

CONGRESSMAN SAYS ROOSEVELT "DUTCH PYGMY"

Washington, Jan. 18.—Characterizing Roosevelt "a gargoyle" and "a Dutch pygmy" in a speech before the House today, the Republican congressman from New York, Charles C. Tamm, said that the president's actions were "a disgrace to the American name."

THEODORE ROOSEVELT.

The actions of the president were brought up in both the house and senate today. The tirade delivered on the floor of the house was the most scathing ever heard in that body. Willett said in a speech of great length that the president's actions were "a disgrace to the American name" and "a blot upon the history of the world."

ROOSEVELT DECLINES TO CONSIDER THE TARIFF

Washington, Jan. 18.—President Roosevelt declined an invitation to attend the National Tariff Commission in Indianapolis on January 15. He does not desire to be in the question, as it will be decided by his successor.

LANE'S LEGISLATORS RECEIVE BIG PLUMS FROM LEGISLATIVE POT

Salem, Or., Jan. 18.—In the distribution of the committee assignments in the house, the three members of the Lane county delegation fare well. Eaton gets the chairmanship of education and has places on the ways and means, on rules and on joint rules. Bean was given the chairmanship of elections, and has places on the judiciary and insurance. While Calkins did not receive a chairmanship, he is a member of the following three important committees: Railroads, public lands and enrolled bills.

Among the important bills introduced in the senate this morning were two by Kay, of Marion, one of which provides that convicts shall be employed for that purpose and in the same manner as insane patients are now committed. The other provides for the trial on the original indictment when a case has been reversed on appeal.

ROOSEVELT'S LIBEL SUIT BEGUN IN NEW YORK

New York, Jan. 18.—The nature of the proceedings instituted against the New York World and Indianapolis News because of their criticisms of methods by which the purchase of the Panama canal was made was not disclosed at the brief hearing in court today. Wm. McLaughlin, sporting editor of the World, and J. Angus Shaw, secretary of the Press Publishing Company, were subpoenaed to testify before the federal grand jury in an action not described in the subpoenas.

It is believed to be the outcome of Roosevelt's message to congress, in which he protested against linking the names of Charles P. Taft, brother of the president-elect, and J. Douglas Robinson, the president's brother-in-law, in criticism of the canal purchase. Attorneys for the newspapers objected to the form of subpoenas and asked that they be quashed. Brief arguments were heard and adjournment was taken until this afternoon, when further arguments were heard by Judge H. C. Hard.

Washington, Jan. 18.—The supreme court of the United States today decided against former President Moyer in a damage suit brought by him against former Governor Peabody of Colorado on account of Moyer's imprisonment on the Governor's orders, because of his alleged connection with riots in Telluride, Colorado.

GREEN TO BE PARDONED FROM PENITENTIARY

Salem, Jan. 18.—By the simple fact that the county court Saturday cancelled the mortgage for \$200 held against the home of Mrs. Adella H. Green, the county court has pardoned the man who was convicted of the murder of John Linn in Lane county, and that Green, with his mother, will leave the city forever.

A HELPING HAND.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement: Mrs. W. D. Wood, formerly of 385 W. Eighth street, Eugene, Ore., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, listless feeling which made life a burden."
