## RECEIPTS OF SATURDAY'S GAME BEAT THE RECORD

The total receipts at Saturday's football game between the U. of O. and O. A. C. were officially announced yesterday as \$3105, which is the largest amount of money ever paid in at a football game in the Pacific Northwest, says the Oregonian. The publication of the receipts demonstrates that Portland is the best paying football center in the Northwest, and further, it is an unassailable argument in favor of the playing of the annual U. O. O. A. C. game in Portland. Each team receives \$324.15 out of which they will be required to pay hotel bills while in Portland. At that each team has cleared at least \$3000, which means that they will be all the more favorable to playing the game

in Portland each year. Had Saturday been a good day the receipts would have been \$10,000 easily, and already the promoters of the Thanksgiving day game between the Multnomah Athletic Club and the University of Oregon are anticipating a crowd.

The University of Oregon, victors in Saturday's game, and the Oregon Agricultural College squad, the opposing team, left the city yesterday and will rest up and train for the holiday games next Thursday. The University of Oregon team went to Seaside, where they will enjoy the salt air and practice on the beach sand until Wednesday, when they will return to Portland for the Thanksgiving day game. The Oregon Agricultural College team left yesterday morning for Stevenson, Washington, where the "Aggies" will train for the big game at Seattle next Thursday. Manager Pratt and Captain Stott will continue strenuous practice of the Multnomah Club eleven during the next three days, for the clubmen are anxious to defeat Oregon this year. Most of the Multnomah players witnessed Saturday's game, and after having seen the State University squad in action, are ready to admit that they have a hard game ahead and are practicing hard to overcome whatever advantage Oregon may have in speed and up-to-date football. The clubmen are anxious to wipe out last year's defeat and hope to overcome the varsity team with weight and strength.

Captain Stott and his men entertain hopes of going through the present season with a clean record, and expect to defeat Oregon next Thursday, and also to take the measure of the Oregon Agricultural College on December 5. Coach Forbes and the Oregon boys are now at Seaside enjoying the ocean breezes while practicing on the seashore. Their success against O. A. C. Saturday has imbued them with renewed confidence, and their efforts against Multnomah will be much stronger than against their recent rivals. Captain Moulten, Fullback Clark and other Oregon stars have always been depended upon to work their hardest against Multnomah, while the Multnomah players, some of whom are former O. A. C. men, will try their best to defeat Oregon in revenge for last Saturday's defeat administered to their alma mater. The former O. A. C. students on the Multnomah team are Dow Walker, Bert Pilkington and Forrest Smithson, and with the sole idea of reversing Oregon's record of last year.

Receipts of Game. The following statement of receipts and disbursements at Saturday's game have been made by the management of the two teams: Total receipts ..... \$3105.00 Expenses ..... \$1376.70 Net receipts ..... \$1728.30 Each team's share ..... \$324.15

## PROMOTER MEYERS IN JAIL FOR THEFT OF FIVE BONDS

New York, Nov. 23.—Claiming to have the backing of European capitalists to the extent of \$200,000,000, according to the story told by the police, Joseph Montefiore Meyers, who has spent the last few months in Pittsburg, endeavoring to interest capitalists in that city in various plans requiring large amounts of money, was brought to this city today, charged with the larceny of five bonds valued at \$4500. Meyers, it is said, claimed acquaintance with many prominent people in this country and abroad, and was introduced at clubs and dined by Pittsburg financiers whom he interested in his various plans.

## TWO CONFEDERATES JAILED IN PITTSBURG

Pittsburg, Nov. 23.—Two additional arrests were made yesterday in the case of J. Montefiore Meyers, who is said to be from Australia, and who was taken in custody Saturday night and sent to New York on the charge of grand larceny. W. Fitzpatrick and John A. Fitzpatrick, brothers, said to be from Iowa, Mich., and alleged confederates of Meyers, were arrested yesterday on information furnished by Richard Brinsley Sheridan, a wealthy coal operator of Wilkesbarre, Pa., and John A. Garman, of the same place, who is counsel for Colonel J. M. Gufler, multimillion coal operator of Pittsburg, whom Meyers interested in his projects.

The superintendent of police said: "From all I can learn Meyers and his confederates secured very little if any money, but they were just ready to unload a swindle that would have torn things wide open in financial circles."

## JOHN D. NOT ORIGINATOR OF STANDARD TRUST

New York, Nov. 23.—John D. Rockefeller testified today that he did not conceive the plan of the formation of the original Standard Oil trust in 1882.

"I am sorry to say that I did not," said Mr. Rockefeller; "I cannot claim any credit for that—Mr. Flagler and S. C. Dodd conceived it." During his examination Rockefeller said that the oil business is hazardous "even up to the present time." This statement will afford Attorney Kellogg, for the government, an opportunity to examine Rockefeller as to the conduct of the company since 1882. It had been understood that Rockefeller would not be examined as to the details since that time, but Kellogg maintains that Rockefeller's gratuitous statement that the business is hazardous "up to the present time" opens up to him the whole period of the Standard's history.

## ANOTHER MOVE IN BIG STANDARD CASE

Washington, Nov. 23.—Attorney-General Bonaparte filed today the petition for a writ of certiorari in the supreme court of the United States, urging the court to issue a writ of certiorari to the circuit court of appeals for the seventh circuit to review the judgment of that court reversing the rulings of Judge Lammie in the case in which the Standard Oil was fined \$25,000,000 on charges of violating the anti-trust law. The attorney-general takes the position that the court of appeals was without jurisdiction when it reversed Landis' decision.
