## Where We Excel

We have the only first class upholstery and finishing department in the state outside of Portland. We remake, reupholster or repair any kind of furniture, mattresses, woven wire springs, shades or anything in the housefurnishing line. We have several carloads of furniture enroute and must make room. In order to do so for the next two weeks we place every article in our \$50,000 Housefurnishing Stock on the market at greatly reduced prices, in many instances at less than wholesale cost. No old goods

in our stock, everything new and strictly up-to-date at less prices than old goods are sold elsewhere. We give a few prices that you may judge for yourself the extraordinary values we are offering during this Cash Sale. Don't wait, buy now when values are lower than ever before.
