EUGENE, OREGON, THURSDAY EVENING, NOVEMBER 5, 1908

NO. 45

## BRYAN IS CHEEPER WITH LITTLE TO SAY

Fairview, Nov. 4.—Although it was after midnight when Mr. Bryan went to bed, he was up early this morning. There was nothing about his appearance or in his manner to indicate the disappointment which he must have felt as the result of the election. He greeted callers with a smile and scanned the morning papers for news from states from which no definite figures had been received last night.

"Before making any statement I want to get actual results from Ohio, Indiana and Kansas," he said.

The entire family was cheerful. For some time this morning Bryan talked the situation over with Father John Nugent, of Des Moines, Iowa, who is one of his staunchest friends and who was his guest over night. The two men took a brisk walk together.

### CHAIRMAN MACK SAYS HEADQUARTERS WILL BE CONTINUED

New York, Nov. 4.—Declaring that the Democratic party is more united

than for years, and that Bryan was defeated through misrepresentation, to the effect that his election would hurt business interests, Chairman Mack today made the following statement in part: "There is not much for me to say and I have no apologies to make re-

sponding to the victory of the Republican party. Bryan made the most magnificent fight ever waged by a candidate, but the party was made a victim of the misrepresentation that Democratic success would reward business interests. That was, of course, an argument without any foundation. It is my intention to continue headquarters in Buffalo and Washington for the next four years to keep in touch with the leaders in all the states to promulgate Democratic principles and Democratic thought by the printing of literature to aid the leaders of the party fighting high tariff, which in all probability the Republicans will continue, notwithstanding their promise to revise it. I am supported by members of the national committee, state chairmen and other leaders all over the country."

### COMPLETE RETURNS CITY OF SEATTLE

Seattle, Nov. 4.—The count was completed at noon. Two thousand precincts in Washington give Taft a plurality of 17,582, and Cosgrove, Republican, for governor, 14,974. Returns from the state are coming in very slowly.

Almost \$110 per acre is the price paid for a quarter section of high-grade wheat land adjoining the town of Athena.

## TAFT DECLARES HE WAS ELECTED BY BUSINESSMEN

Cincinnati, Nov. 4.—"I believe I was elected by the business men of the country," said Wm. H. Taft today. Democrats as well as Republicans, and that I received my share of the labor vote, and that farmers generally stood by me. I am well satisfied," said the successful candidate when asked for an expression on the results of his election. "Results from New York, Massachusetts, New Jersey, and Connecticut, are especially gratifying to me. In my own state and in Indiana the result was very much affected by local liquor questions and it is very difficult to figure just how it operated."

Fifteen carloads of potatoes will be shipped from The Cove, Union county.

## TWO HUNDRED AND NINETY-EIGHT ELECTORAL VOTES GO TO TAFT

New York, Nov. 4.—William Howard Taft, of Ohio, was elected twenty-seventh president of the United States and James Schoolcraft Sherman, of New York, chosen vice president yesterday. This is the outcome of one of the most remarkable political campaigns in the history of the republic. William Jennings Bryan, of Nebraska, the Democratic candidate, went down to defeat in his third attempt to satisfy his life's ambition to occupy the White House. Returns today indicate that Taft will have at least 298 electoral votes. Returns from the West are growing stronger for Taft and may justify the claims of Chairman Hitchcock, made before the eventful day. One of the results surpassing the most sanguine hopes of most Republicans was Taft's carrying Greater New York by 15,645. His plurality in New York state will be greater than Roosevelt's plurality in 1904.

### HUGHES RE-ELECTED

Governor Hughes was re-elected by a plurality estimated today at 75,000 over Chanler. While New York gave Taft a plurality of 15,645, it gave Chanler a margin of 56,843.

Republicans retain majorities in both houses of congress, with little change.

The states voting for Taft are: California, 10; Connecticut, 7; Delaware, 3; Idaho, 3; Illinois, 27; Indiana, 15; Iowa, 13; Kansas, 10; Maine, 6; Massachusetts, 16; Michigan, 14; Minnesota, 11; New Hampshire, 4; New Jersey, 12; New York, 39; North Dakota, 4; Ohio, 23; Oregon, 4; Pennsylvania, 34; Rhode Island, 4; South Dakota, 4; Utah, 3; Vermont, 4; Washington, 5; Wisconsin, 13; Wyoming, 3. Total, 291.

Those which voted for Bryan: Alabama, 11; Arkansas, 5; Colorado, 5; Florida, 5; Georgia, 13; Kentucky, 13; Louisiana, 9; Mississippi, 10; Missouri, 18; Montana, 3; Nevada, 3; Nebraska, 8; North Carolina, 12; Oklahoma, 7; South Carolina, 9; Tennessee, 12; Texas, 18; Virginia, 12. Total, 177.

In doubt—Maryland, 8; West Virginia, 7. Total—15.

### JOHNSON RE-ELECTED

Among the lesser results of the election are: Speaker Cannon is re-elected to congress. Governor Johnson is re-elected governor of Minnesota for the third time by 75,000.

### HISGEN ALSO RAN

Hisgen, candidate for president on the Independence ticket, received comparatively meagre support throughout the country. The Socialists did not show the strength that was expected. Some precincts in the cities were very strong for Debs.

### BRYAN CARRIED NEBRASKA

Bryan has certainly carried Nebraska, though it is strongly Republican.

The general results as indicated by the returns are a complete surprise to Republicans throughout the United States. It only remains to enter the actual number of votes cast. Various theories are advanced to account for the Republican landslide, one being the personal popularity of Taft, and another the fear of a prolonged business depression.

## JOHN W. KERN MAY BE SENATOR FROM INDIANA

Indianapolis, Ind., Nov. 4.—John W. Kern, the Democratic candidate for vice president, will probably go to the United States senate to succeed Hemenway, according to returns to-

day. Though Taft carried the state by from 5000 to 10,000, incomplete returns indicate that Marshall, Dem-

## BRYAN CARRIES MARYLAND BY SMALL MARGIN

Baltimore, Nov. 4.—The latest official returns from Maryland narrowed Bryan's apparent plurality to 332. His figures are: Taft, 109,180; Bryan, 109,512; these are complete with the exception of Dorchester and Worcester counties which are not thought likely to change the result.

## TAFT LEADS IN OREGON BY EIGHTEEN THOUSAND

Portland (noon), Nov. 4.—Oregon returns, approximately: Taft, 43,056; Bryan, 25,137; Scattering, 10,000.

Washington's Majority  
Seattle, Nov. 4.—Taft leads in this state by 40,000, judging from partial returns from 37 counties. Cosgrove, Republican candidate for governor, has 25,000 plurality. The entire Republican ticket was elected and the legislature is safely Republican, insuring the election of Wesley L. Jones to the United States senate to succeed Hageny.

Result in Idaho  
Boise, Idaho, Nov. 4.—Taft's plurality in Idaho may reach 15,000. Late returns indicate the election of Brady for governor from 3000 to 5,000. The large majorities early indicated have been reduced.

Democratic candidate for governor, has a plurality of from 20,000 to 30,000. The legislature will probably be Democratic. The so-called Fairbanks machine was completely smashed. A movement is already on foot to send Kern to the senate.

Boise, Nov. 4.—Idaho returns give Taft a good lead.

## TAFT BELIEVES GOOD TIMES ARE COMING

Cincinnati, Nov. 4.—One of the features of the election was the celebration in this city last night in which throngs surrounded the Taft residence. The street was blocked with shouting, merry-making crowds. Taft himself is highly pleased with the result and stated that in his belief the result meant the return of prosperity.

## PHILIPPINES ENTHUSE OVER TAFT VICTORY

Manila, Nov. 4.—News of the election of Taft brought forth great enthusiasm from all classes throughout the Philippines. The first message indicating a Republican victory came from the Associated Press, as was the news of the success of Hughes and the political complexion of congress. The news was transmitted to the various parts of the islands and created great interest. Taft was personally very popular here.

Foreign Comment  
London, Nov. 4.—News of the election of Taft through the Associated Press caused considerable interest in Great Britain, where Taft is regarded very highly.

Paris, Nov. 4.—There is little comment here. The election of Taft has been regarded as a foregone conclusion.

Berlin, Nov. 4.—The newspapers issued extra editions. The result was

## Lots of Men, in Buying Clothes are,

not half particular enough about quality; they'll buy almost anything that looks stylish and fits if the price is low.

It's the wrong way to buy clothes. We hope you don't buy yours that way. The right way is to be sure first of the quality you are getting. Is it all wool? Is it well tailored? A price means nothing unless you know what you are getting for it.

In this store we want you to know what you are getting for your money; we're not afraid to tell you, either. Ask if the goods are all wool; ask if they are tailored right; ask about style; wear; try the clothes on.

But if you see the Hart, Shaffner & Marx label in the clothes, just consider it an answer to your question; all wool; clean, honest tailoring; correct style; wear; price will be right.

Don't pay \$3.50 or \$4.00 for a hat when you can buy a "Gordon" at \$3.00.
