

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country... Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney poisons and acid blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmor's Swamp-Root, which takes Dr. Kilmor's Swamp-Root, and the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a simple bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmor & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

in a limited way today as high as 32 1-2 cents, although some dealers were still quoting the old figures. While local stocks of eggs are very light, every one along the street knows that it is the holders of the Eastern stock that put the local product to a higher point in order that they can sell under them and make more money. The two cars of Eastern eggs which arrived yesterday have therefore found a good demand. Chicken Market Is Higher A higher range of values is quoted today in the local chicken market. Receipts are light, and the smaller buyers—and in fact some of the larger ones—are again in the market. The result is an advance of about 1-2 cent a pound in the price for all the grades. Creamery butter market is holding firm, with only a fractional increase in local manufactured stock. Makers report demand and supplies just about equal. Apples Move at Low Price While the regular fall movement of apples has not begun in earnest, there is a small increase noted in sales during the past few days. Low prices are the rule. It is taking something exceedingly good in quality to bring \$1.25. Many sales around 50¢ 75¢. Grape market is in very bad condition, and the Front street trade compares the action of a local evening and morning paper in talking of high prices and a firm market just to help one house along the street sell its California product. The truth of the matter is that grapes are a drag on the market here. One car of the California product has been on the track since last week, thus indicating the lack of buyers. Low prices are the result, some sales of quite fair quality tokens being made to the trade today as low as 30 cents a crate. Nothing along the street will bring more than \$1 a crate, and \$1 a stock is hard to find. Hop Market Inactive. The local hop market was practically without life yesterday, and reports from Salem were of no business passing. Jack McNeff, who came in from Yakima, says that of the crop of 8,000 bales in that section, 1667 bales are unsold. Cheese Prices Tend Upward Cheese is very firm in the local market and prices have an upward tendency. There is a strong demand from California for Oregon cheese, and also a fair inquiry from the north. Butter was quoted steady to firm yesterday at the former prices. Portland Livestock Market While it still may be possible for receivers to secure as high as \$6.50 for select hogs, nothing that brings more than \$6.25 has arrived in the markets during the past 24 hours. After a period of steadiness, the Eastern markets today closed with a loss of 5 cents, thus indicating that the bottom of the present movement has not yet been reached. Sheep market is quiet at former prices. Mr. Hunt, of Hunt & Lacy, says of conditions: "The entire livestock market is in bad shape today, and buyers seem to be waiting until after election. Hogs are rather quiet but strictly prime stuff, weighing around 225 pounds, may still bring \$6.50. Stuff of all kinds is coming too fast for the present demand." "Every one is filled up with livestock," said Mr. Gould, of Benson & Gould, today, "and the markets are overloaded. It is hard to sell anything just now." A year ago today hogs were weak; cattle and sheep firm; no change in prices. Following is the general range of values on stock ruling in the yards for late shipments: Hogs—Best east of mountains, \$6.25 to \$6.50; ordinary \$6; blockers and China fats, \$5.75; stockers and feeders, \$5. Cattle—Select east of mountains, steers, \$4; medium steers, \$3.50; of dirt, \$3.25; best cows, \$2.85 to \$3; heifers, \$3.25; medium cows, \$2 to \$2.25; stags, \$2.50 to \$3; bulls, \$2. Sheep—Best wethers, \$3.50; ordinary wethers, \$2.25; lambs, \$4.00; straight ewes, \$2.00; mixed lots, \$2.50 to \$2.75. Veal—Choice young calves, \$4.50; heavy and rough, \$3.50 to \$4.00.

Portland Markets Grain, Flour, Feed, Etc. WHEAT—Bluestem, 93¢ 94¢; club, 89¢; flite, 89¢; red Russian, 86¢; 40-fold, 90¢; valley, 90¢.
