NEWS OF COTTAGE GROVE AND VICINITY

W. T. Kayser and Wm. Landess have gone to Portland, having been drawn to serve on the federal grand jury which began its deliberations for the November term this week.
The infant-son of baby boy of Mr. and Mrs. E. W. Armes died Tuesday. The funeral services were held at the residence, conducted by Rev. Dr. Nave. This was the third child of Mr. and Mrs. Armes, two surviving. They recently moved to Cottage Grove, Mrs. Armes being a daughter of Mrs. Richmond.
A change has taken place in the firm of Garmen-Hemeway Co., Mr. Hemeway withdrawing from the firm, leaving the entire stock with Messrs. O'Leone and Dunbar. This change has been meditated for some time, as Mr. Hemeway has been desirous of joining his brother in Washington and entering the real estate business. The firm will retain the name for the present, but expect to change it in the future, as both Mr. Garmen and Hemeway are now out. The new firm will consist of joining his brother in Washington and entering the real estate business. The new firm will consist of joining his brother in Washington and entering the real estate business.
Mr. and Mrs. O. W. Kem and four children, of Mount Rose, Colorado, arrived in Cottage Grove last week, where they will make their home in the future. Mr. Kem is the president of Cottage Grove Electric Light and Power Company, and uncle of Mr. C. M. Shinn, who recently arrived from Portland, and he is interested in the concern. These two gentlemen are now owners of the company and its holdings in Cottage Grove. Mr. Shinn is a practical electrician, who has had years of experience in this line of work. He will have full control of the mechanical department, while Mr. Kem will take charge of the office work, and affairs connected with that end of the business—Leader and Western Oregon.

EVACUATION DAY IS OBSERVED IN NEW YORK

New York, Nov. 25.—Flags were displayed on the city hall and other public buildings today in observance of the anniversary of the evacuation of New York by the British troops in 1783. Although only a local anniversary day, not celebrated outside of New York, the occasion is commemorated in a number of ways. The famous Old Guard never fails to parade down Broadway and there are flag raisings at the Battery and at old Fort Clinton in Central Park.
Kennedy's Laxative Cough Syrup moves the bowels gently. Contains no opiates. It is pleasant to take and children especially like the taste, so nearly like maple sugar. Sold by all druggists.
Mrs. Welch arrived up from Portland today to visit her son, Russell, of the Willamette Valley Co.

The Sale Begins Friday, Nov. 27th, Closes Saturday Dec. 5.
