SPRINGFIELD AND VICINITY

BOOST MEETING SATURDAY NIGHT GREAT SUCCESS

Advertising Fund Started and Committee Named to Complete It Immediately

The big boost meeting Saturday night was a great success and as a result Springfield is assured a fixed sum for advertising purposes and a new and greater enthusiasm now pervades the city. Tom Richardson, Portland's matchless booster, John H. Hartog, the artistic and idealistic publicity promoter from Eugene, and many other Eugene residents were in attendance. Richardson and Hartog were the principal speakers, and they both said many good things aboutSpringfield, but of course Hartog was prone to speak a word for Eugene accosionally.

John Kestley, president of the Commercial Club, opened the meeting with a short address. He introduced Mayor Peery, who delivered a speech of welcome. He was responded to by H. W. Thompson, president of the Eugene Commercial Club. Dr. D. A. Paine followed him with a few remarks, then came Mr. Hartog, and lastly Mr. Richardson.

Mr. Richardson, in his inimitable way, at the end of his address, asked for subscriptions to a permanent booster fund, and succeeded in securing subscriptions as follows: J. W. Shumate and Emerald Heights Co., $10 a month each; John Kestley, M. M. Peery, A. J. Perkins, Charles Rivett, J. W. Machen and the Springfield Planing Mill Company, $5 a month each; H. E. Rice, $3 a month, and a number of others $2 and $1 a month each. The fund subscribed will amount to $750 a year, but it is planned to raise much more than that. The committee will call upon the citizens this week for subscriptions.

PLANNING TO SET OUT PEACH ORCHARD

Clark and Washburne are planning to set out a big 25-acre peach orchard this winter above Springfield across the river from Geo. Dorris' place. It will take 2700 peach trees to cover the tract. They have not decided what variety to plant, but may have several. This year a new variety, the Alberta, is said to be the most popular. The Foster is generally recognized as the best now grown here, although the Crawford is also popular. Such an orchard, it is said, will profit $5 per tree after a few years. The cost of the young trees will run up to $300.

GREAT EXPLOSION OF DYNAMITE

Four thousands pounds of dynamite exploded at once in the side of a hill is quite capable of tearing a large hole. It was such a charge as this that was exploded above Natron on the railroad right-of-way that startled Springfield, shaking and rattling the windows. The blast was plainly felt here.

Until yesterday there has been a large point of rock abutting the river directly across the railroad line. Now this lies in the river and the righ-of-way is clear. For the past month men with drills have been lancing both sides of the mountain and the holes filled with dynamite. By yesterday noon they had finished their work and from the cap on the explosive in each hole wires led and connected together with two wires which were then carried to about a quarter of a mile down the road. As soon as it was ascertained that the vicinity of the hill was cleared from any human life the button was pressed that sent an electric current through the wires. In an instant an immense black cloud of rock and earth rose to a height of several hundred feet followed by a deafening roar.

The column of smoke and debris could be seen for miles. Reports from Pleasant Hill say that it could be seen therre. The rattling of windows was not noticed in Eugene as much as in Springfield.

ROADS GETTING IN BAD SHAPE

The livery men and farmers report the roads out of Springfield very bad for the small amount of rain had so far. The road from Goshen to Lowell is going to be very badly cut up this winter by the freighting that is done over it. Already it is very bad. Some half dozen freighters can be passed either way on the road now.

HIGH SCHOOL WILL HAVE FOOTBALL TEAM

Sprigfield High school will have a foot-ball team this winter after all. The boys have rallied and are turning out every evening with a full squad and several others. They have a game scheduled for Saturday with Junction City at that place. So far little work other than running signals has been done, but towards the last of the week they will buckle down to the strenuous line bucking. The team practices on the railroad's land north of the tracks.

ANOTHER LUNCH COUNTER HAS OPENED

Another business house in Springfield, this time a lunch counter. It has been opened in the Casteel building across from the new Rivett block, with a rooming house conducted in connection. The proprietor is a newcomer in Springfield from a point in Arizona. He has fitted up an attractive counter and his previous experience in this line will doubtless make a popular place here.

MANY RAILROAD TIES GO TO NATRON

Thirteen carloads of ties that have gone to Natron already this week begin to look as though things were progressing on the now road. The ties were the standard 7x9. The rails that will be laid on this line are the heavy 90 pound steel. As yet none have been sent. The ties that have gone up this week are only part of what is already there. Booth-Kelly made a large number for them.

LOUIS WEST HAS FINGER AMPUTATED

Louis West, a farmer living near Pleasant Hill, had his finger amputated just below the first joint yesterday at the office of Dr. Barr & Pollard as the result of bringing the member in contact with a circular saw. He was working near the saw that was cutting wood on his place when he chanced to reach too close to it. His finger was mangled so badly that amputation was neccessary.

News Notes

The basket social given by the High school on Friday evening was a remarkably success, the school taking in some $52, over $40 of which is cleared. This pays up all the debts and leaves some money in the treasury. When mentioning the debt left by the school paper last year this paper erred by stating $50 instead of $15; these sums are not so much alike as they sound.

A big Marion steam shovel went to Natron Friday, but had to be brought back to turn it around on the turntable, going up wrong end to. There are now four of these big machines tearing away the hills for the new railroad day and night.

There is a large amount of blasting being done on the rock work now. An average of one car of powder and dynamite a day is being sent up there. Powder houses have been built along the road. Three hundred head of horses went up Thursday.

The light stringers that have been placed in front of the opera house are to be permanent and used for all big occasions as they are in Eugene.

The Methodists are planning to build a $1500 parsonage for their church.

The poles for the Eugene power line have been distributed as far as Thurston.

The trench for the new sewer on South A street is nearly finished.

SPECIAL INVITATION TO THE MOTHERS

who have either boys or girls to go to school. We are positive that such extra special low prices on reliable school shoes will not be found this side of the GREAT DIVIDE. Boys' shoes 2½ to 5, $1.50. Girls' Iron Clad School Shoes 12½ to 2, $1.45. Childs' 4 to 8, regular $1.50 for 85c. Infants soft soles for 18c.

DODGE DEPARTMENT STORE. wo21

ENGAGEMENT POSTPONED.

All the ladies' conversation and sewing societies of Eugene that intended holding joint meeting Saturday are postponed until further notice, as many members have declared their intenetions of attending the Banner Boot and Shoe Specials of the Dodge Department Store. It is reliably reported that the special cut prices on shoes is without doubt the greatest bargain giving event ever held in Eugene. wo21

The Bed-Rock of Success

lies in a keen, clear brain, backed by indomitable will and resistless energy. Such a power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lizemore, W. Va., writes: They are the best pills I ever used." 25c at W. A. Kuykendall's.

H. L. Carter and J. E. Kenerly of Leaburg, brought to this office, Saturday, some samples of corn grown on their farms which surpass a great deal that grows in the corn-raising states of the Middle West. The yellow ears were grown by Mr. Kenerly and the white by Mr. Carter and both varieties are hard and well matured, although just picked from the field. This corn may be seen at the Guard office. Mr. Kenerly attributes the improvement in quality and yield of corn in the Willamette valley to better cultivation than was formerly given it.

E. P. Williams, of Pleasant Hill, was a caller at The Guard office today.

Directions for Colic in Horses.

Contents of a small bottle of Painkiller (Perry Davis') in quart bottle, add pint warm or cold water, sweeten with molasses, shake well until all mixed. Give about half an ounce, then balance in fifteen minutes, if first dose is not sufficent. This will be found a never failing remedy. 35c for a large bottle. Als in 25c and 35c sizes.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THIS WILL INTEREST MOTHERS.

Mother Gray's Sweet Powders for Children, a certain relief for feverishness, headache, bad stomach, teething disorders, move and regulate the bowels and destroy worms. Break up colds in 24 hours. They are so pleasant to the taste and harmless as milk. Children like them. Over 10,000 testimonials of cures. They never fail. Sold by all druggists 25 cents. Ask today. Don't accept any substitute.

even a penny—until health returns. I am just exactly that.

I am the one physician who says to the sick, "I will, out of my own pocket, pay for your medicine if it fails to bring you health."

And for 20 years Dr. Shoop's medicines have been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere.

Then why pay the cash, and at your risk, for other unwarranted and uncertain medicines? Thousands upon thousands have in the past successfully used Dr. Shoop's Restorative.

When the Stomach, or the Heart nerves fail, or Kidney trouble sickens, it is now how Dr. Shoop's Restorative will quickly Dr. bring them back to health again. But best of all, other positively take no money risk whatever.

They know that when health fails to return Dr. Shoop will himself gladly pay the druggist for that test. And for that test a full 30 day treatment is freely granted.

But write me first for an order.

This will save delay and disappointment.

All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but rheumatic pills are not authorized to day test so the druggist has the right to offer them. Only reliable druggists have appointed an honest and responsible druggist in almost every community, everywhere, to base my "no help, no pay," medicines to the sick.

Tell me also which book you need.

The books below will surely open up new and helpful ideas to those who are not well. Besides you are perfectly free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
