SPECIAL VOTE OFFER FOR TEN DAYS ONLY

SPECIAL OFFER FOR TEN DAYS ONLY.

One Year's Subscription to the Daily Guard 2,000 votes.
One Year's Subscription to the Weekly Guard 1,000 votes.

This offer will close February 6th, and the contest will close February 27th. There may be no other special offer of votes during the contest—but that will be decided later.

The contest manager has decided to make another special offer for votes which may be the last one of the contest, or there may be one more only toward the close. That question will be decided later, after this offer has expired. The reason for special inducements at this time is that the weather was unusually bad during most of the time the last special offer was in effect and many candidates in the country districts received little benefit from it. They were unable to get away from home to see any of their friends, and while all did excellent work under the circumstances, the results would have been greater had good weather prevailed. For the benefit of those who were so badly handicapped, this new offer is made, although every candidate is authorized to take advantage of it. The increased votes apply only to yearly subscriptions of the Daily and Weekly Guard, the shorter subscriptions counting only the same as before.

It is more than likely that the work done by the candidates while this offer is in force will decide the contest winners in several districts, since it will be difficult to overcome a long lead after this offer expires.
