A wagon load of Crowites composed of the following named gentlemen, A. G. McDaniels, C. M. Stephens, Charles McDaniels, Charles Hart, wig, Andrew Sturtevant and Fred Smigley, passed here this week en route to Florence after fish and to see the sights.

IMMEDIATE RELIEF
 From Coughs, Colds, Sore Throats and Hoarseness, by Using Hyomei

When you catch cold you want to get rid of it as quickly as you can. You don't want to lie around the house for a week swallowing nauseating drugs. You know when you do this that you are not only making your own life miserable, but are a nuisance to every one about you.

Why not avoid all this; why not relieve your cold in five minutes; why not cure it over night? You can do it by using Hyomei, the sure and guaranteed cure for colds, coughs, sore throat, catarrh, bronchitis and asthma.

Hyomei is medicated and antiseptic air; you breathe it in to the lungs through a small pocket inhaler, and its soothing influence as it passes over the inflamed membrane of the respiratory tract stops the mucous discharge, allays the inflammation, and the cold is cured. A complete Hyomei outfit costs \$1.00, and the Red Cross Drug Company will refund your money if it fails to cure.

Husband and Wife Cured.
 I had a bad form of catarrh. My left nostril was entirely closed and there was also a constant dripping of blood from the right. I only used Hyomei a little over two weeks and am now cured. My husband was also cured of catarrh and lung trouble two years ago by Hyomei.—Mrs. Harry Obney, Alliance, Ohio.

Notice to Delinquent Taxpayers

Delinquent taxpayers will take notice that delinquent taxes will not be advertised as heretofore; under a law passed by the last legislature of this state taxes that are delinquent after the expiration of six months from the first date of such delinquency may be paid by any one demanding to pay same and a certificate of delinquency will be issued to such party.

Section 27 of said law, in part, reads:

"Any day after the expiration of six months after taxes charged against real property are delinquent the tax collector shall have the right, and it shall be his duty, upon demand and payment of the taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property," and section 35 in part reads: "Certificates of delinquency shall bear interest from the date of issuance until redeemed at the rate of 15 per cent per annum."

Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes on or before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such date a certificate of delinquency bearing fifteen per cent interest per annum may be issued against your property.

To save further costs, penalties and interest you are earnestly requested to settle the same at once.
