AT LOS ANGELES BALLINGER-PINCHOT MATTER NOT AGREED TO BY HOUSE AND GOES TO CONFERENCE

Washington, Jan. 12.—The house today refused to concur in the senate amendments to the Pinchot-Eallinger resolution, and decided to ask for a conference. The speaker named the following conferees: Dalzell, of Pennsylvania; Smith, of Iowa, and Fitzgerald, of New York.

The senate joint resolution is a compromise measure, the basis of which is the Jones-Humphrey resolution. A portion of the resolution reported from the house committee on rules is incorporated in the measure, and this included all of that part Criticises American Colleges which provided for the compulsory attendance of witnesses and punishment of those who refused to obey the orders of the investigation committee. It provides for the selection of house members by the house itself in accordance with the vote of that

Oregon Professor Speaks on Student Activities and Student Work

REAL HERO MAN WHO FOREGOES PLEASURE

for Growing Attention to Student Activities

Professor H. C. Howe, at the Wednesday assembly in Villard Hall this morning, gave an address under the subject of "The Relation of the Stucollected statements of several of the most famous authorities on college subjects in this country, which, although of a radical and startling nature on vital questions at the University of Oregor, he brought out in a pointed manner that showed the students how much strength there the American college of today for its growing attention to student activiles rather than to studies, cking the statement of Woodrow Wilson, president of Frinceton, that the "side shows" in the American college give danger of usurping the attraction of the "main tent." He emphasized the fact that the college hero is not the but the "grind," as he characterized the man who foregoes social pleasure and athletics for his studies that his uture life might amount to more. COURT FAVORED Professor Howe said his remarks were more a collection of what has en said by other men rather than his own.
