SAYS WATER BOARD ORDINANCE NOT IN FORCE

At an adjourned meeting of the city council last evening the matter of turning over the city water plant to the newly appointed commission was brought up and it was found that there is no commission for the reason that the ordinance creating it is not in force. There was an emergency clause in the ordinance, but it was found after it was passed that the supreme court has held that all ordinances except those affecting the public health of the city or of a character, shall not take immediate effect, shall not take effect until 30 days after their passage and signing by the mayor. If an emergency clause is attached a three days vote is necessary. There were only five votes out of eight cast for this ordinance. According to the City Attorney Bean, the ordinance is not in effect, that the ordinance is not in effect, that he has investigated the matter thoroughly but will do so and report at the next meeting of the council.

DEATH OF GRANDPA CASTLE AT SPRINGFIELD

Milton Castle was born in Indiana, June 7, 1832, and died at the home of his son, Elijah, in Springfield, Nov. 28, 1908, from heart failure, at the age of 76 years, 5 months and 21 days. October 22, 1859, he was united in marriage to Nancy Beahm, and to this union were born three children, all of whom are now living, Elijah of Springfield, Mrs. Freer of Alrie and Mrs. Shier of Portland. The deceased is an old pioneer having come to Oregon in 1863 and has since made his home. Only a few short days ago he was about town and feeling well as could be for a man of his years but now another name has been stricken from the ever lessening roll of our old settlers and a solitary warrior in the sunset of life, and a journey home, are left to attest sadly that they will miss him. For 55 years the dear old couple had lived happily together, but now death has parted them and those tender human ties cannot be severed without a pang. Grandpa Castle was a man who united sound sense with a strong conviction, and a sturdy independence, eminently fitted to mind the rude elements of pioneer society and form and consistency, and aid in raising a high standard of citizenship in our young and growing state, a man who valued his word and was a man of his word, and a loyal citizen. Besides his aged companion and children, a number of grandchildren, a host of friends and neighbors will mourn his demise. The funeral services will be held at the residence of Mrs. W. B. Dillard, Dec. 30, at 2 p. m. The body was interred in the Springfield I. O. O. F. cemetery—Springfield News.

HEAVY BUSINESS FAILURE OF COBURG MAN

Floyd, the one-year old son of Fred Callison and wife, who was badly scalded Wednesday by pulling a tub of boiling water over himself, died at the family home at the corner of West Eleventh and Lawrence streets this morning at eight o'clock after intense suffering. The funeral will be held tomorrow morning at 9 o'clock at the residence, with interment in the Pleasant Hill cemetery. The accident happened while Mrs. Callison was doing the family washing. She had poured a boiler full of clothes and boiling water into a tub, which was sitting on a chair and went out of the room. Little Floyd, who could not yet walk, but who was very strong for his age, in some manner tipped the tub over, the boiling suds streaming all over his body. Mrs. Dorothy Bailey arrived here last night from Glendale to visit her relatives.
