No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

WILL PUT FIFTY MEN TO WORK ON MOSS AVE. ELECTRIC LINE

A. M. Utterbach, the Portland, Eugene & Eastern Railway Co's construction foreman, went to Albany today to superintend the work of paving between the company's rails on First street of that city. He will be gone about three weeks, he said this morning, and when he comes back he will put fifty men to work on the Moss avenue extension of the local street railway system and rush the loop connection with the Masonic cemetery line to completion.

Albany is just beginning to pave its main street and as the railway company has to pay for the pavement between the rails of its track, Mr. Utterback goes down there to look after the work.

SUNDAY NIGHT FIRE CAUSES $1,000 DAMAGE

(From Monday's Daily Guard)

The first fire of any consequence in Eugene for many months occurred Sunday night about 9:30 o'clock when the upper part of the residence of E. D. Matlock at 820 Willamette street was badly damaged, entailing a loss of about $1000 to the building and contents.

The fire evidently started from the electric light wires between the roof and ceiling. When Earl, the young son of Mr. and Mrs. Matlock, went to his room upstairs to retire he heard the flames crackling in the closet adjoining the room, but thought the noise was made by rats and went down stairs to tell his parents. When he and his mother entered the room flames were bursting through the closet door and in a twinkling the whole room was ablaze. An alarm was turned in and the fire department responded quickly. A stream of water from the hydrant on the corner nearby and a stream of chemicals from the engine were soon playing on the flames and they were quickly subdued, but not before the interior of the room as well as the two others upstairs were completely gutted and the contents ruined.

A greater portion of the contents of the lower rooms was carried out, but there was considerable damage by water.

The house and contents were insured. Mr. Matlock carried a policy on the building with the McMinnville Fire Relief Association and on the contents with the Glenn Falls Insurance Co., of Glenn Falls, N. Y., J. F. Gates, agent.

The fire occurred just as the services at some of the churches were closing, and there was a general stampede from the church buildings.

Perry Morse, the Creswell youth who was arrested several weeks ago for sending obscene matter through the mails, was taken to Portland Saturday where he appeared before the federal judge. After giving him a good lecture, the judge released him from custody on account of his age, which is only 15 years. Attorney F. H. Greenman of this city, appeared as counsel for the boy. Young Morse sent to a friend two postal cards on which were objectionable pictures. He though that if the pictures were allowed to be printed thereon, surely they could go through the mails, but his arrest followed.
