CIRCUIT COURT BEGINS TRIAL OF LIQUOR CASES

The circuit court today took up the liquor selling cases again, Jack Lupton being the first to be tried at this term. It will be remembered that Lupton was arrested for the alleged sale of liquor at his Coney Island resort and was tried at the last term, the jury disagreeing. It took nearly all of the afternoon today to secure a jury to try him this time.

The jury was completed late this afternoon. It consists of the following: J. H. Blewett, C. E. Carlile, J. N. Crow, R. B. Henderson, J. B. Bamford, W. H. Blanton, Sr., W. L. Bristow, J. I. Jones, John F. Spray, L. F. Woley, John Helshaw, John Woods.

Sentenced to Pay \$25 Fine
Harold Lynwood, the youth who stole Earl Small's bicycle about a month ago, pleaded guilty this forenoon to simple larceny and was sentenced this afternoon to pay a fine of \$25, the minimum penalty. He has not the money and will serve twelve and a half days in jail. He has already been in jail nearly a month.

Junction Man Fined
Lester Lehrbach, of Junction City, was arraigned in court late yesterday afternoon on the charge of selling liquor and entering a plea of guilty. He was fined \$150.

Other Cases
John Camp, charged with larceny by bailee, and Jos. F. Matlock, charged with assault with intent to commit rape, this morning entered pleas of not guilty. Their trials will be held some time this week.

In the case of Sarah E. Blair vs. John F. Spray, to recover money, the jury last evening returned a verdict for the defendant.

In the case of R. L. Edwards and E. B. Copenhaver vs. W. R. Walker, to recover money, the jury returned a verdict for the defendant late yesterday afternoon.

LECTURE ON CHRISTIAN SCIENCE

Judge Septimus J. Hanna, C. S. D., of Colorado Springs, Colo., will speak on Christian Science next Tuesday evening at the Eugene theatre, under the auspices of the First Church of Christ, Scientist, in this city. Judge Hanna is a member of the board of lecturers of the First church of Christ, Scientist, in Boston, having served in this capacity for several years. He was for ten years editor-in-chief of the denominational periodical. The lecture is designed to correct erroneous ideas on this subject, and generally to indicate its basis, method and scope. The lecture will be free and no collection will be taken.

ONE WEAK SPOT

Most Eugene People Have a Weak Part, and Too Often It's the Back

Every one has a weak spot. Too often it is a weak back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Tells you the kidneys need help. For back ache is really kidney ache. A kidney cura is what you need. Doan's Kidney Pills cure sick kidneys. Cure back ache and urinary ills. Eugene people recommend the remedy.

Samuel Chuer, 335 East Twelfth street, Eugene, Or., says: "Back ache pains in the region of the kidneys and other difficulties due to an inactive condition of these organs, were dispelled with the most gratifying promptness by Doan's Kidney Pills in our family. We procure them at DeLano's drug store and it acted up to the representations made for it in such a thorough manner that we consider it a duty to let others know of its merits."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A BROKEN BACK.

That pain in your back caused by lumbago, stiff muscles or a strain is an easy thing to get rid of. Ballard's Snow Liniment cures rheumatism, lumbago, sore and stiff muscles, strains, sprains, cuts, burns, bruises, scalds and all aches and pains. You need a bottle in your house.

E. A. Jones, who lives a few miles west of the city, was kicked in the face by a horse yesterday with the result that his countenance is badly disfigured, several deep cuts being inflicted by the horse's shoe.

A clergyman writes: "Preventives, those little Candy Coid Cure tablets, are working wonders in my parish." Preventives surely will check a cold, or the grippe, in a few hours. And, besides, they are so safe and harmless. No quinine, nothing harsh nor sickening. Fine for feverish restless children. Box of 48 at 25c. Sold by all druggists.

Fresh eggs advanced to 50 cents at wholesale at this time yesterday, making not only a record for this season but for previous years as well. While eggs are at a record level there, dealers are looking to California for supplies.

Exposure to wet, dampness and cold, invariably results in a sudden chill, which if not attended to immediately will cause a sudden cold. By mixing a teaspoonful of Perry Davis' Painkiller in half a glass of warm water or milk, the whole system will be heated and the danger of cold avoided. Avoid substitutes. There is but one Painkiller—Perry Davis'. Price 25c, 35c and 50c.

YOU CAN BE A MORE POPULAR AUTHOR, FOR ONE DAY, IN THIS CITY, THAN DICKENS

On the day that you publish in this newspaper a "help wanted" ad you will be more widely read in this city, than Dickens, or any other author. For your theme will touch human interests more intimately, more immediately, than any fiction can do. You will appeal to human emotions at close range. And incidentally you will deserve to be, for that one day, a "popular author."

DRYS TAKE FOUR ILLINOIS COUNTIES

Chicago, Nov. 2.—Four more Illinois counties were added today to the conquest of the anti-saloon element of the state, when Morgan, Pope, Scott and Menard counties joined the ranks of the "drys" leaving no wet precincts in the territory in question. In the state now 48 of the 102 counties are wholly barred against saloons.

In Jacksonville, which already was dry, the hottest fight of the day took place. The saloon forces had perfected one of the most compact organizations ever experienced in Morgan county, but the "drys" won in the city by 292 votes compared with 74 two years ago, when the county first swung into line with the anti-saloon crowd. Merceda, the only wet precinct of the last two years, was voted dry by 25 majority.

Goldconda Bars Saloons. In Pope county, Goldconda was won by the drys by a majority of 79. That city never before had put up the bars against saloons. Two years ago the saloon element won by five votes. Five saloons are driven out of business.

In Menard county the only two wet precincts—Petersburg and Athens—went over to the other side, making a clean sweep in the county. Petersburg was against saloons by only four votes, and Athens the no-license proposition carried by 23. Ten saloons will have to retire from business.

Drys Sweep Scott County. Scott County went with clean skirts into the dry column when South Winchester, Essex and Naples decreed that the saloons must go. South Winchester carried for dry by 89. Essex by 18 and Naples by 23. Naples' two saloons are forced into the discard.

Wets Annex Dry Town. Mount City, Ill., Nov. 2.—This town voted "wet" in the local option election today by 149 majority. For two years it has been "dry."

Earl Parsons and bride returned home this morning from a trip to the East. Mr. Parsons was married about three weeks ago at Everett Wash. to Gladys Gillespie, but very few people here knowing of the marriage. They will take up their residence in Eugene.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the stomach or stimulating the heart or kidneys, is surely wrong. Dr. Shoop's pointed out this error: "Go to the weak or ailing nerves of these organs." Each inside organ has its own "inside nerve." When these nerves fail, then those organs must surely fail. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's restorative. A few days' test will surely tell! Sold by all druggists.
