WE HAVE have had our Clearance Sale in January of every year since our store has been established. Each and all have been a grand success. Now we have to tell you that this Great Sale will be Greater than ever before in the history of our business.

We have in our various departments an overstock and are determined to reduce them at least 33 1/3%. This will necessitate the removal of several thousand dollars worth of merchandise in the next 30 days. Watch our store all through this Big Sale. We are going to be right to the dot, on low prices and good values. As this immense stock is so large it will be impossible to give you all the items at this time, but through the sale there will be additional extra specials every few days.

Call and see us and let us prove all we have said.
