### DEMOCRATS GAIN IN OLD VERMONT

White River Junction, Sept. 2.—Complete returns from yesterday's election show the following vote for governor: Prouth, Rep., 45,281. Burke, Dem., 15,953. Backus, Ind. League, 1252. Campbell, Prohl., 826. Dunbar, Socialist, 479.

The estimated falling off in the Republican vote is somewhat in excess of the reduction of the Democratic vote. The Independence League will have six members in the house and the Democrats elect a member of the state senate for the first time in several years.

The plurality is the smallest in a presidential year since 1892, when it was only 18,950, and was followed by a Democratic National victory, but it was larger than in 1888 and only slightly less than in 1900.

As Vermont is the first state to vote during the presidential campaign there was much interest throughout the country as to the size of the Republican plurality.

They shook hands in the official reviewing stand as the Grand Army parade was passing, and long after the two had taken their seats the cheering continued.

Taft arrived today from Middle Bass, after a somewhat rough trip on the water, and during the afternoon was the centre of a public reception at the Lyceum theatre, under the auspices of the Lincoln Club. As the parade of veterans passed

Washington was carried by Joseph Dickerson, who, after many men had been shot under it at Akietaim, seized the flag and was promoted to a captaincy on the field for bravery, his shoulderstraps being sewed on by President Lincoln.
