COUNCIL WILL ACCEPT MORRIS BROTHERS' BID

Bond Company Will Take Eugene's Water Bonds At Par

From Tuesday's Daily Guard. The city council met last evening in regular session and considered matters of more or less importance.

The matter of the bid of Morris Bros. to take over the water bonds was summarized as follows: Morris Bros. agree to take over the bonds to the amount of \$100,000 at par, the city to pay for the printing of the bonds, which will not cost over \$200.

The council unanimously agreed to the proposition. The Willamette Valley Company addressed a communication to the council requesting a committee from the council meet with representatives of the company to arrange the final details for the taking over of the water plant by the city.

The committee on street lights recommended that lights be placed at the following street intersections: Sixth and Blair streets, Fifteenth and Willamette, Seventeenth and Villard avenue, Twelfth and Lincoln, Twelfth and Mill, Stewart avenue and Park street, College Hill, Fourteenth and Onyx avenue, Thirteenth and Hayward, Fifteenth and Mill, Thirteenth and Columbia avenue, Twelfth and Oak, Ninth and Lawrence, Fourteenth and Alder.

Mr. Fisher moved that the one light, that on Fourteenth and Alder, be installed and objected to the adoption of the recommendation on account of many of the lights being unnecessary.

Councilman Williams objected, as did also Mr. Fisher, on the grounds that the city was incurring too much indebtedness. On final vote the report was adopted and the lights ordered installed.

"We, your committee on street lighting, beg to report that it is necessary to make changes in order to perfect the system of lighting as adopted by the city, and would recommend that the light at the corner of West Seventh and Monroe streets be moved one block east to the corner of West Seventh and Madison streets."

"We would further recommend that the light now at the corner of Tenth and Lawrence streets be moved to the corner of Tenth and Lincoln streets and a new light installed at the corner of Tenth and Washington streets."

"In case the last change is made we further recommend that a new light be installed at the corner of Eleventh and Jefferson streets."

"We find that the above changes are necessary in order to make the system of lighting work out right in the end, according to the original plans. We further recommend that all lights be placed on not less than 50-foot poles, above ground."

Mr. Eaton addressed the council and urged that a third night watchman be added to the police force. Mr. Eaton spoke in behalf of the Commercial Club. Referred to the committee on police.

On recommendation of Councilman Gilbert a red signal light for police service was ordered placed in front of the Smeede hotel.

Councilman Berger, in behalf of the health committee, recommended that a city meat and milk inspector be appointed. On motion it was ordered that the health committee take up the matter with the county inspector, looking to a plan whereby proper inspection can be carried out.

Mark Fleming's petition for a railroad crossing to be placed at a designated point in Sladden's addition was referred to the street committee with power to act.

Application of property owners for a sewer between Monroe and Blair streets was ordered granted. Prayer of petitioners for a sidewalk to be constructed on the north side of Eleventh street was referred to the street committee.

Petition for a sidewalk on the east side of Walnut avenue was ordered granted.

In the matter of opening up and extending Olive street and the assessments, etc., on motion referred to the judiciary committee. The session included reading of a number of street improvement ordinances, as follows: From Blair west to the city limits; Seventh street, from Olive west to city limits; Fifth, from Olive west to Willamette, all of which were passed.

Continuation of sewer from Thirteenth to Fifteenth street as embodied in ordinance, was passed.

CASA BLANCA INCIDENT WAS CLOSED TODAY

Paris, Nov. 10.—The foreign office has been advised from Berlin that the agreement over the Casa Blanca incident was signed today.

The foreign office here regards the Casa Blanca incident, which disturbed the relations between France and Germany, practically closed and the signing of the agreement today virtually confirms this opinion.

Consequently it is considered here to be a matter to be sent to the Hague for arbitration. While there is no disposition to crow over the French victory, great satisfaction is felt that Germany recognized the justice of the French contention.

SALEM CLEARLY OUTPLAYED EUGENE IN SATURDAY'S GAME

Saturday at Salem the Eugene high school met its first football defeat for the year when its team played at Salem. The Eugene team in the first half was clearly outplayed, the half being played wholly in Eugene's territory.

Once or twice the Eugene boys seemed to rally, but not once in this half did they have an opportunity to score. The local team lacked the snap and vim which they have shown in previous games. Their attacks would seem to melt as they hit their opponent's line.

In the second half, however, the Eugene boys seemed to rally and once they worked, by successive end runs by Preston and Bailey, to the five-yard line. Here they lost the ball on yardage, and Salem immediately punted out of danger. This was the only time Salem's goal was endangered.

Throughout the game Eugene's punting was exceptionally good. Salem worked the forward pass to advantage several times, Eugene, as a whole, lost by that play. There were several bad decisions on the part of the referee, but as a whole the game was especially clean. Salem's star was Parsons, who repeatedly made yardage by end runs. Krolger played as consistent a game as any player for Eugene. The field was soft and slippery.

It was admitted by Salem that Eugene had more of her students on the field than their own school. The Eugene rosters showed the result of their training and yellowed the eyes of the Eugene boys. The behavior of some students while in Salem created favorable comment.

After the game a reception fitted to the limited time Eugene had in the evening was tendered to the visitors.

The Salem students tried to show their guests a good time. The rowdiness shown at one time was only on the part of a few Salem toughs and very much regretted by the students as a whole.

Owing to a misunderstanding as to where to get on their own cars about twenty of the Eugene rovers were left in Salem Saturday evening. They took the early morning train home.

CALIFORNIA SEES PROBABLE HAY SHORTAGE

San Francisco, Nov. 5.—According to the annual report of the Hay Dealers' Association, there is a prospect of a hay shortage in the state this winter, an absolute absence of supply in March next and a raise in price that may amount to \$20 per ton.

The hay crop this year falls short of the 1907 crop by about 100,000 tons, and there is no prospect of relief from Nevada or Utah, as was then afforded. Dealers have ceased to quote prices upon hay, and the prospect of a continued dry spell renders the situation all the more serious.

ONE HUNDRED EUGENE BOOSTERS AT ALBANY TODAY

Opening of Albany's Depot Attended by Visitors from Salem, Portland and Eugene

Over one hundred Eugene boosters left this noon for Albany to represent the city and Lane County in the celebration at the Linn county metropolis this afternoon when the Southern Pacific depot is dedicated to the traffic of the central Willamette Valley. C. S. Williams and John H. Hartog headed the boosters, each with his Lane County badge pinned over his heart.

Not only were boosters from Eugene expected, but delegations from Salem, Portland and other places attended the opening. Altogether over a thousand visitors were anticipated at Albany today.

The following were among those attending the excursion: A. Burden & Graham, F. L. Campbell, C. S. Williams, L. Whitson, N. L. Fitzhugh, H. W. Thompson, E. O. Potter, D. E. Yora, J. M. Williams, M. Svarerd, W. T. Gordon, W. W. Griffin, E. E. Chambers, Chas. H. Fisher, T. H. Garrett, Hollenbeck local team, C. F. W. Wilkins, Frank Jenkins, Cockerline & Wetherble, A. C. Dixon, G. M. Miller, I. H. POPE CELEBRATES FIFTY YEARS OF ACTIVE WORK

Rome, Nov. 9.—The pope today received the members of the Sacred College, who congratulated him upon the anniversary of his ordination to the priesthood. The holy father was presented with the sum of \$4000 in gold.

BUILDING PERMITS SO FAR THIS WEEK

The following building permits were issued by Building Inspector McFarland yesterday and today: W. H. Elliott, 5-room cottage at the corner of Woodcock avenue and Twentieth street; in the Gross addition, to cost \$1900.

H. Dice, 4-room bungalow on Fourth street, between Madison and Blair; to cost \$900.

H. Howe, 7-room bungalow on Eleventh street, between Jefferson and Madison; to cost \$1000.

Y. D. Honnill, 5-room bungalow on the corner of Walnut avenue and East Seventeenth street; to cost \$1125.

C. A. McClain, a 5-room bungalow on the corner of Walnut avenue and East Seventeenth street; to cost \$1461.

R. H. Ivey will erect a 5-room cottage at the corner of Villard avenue and East Seventeenth street, at a cost of \$1000.

In giving the totals of last month's building permits the inspector made an error of \$500. The cottage which L. H. Honnill is erecting on Woodcock street was listed at \$500, which \$1000 was the right figure. This will make the totals for October \$86,325 instead of \$85,825, as published.

CELEBRATED BUCKS STOVE CASE DELAYED

Washington, D. C., Nov. 10.—The case of President Samuel Gompers, Secretary Frank Morrison and Vice President John Mitchell, all of the American Federation of Labor, and who are charged with contempt of court, was called today in the district supreme court. The case grows out of a suit for injunction instituted against the labor officials by the Bucks Store and Range Company, of St. Louis. Owing to the absence of President Gompers and Secretary Morrison in Denver, where they are attending the annual convention of the American Federation of Labor, a further delay in the hearing of the contempt proceedings is likely.

RHODE ISLAND'S HEROIC DEAD HONORED

Vicksburg, Miss., Nov. 10.—The monument erected to the National Military Park here in memory of the Rhode Island soldiers who fell in the siege and battle of Vicksburg, was dedicated today with interesting exercises in the presence of a large throng. A party of twenty-five persons, including the leading officials of the state, were on hand to represent Rhode Island. The monument is of granite and of artistic design and was erected at a cost of \$5000.

Mrs. W. F. Cline, with her beautiful jelly, got the bit of blue ribbon—but yet the judges could find no better butter than that from the cow that eat the corn that was fed to it by the Graeger maid that lives in the county of Lane. The butter got the ribbon.

Yarrow minor prizes were also awarded that are not included in this list.

BROWN LUMBER COMPANY'S MILL HAS STARTED UP

After more than one year's idleness the big sawmill of the Brown Lumber Co. was started up on full time in Cottage Grove Wednesday morning with a force of forty-five men, which force will be increased with water. It is being filled as fast as the supply will admit. Its output since closing down in August of last year this mill plant has been completely overhauled and improved, much new modern machinery having been installed, including a new saw, edger, cut-off, live rollers and other less important machinery, giving the mill a daily capacity of 60,000 feet of lumber.

The mill pond which was recently cleaned out and enlarged is piled full of logs but was not yet filled with water. It is being filled as fast as the supply will admit. This inconvenience forces the use of a donkey engine temporarily with which logs are dragged to the chute, but as soon as the pond is filled with water the donkey may be dispensed with. A fine grade of milling timber is being logged at Rocky Point and Disston, on Rowley river for this mill and is being delivered daily over the branch railroad, the O. & S. E. to the mill.

At present the mill is running on a big order for the Southern California oil fields, including the big walking beams used in the old wells. We are informed by Superintendent White that there are orders ahead to keep the mill running steadily providing cars can be had to make the deliveries.—Cottage Grove Leader.

SET DATE OF HARRIS MURDER TRIAL. New York, Nov. 9.—The trial of the Hains brothers for the murder of Annie was today set for December 14.

Goldendale, Washington, has given all the communities of the Pacific Coast a record in raising money for advertising purposes, by giving \$2.00 for every man, woman and child within the city limits, or a total of \$3500, and this came in at the rate of \$125 a minute.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

NEWS ITEMS FROM MOUND NEIGHBORHOOD

(Special Correspondence.) Mound, Nov. 9.—Election passed off nicely with four votes for Taft, four for Bryan and eleven for Debs. Roy Bierce made a trip to Crow last week.

Jessie Hooker passed through here this morning on his way to Smith River. Geo. Sullivan and family came in on the stage Saturday from Panther to visit relatives and friends.

Lewis Mackintosh came down the river from Lorane yesterday, and is stopping with Geo. Prescott now. Miss Bossie Meats' school is progressing nicely. She has only seven scholars.

Mr. and Mrs. Willie Peabody are living at Panther now farming the John Hooker place. John Hooker has bought fifty acres of H. B. Baldwin's ranch. All he needs now is a cook.

The Layne boys' dogs started what the boys thought was a bear last night about midnight. The boys got up and went to them well armed, but found that they had bayed a large skunk.

G. W. Layne is clearing ground for a new hayfield next year. W. D. Johnson went to Eugene this week. Jay Johnson was at Mound last night after his mail.

Clair Hinkson passed through here last week on his way home from Eugene. He took a load of freight from Mound to Elmira yesterday. The squatters on the railroad land in this vicinity are living on it with good faith.

Charles Gold, our stage driver, who swore-off sometime ago, is back in the business again. Glory in his grit for the spring seat.

Timber cruisers in these parts have been scarce during the past month, due to Taft's election, I suppose. Mr. and Mrs. H. D. Johnson spent Sunday and Monday on Wolf creek with their sister, Mrs. Lewis.

Roy Bierce casts a longful look toward independence once in awhile. The voters of road district No. 66 have voted a special tax for much needed repair work.

Hunting on the river has been very good the past two months, but fishing is very poor.
