

A HOME WHERE PERUNA IS USED.

Residence of Mr. C. Hallock, Antwerp, Ohio.

One of the Many Thousand Homes Where Peruna is a Popular Household Remedy.

CATARRH OF THE HEAD.

Mr. C. Hallock, Antwerp, Ohio, writes: "My daughter, Alice, after taking three bottles of your Peruna, is entirely cured of catarrh of the head of two years standing. We have used Peruna as a general tonic, as well as for catarrh, and are well pleased with it, and recommend it to anybody who has catarrh. Anybody wishing any information can write to me."

MR. C. HALLOCK.

Could Take No Food.

Mr. William F. Burke, 1865 Frankford Ave., Philadelphia, Pa., writes: "On the 19th of February, 1901, I was taken with cramps that extended from just below my throat to the bottom of my stomach. They were so severe that my wife had to go for a doctor about two o'clock in the morning."

"I had from February until July of that year three doctors, and they were giving me medicine for kidney, liver and Meckle troubles, and after taking all kinds of their mixtures, in the month of July I could neither eat nor drink. For three weeks I had not taken a morsel of food except in a liquid form. At the end of that time I could not drink milk or water except in small sips, which caused me great pain."

"I had given up all hope of living more than a week or two at most. I told my wife I thought I had catarrh of the stomach. She seemed to think so too, and having read of Peruna I decided to give it a trial."

"I took several doses that evening, and for the first time in weeks rested fairly that night."

"I kept on using Peruna as I had started, and after using it three days and nights the pains in my chest and stomach disappeared, and they have never appeared since, and it will be two years this July."

Per-na Relieved All Symptoms.

Mr. J. C. Crunacker, R. R. 1, Kokomo, Ind., writes: "I can say that I have nothing to complain of now. I feel well, rest well at night, have a good but moderate appetite, can eat almost any kind of food. I have no aches or pains anywhere, and can do some kind of work every day. I must say I can stand as much fatigue as I ever could, and feel good over it."

"The hemorrhage has yielded to Peruna, the grip has done the same, as well as pains and aches of all kinds."

"The roaring noise has entirely left my ears and head, my mind is clear, my recollection good, my bowels are regular, and I just simply feel all over. The cure of my case was surely a victory."

Catarrh of Long Standing.

Mr. C. A. Reunstrom, 570 Seventh St., Ogden, Utah, writes: "I take great

pleasure in stating to you that your medicine, Peruna, has completely cured me of a long-standing case of catarrh. I had consulted noted doctors without any relief. By persistent urging of a friend I commenced the use of your wonderful Peruna with the best of results, and today I highly recommend it to any one suffering from catarrh in any form."

"As for myself, I suffered untold agony, but today I feel as spry as any one, with more ambition and confidence in myself than I have enjoyed for years."

"All my friends say I look better than ever before, and I urge them all to try Peruna, and have sold dozens of bottles with the greatest of satisfaction."

"Your Peruna is the greatest tonic and builder for a broken-down constitution arising from that dreadful disease, catarrh."

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to an average dose of Peruna."

EUGENE NOW HAS MUNICIPAL WATER PLANT OREGON LOSES TO WASHINGTON FIFTEEN TO 0

(From Saturday's Daily Guard.) Eugene now has its long-coveted municipal water plant, the actual transfer of the Willamette Valley Company's system having been made this morning. A. Welch, general manager of the company, came up from Portland last night and met with the council this forenoon, at which time the deed was passed and it will at once be placed on the county records. The consideration is \$140,000, the amount agreed upon some time ago between the officials of the water company and the city council.

The property transferred to the city by the company includes the Spencer built property, on which the two reservoirs are located, the pumping station and ground upon which it is built, the tract of land across the river on which the much-talked-of and unused well is located, all the pipe lines, fixtures, tools, etc., connected with the plant.

City Gets Profits Since July 1. The date of the transfer of the property is put in the deed as July 1, as that was the date originally agreed upon, the transfer being postponed on account of the question arising as to the validity of the \$300,000 bonds issued by the city for the purpose of paying for the plant, the matter having been taken to the supreme court for settlement. The city gets all the profits of the plant since July 1, and also pays for all the improvements made since that time.

Commission Will Handle Plant. The operation of the water plant will be in the hands of a commission. Mayor Matlock stated this afternoon that an ordinance creating a water commission is now being drawn by the city attorney and it will probably be presented at the meeting of the council next Monday night. He stated that it is probable that a commission will be appointed to act until such a time as an election can be held to choose a commission in that manner, as he is personally in favor of an elective commission and he thinks a majority of the members of the council are.

Terms to be paid to the company for the plant were signed by the mayor and recorder today. They bear interest at 5 per cent per annum.

VEATCH BUILDING BEING TORN DOWN

New Modern Block Will Be Built At An Approximate Cost of \$6000

Cottage Grove enterprise again comes to the front this week. On Tuesday Oliver Veatch let the contract for a fine new building to Geo. Lea, of this city, to occupy the site of the building recently destroyed by fire. Workmen are now at work tearing out the charred insides of the present structure, and as soon as possible will take the walls down. Mr. Veatch tells us his first intention was to repair the building, but the idea of an entirely new structure more modernly built, and of stronger walls. We are informed that the estimate on the cost runs well into six thousand dollars. The work will be rushed from start to finish. It is hoped to have the new building up and ready for occupancy by the first of the new year, but progress in building may be hampered by the weather. The new building will be 70 feet deep, and will set back five feet from its present frontage. The front will be entirely modern, with a fine plate glass display window. A side window is contemplated, which will add greatly to its value to its occupant as a means of display. The building will be two stories high, and a warehouse of brick extending 20 feet in the rear is also contemplated. Another slightly building will thus add to the beauty of Main street, and not only be a credit to its owner, but to the town as well.—Western Oregon.

(From Saturday's Daily Guard.) The University of Oregon took this afternoon in a gritty played battle with Washington by a score of 15 to 0. No score was made in the first half. In the early part of the second half Washington, by a series of terrific line plunges, scored. No goal. Ten minutes afterward twenty yards from the goal line, a forward pass, swiftly executed, scored again. No goal. A bad pass near the end of the half put Washington within two yards of the goal line, and after three trials the backs pushed it over. No goal.

Oregon chose to play on the defensive except during the last part of the second half, when she made good yardage. Washington won by sheer weight, handling of punts, and punting.

There was a large crowd of spectators, filling the grandstand and bleachers. Both teams had men somewhat bruised by injuries, but when the players entered the gridiron arena determination dominated every move and every line of the teams and of the individuals. Oregon appeared considerably smaller than the Washington huskies. However, that is something that was partly due to Oregon's suits, for even Whitworth looked to the spectators larger than the stripe of the Jerseys and blue color deceived the eye.

The field of play was unusually clear. Strict use of sideline passes was demanded by Manager McKewen and the special policemen under his direction. Even the newspaper men were stationed in the first row of seats in the grandstand.

The field was in splendid shape this afternoon, fast and spry, yet not mushy. The sawdust caused some complaint among the visiting team this morning, but it did not seem to hurt them in the least during the game.

The First Lineup

The members of the teams and their positions were as follows:
Oregon: Dodeen, L. K. R., Grinn, Pinkham, L. T. R., Eakin, Gilles, L. G. R., Babcock, Means, C., Tektmeier, Newton, R. G. L., Jarvis, Moulton, R. T. L., Banner, Klitz, R. E. L., Watson, Chandler, K., Coyte, Clarke, F., Willis, Sullivan, L. H. R., Muckelstone, Maine, R. H. L., Wand.

Previous Games

Following is a record of previous games between the two teams:
1900—Oregon, 13; Washington, 0.
1903—Oregon, 5; Washington, 6.
1904—Oregon, 18; Washington, 9.
1905—Oregon, 12; Washington, 12.
1906—Oregon, 16; Washington, 6.
1907—Oregon, 6; Washington, 0.

GENERALLY BELIEVED EMPEROR IS DEAD

Pekin, Nov. 13.—At a meeting of the grand council the empress is reported to have swooned, and at 10:30 p. m. it is reported that she is dying.

EMPEROR OF CHINA DEAD

Pekin, Nov. 13.—The emperor of China is reported dead, but it is impossible to secure official confirmation of the report up to 6 o'clock this evening. His majesty was transferred to the death chamber at 2 this p. m., but was still breathing at that hour.

Two imperial edicts were issued from the palace this afternoon. The first makes Prince Chun regent of the empire and the second appoints his son, Pu Wei, heir presumptive to the throne.

The rumor of the empress' condition, if true, would explain the two edicts issued this afternoon regarding a regency for the empire. Foreign residents are confused by the sudden developments today and the various reports emanating from the palace. It is absolutely impossible to obtain official confirmation of the reported death of the emperor and the condition of the dowager empress. The edicts bear the name of Kuang Hsu, which indicates that he was still alive at that hour. The members of the grand council were in conference at the palace at 2 o'clock this afternoon.

MINISTER ROCKHILL REPORTS

Washington, Nov. 13.—A dispatch to the state department from American Minister Rockhill at Peking reports the emperor dying. The message was sent about 2 o'clock this afternoon, Peking time.

GRAND DUKE ALEXIS DIES IN FRENCH CAPITAL

Paris, Nov. 14.—Grand Duke Alexis of Russia, uncle of the Emperor Nicholas, died in this city today of pneumonia. The Grand Duke had lived in Paris almost continuously since his retirement from the position of supreme director of the navy, which he held for 24 years.

FEAR OF BUSINESS DEPRESSION CAUSE OF BRYAN'S DEFEAT

"Fear of business depression and hope of an early revival of commerce is the only cause of Taft's election," states Mayor J. F. Reddy, who has recently returned from New York and other Eastern cities. "I hadn't been in New York but a few hours when I saw how things were going. It wasn't that the people preferred Taft to Bryan. The latter was the popular favorite but it was the talk made by the employers to the employees of probable shut-down, the old bread and butter coercion, that swung the votes in line for Taft. No one wanted to take a chance, and the majority believed that Bryan's election might postpone the business revival for six months, while Taft's would hasten it."

"But the people were wild for Bryan in Chicago the Saturday evening before election 25,000 people waited until 1 o'clock in the morning to hear him, and then it was Sunday and he wouldn't make a political speech. He was due at 8 o'clock and the railroads conveniently delayed him without any cause whatever, as the inquiry made by the Chicago papers showed the railroads had no valid excuse for the delay."—Medford Tribune.

PROHIBITION HAS NOT CUT BOOZE SALES

Washington, Nov. 13.—The wave of prohibition which it is claimed has spread over the country apparently has had little effect upon the consumption of alcoholic liquors and spirituous drinks, according to evidence brought out at today's hearing on proposed tariff revision before the house committee on ways and means. It was apparent, too, that the liquor interests, on the whole, are well satisfied with the present tariff on spirits, wines and other beverages as wine growers and importers were practically the only interests represented at today's hearing. Tomorrow the committee will take up the tobacco schedule.

Seven Years of Proof.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds and for every diseased condition of the throat, chest or lungs," says W. V. Henry, of Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs, colds, lagrippe, asthma, hay fever, bronchitis, hemorrhage of the lungs, and the early stages of consumption. It's timely use always prevents the development of pneumonia. Sold under guarantee at W. A. Kuykendall's drug store. 50c and \$1.00 Trial bottles free.

HEAVY PENALTIES IMPOSED UPON LAND FRAUDERS

Portland, Nov. 13.—The so-called Los Angeles land fraud case, in which several citizens of California conspired with certain citizens of Curry county, Oregon, to defraud the United States government to the tune of about 30,000 acres of timber lands, was closed today when Judge Wolverton pronounced sentences as follows: William H. Smith, fine of \$5000 and imprisonment in the Multnomah county jail for two years.

Dr. A. H. Hedderly, fine of \$5000 and six months imprisonment in the Multnomah county jail.

Richard D. Hynes, fine of \$2000 and ninety days in the Multnomah county jail.

William T. Kerr, fine of \$2000.

Frank A. Stewart, fine of \$1000.

John R. Miller, fine of \$1000.

Ames S. Johnson, fine of \$500.

MAN WITH FIFTY CHILDREN UNABLE TO SUPPORT THEM

Taunton, Mass., Nov. 13.—Clement Cunha, 32 years old and father of 50 living children, was sentenced to the workhouse for a year yesterday on a charge of non-support and neglect of his four-day-old twins.

Cunha two days ago reported to the authorities that a woman and her newborn twins were starving. An investigation showed Cunha was the woman's husband and he was arrested.

On the witness stand he admitted he had a divorced wife living in New Bedford to whom he had been married eleven years. During that time she had given birth to five sets of twins, two sets of triplets and two odd sons, 18 children.

Another divorced wife, who is now in Portugal, is the mother of all his other children except the set of twins born to his present wife and a daughter who preceded them. "How many children, all told, have you?" asked the judge. "Fifty living," was the answer.

GARDINER PASTOR FREED ON BONDS

Roseburg, Nov. 13.—Rev. George C. Clark, alleged to be the Rev. Mr. Summers, indicted at Throckmorton, Texas, in 1904 on the charge of obtaining money under false pretenses, and arrested at Gardiner, this county, last week, was arraigned before the local justice of the peace last evening and placed under bonds of \$500, which were furnished by two Roseburg business men. Next Wednesday was the date set for his examination, the purpose of which is to enable Governor Chamberlain to act intelligently on the requisition for the minister's extradition to Texas. This requisition is in the hands of an officer now enroute from Texas to Salem. Last evening the local authorities telegraphed to Throckmorton for a person, whose identity is not revealed, to come to Roseburg and see if the accused man is Summers. This person will arrive here in time for the examination next week.

DR. LOVERIDGE DIES SUDDENLY SATURDAY

Rev. D. E. Loveridge died at his home between Eugene and Springfield this morning at 7 o'clock. Death came suddenly and peacefully. He had been ailing for a number of weeks, but was able to see about his little fruit farm yesterday and rejoiced that he felt well enough to do a little tree pruning. He spent a restful night and was about to arise for the day this morning when he suddenly expired.

Daniel Edward Loveridge was born at New Milford, Conn., December 11, 1824, therefore being aged at the time of his death nearly 84 years. He was educated at Trinity College, Hartford, Conn., from which institution he graduated, and was a member of the Phi Beta Kappa fraternity. He was ordained to the priesthood of the Episcopal church about 55 years ago. Coming to this coast with his family, he served as rector of Trinity church at Portland for a few months and then came to Eugene. This was twenty years ago. He served St. Mary's church of this city as rector from that time until a year ago last June, when he retired from active ministerial life and went to his fruit farm east of the city. He was always an enthusiastic grower of fine fruit and each season for years he has grown and marketed some of the finest ever grown in Western Oregon, especially grapes.

Dr. Loveridge was a minister of ability, was beloved by all his parishioners as well as by all who knew him. He leaves three daughters, Miss Emily, of Portland, and Misses Ruth and Myra, of this city, besides three grandchildren. Mrs. Loveridge died in 1903.

REGIMENTAL BAND MAY BE ESTABLISHED AT COTTAGE GROVE

The Fourth Regiment, Oregon National Guard, has no regimental band, and such an organization has been talked of for some time. A number of the members of Company E have been trying to secure such an organization for Cottage Grove, and we learn that a band is practically assured here now. Several meetings at which directorship, instruments, etc., have been discussed, have been held, and the affairs of the new band are running in smooth channels. Professor Chas. Cochran has accepted the position as leader and director, and has on his list of those efficient and willing to go into such an organization some twenty-four or five members. The matter has been taken up at headquarters, and only the usual routine days are necessary before the boys enlist. The band is composed of officers and privates, the same as Company E, and is maintained according to regulations practiced by regular army bands. Regular evenings of practice, a certain efficiency, and the ability of its members to turn out and be present at encampment and other military functions throughout the year are among the requirements. The state will provide uniforms and a certain number of instruments, besides paying a yearly amount to be used in the expense of maintaining such an organization.—Western Oregon.

RUSSIANS FOILED IN ATTEMPT TO STEAL \$12,500,000 IN GOLD

Yekaterinburg, Russia, Nov. 13.—An unsuccessful attempt by a band of twenty-five men to rob a railroad train upon which gold estimated at \$12,500,000 was being shipped from the gold mining district of the Ural to St. Petersburg, was made to-day. Five arrests have been made. One of the bandits was killed, the rest escaped.

INDICTED FOR MURDER OF SENATOR CARMACK

Nashville, Nov. 13.—The grand jury today returned indictments against Robin Cooper, Colonel D. B. Cooper and ex-Sheriff John D. Sharp, charging them with the murder of ex-Senator Carmack.

JUNCTION CITY NEWS HAPPENINGS

Married.—At the M. E. church, by Rev. T. H. Downs, Wednesday evening, November 11, 1908, Miss Nellie Thornton and Milton Iles. This marriage was quite a surprise, but all in all in tendering congratulations. Elmer Dinges has leased the Aret-hart building, formerly occupied as a feed store, and is having it remodeled for the purpose of establishing a moving picture show. Elevated seats and all the other necessary accessories are to be installed, but all H. C. and E. C. Johnson and Clarence Aylesworth, of Hastings, Neb., have been here for several days past with a view of purchasing farms. These gentlemen are bright young men and we hope they may find something to suit them in this locality.

A law suit was the attraction in Justice Tower's court this week. Mr. Milne caused the arrest of Joel Pitts, who was charged with assault. The trial was postponed for a few days on account of an absent witness. In the meantime Mr. Pitts entered a plea of guilty and the court imposed a fine of \$25.—W. N. S.

GEO. S. TERRY WILL BE ASSISTANT U. S. TREASURER

Washington, D. C., Nov. 13.—The President has appointed Geo. S. Terry to be assistant treasurer of the United States at New York in succession to Hamilton Fish. Terry resigned as assistant treasurer of the Republican National Committee under Treasurer Geo. Sheldon.

FOUR LANE COUNTY MEN ON FEDERAL GRAND JURY

Names of seventy householders who will serve as trial jurors in the United States district court for the District of Oregon in Portland next November term in Portland were drawn yesterday. The talesmen will be notified to report for duty at 2 o'clock on the afternoon of November 23. The principal case that is to be tried during the term is that of the government against J. H. Parker, a Baker City banker, indicted on a charge of perjury in connection with a mining claim deal.

Volney Hemenway and C. H. Hale, of Eugene; William Landers, Cottage Grove, and S. M. Stiers, of Lost Lake, are the Lane county men who have been empaneled to serve.

—Scrupen in Washington Star.

SICK HEADACHE

Positively cured by these Little Pills. They also relieve the distress from Dyspepsia, Indigestion and the Heaviness, A perfect remedy for Dizziness, Nausea, Drowsiness, Bad Taste in the Mouth, Constipation, Pain in the Side, TORPID LIVER. They regulate the Bowels. Purely Vegetable.
