rights and privileges after a seven year fight at the recent bi-ennial convention of Pythians at Boston.

THOMAS NO MATCH FOR STANLEY KETCHEL

San Francisco, Aug. 18.—After about one minute and a half of fight-

ing in the second round tonight Stanley Ketchel, of Grand Rapids, Mich., put out Joe Thomas, of this city, with a shower of punches to the jaw and body. In the first round Thomas landed a couple of punches to the body, which seemed to give him confidence. Ketchel backed Thomas into a corner, made a half shift and caught Joe on the side of the head with a hard left-hand punch. Ketchel then felled Thomas wide open, and sent in a fierce right-hander to the stomach, putting Thomas down for the count of seven. When Joe arose, Ketchel sent him down again, with hard rights and lefts to the body and jaw.

DEADLY AUTO WORKS OVER TIME IN 'FRISCO

San Francisco, Aug. 19.—Harry Breen, eighteen years of age, was run down and killed by an automobile today at Fourth and Howard streets. The machine was driven by A. Rolling, of the Baker & Hamilton Company, and the claim is made that Breen had been riding on the rear end of a wagon and jumped off in front of the automobile.

Breen's death makes the thirteenth fatality for automobiles around San Francisco since July 5th.

S. S. Rance went to Salem today.

MILITARY FORCE AT SPRINGFIELD (IS REDUCED)

FIFTEEN HUNDRED SOLDIERS LEFT ON GUARD BUT FURTHER TROUBLE NOT ANTICIPATED—INVESTIGATION BY THE GRAND JURY PRODUCES MORE RESULTS THAN CORONER'S INQUEST

Springfield, Aug. 19.—The soldiers are leaving for their homes today and by tomorrow the military force in Springfield will be reduced to 1500, which is believed to be an ample number to handle the situation. This reduction in the force will save the state about \$20,000 a day, it is stated.

Investigation into the lynching and mob rule is fruitful. The best element is coming forward with information for the grand jury, and residents of the "black belt" district, realizing that old conditions are a thing of the past, are making frantic efforts to preserve their personal interests.

While information for the grand jury seems easy to obtain, the coroner's inquiry is not so prolific of results, probably due to the public character of the inquiry. For instance at the coroner's inquest on the lynching of Scott and Burton today, there was a noticeable lack of definite testimony as to individuals. If this condition continues the chances for conviction of the leaders of the riots is remote.

SEVENTY MINERS DEAD IN EXPLOSION

Wigan, England, Aug. 19.—It is believed that not a single man of the seventy employed in the Maypole mine yesterday as the result of an explosion, have survived. The four reported rescued were taken from the end of a portion of the works, and the rescuers discovered eighteen horribly mangled bodies today.

The big sewer ditch for the Odd Fellows building is completely filled, and the paving company can go to work at once.

MRS. GARDNER'S GOODS SEIZED BY COSTUMS OFFICIALS

Chicago, Aug. 19.—The United States customs officials have seized Tapestries, paintings, statuary and rare armor valued at \$80,000, the property of Mrs. "Jack" Gardner, of Boston, bought abroad for Mrs. Gardner's palace on Back Bay. The goods it is alleged were brought here as

"household goods," valued at \$8000. Fines and penalties aggregating \$70,000 have been paid, but the customs officials say that \$80,000 will have to be paid before the goods can be released.

Mrs. Gardner's goods were shipped into this country in the name of Mrs. Chadbourne, a friend of Mrs. Gardner's, and Mrs. Chadbourne is out of the city and could not be interviewed.

HARRIMAN AFTER CHAMBERLAIN'S INFLUENCE

A report emanating from traveling men in this city is to the effect that E. H. Harriman, the Southern Pacific magnate spending his vacation at Pelican Bay, has no great revelations to make to Governor Chamberlain, but desires to win him over to the corporation view of American life, since he is certain to become a United States senator. Harriman, it is said, feels that a great crisis is about to occur in the railroad affairs of the nation, and is far from certain that he will have enough United States senators in his hands to stave off the threatened storm.

Yesterday Chamberlain spoke to the people of Klamath Falls, but nothing of any consequence was given out officially as to what reason Harriman had for asking the governor to come to him clear across the state.

DYNAMITING IN MINING DISTRICT

Birmingham, Ala., Aug. 19.—Early today the residence of Thomas Duggan, a contractor of the Tennessee Coal, Iron & Railway Company, at Platt City, was dynamited and nearly demolished. Two of Duggan's daughters were injured. Later the home of Harry Davis, a negro miner, was dynamited, but nobody was hurt. Two negroes have been arrested.

There is much unrest in the mining district and further trouble is expected.
