DISTRICT FAIR WILL BE HELD AT ROSEBURG

H. F. Hollenbeck and Amos Wilkins are home from Roseburg, where they attended the meeting of the Second Southern Oregon District Fair Association Saturday, but were unsuccessful in bringing the fair to Eugene this year.

The Eugene delegation, with the assistance of W. W. Cardwell, of Roseburg, and Mr. Stewart, of Curry county, worked hard for Eugene, but the Douglas and Coos county delegates were just as determined to hold the fair at Roseburg, and won out.

Will Hold County Fair. The local fair association is not greatly discouraged at this action and will go ahead with preparations for a big county fair to be held on the new grounds near Florence.

IMPRESSIONS OF TRAVELER ON THE SIUSLAW ROAD

When we left Eugene six weeks ago, for a few weeks' stay at Florence, and a fortnight on the coast, we thought we were almost killed when we reached Mapleton.

Our second impression might be termed lumber. As we came up the Siuslaw we passed a large number of logs that were being taken down by the high water, but as the streams lowered a great many of the logs were left at the water's edge and should have been rolled in while the river was still high.

Man Who Forged Eugene Man's Name Sentenced. Charles H. Chapman Given Two Years by Judge at Vancouver, B. C.

The following is from the Vancouver, B. C., Daily Province of March 5: Following a trial which had a number of dramatic features, Judge McInnes at noon today sentenced to a term of two years Charles H. Chapman, of Portland, and more recently of Tacoma, but known as Campbell when arrested here by Detectives McLeod and Thompson in the Hastings street branch of the Imperial bank six weeks ago.

His chief defense was the one Geo. W. Elder, with whom he had but passing acquaintance, had given him the document in repayment of a loan of \$50.

It is claimed by the crown that Elder is one C. H. Davis, now awaiting trial on a similar charge in connection with the same transaction Mr. Willoughby, who came up from Eugene, Or., testified that the signature was a forgery and that he knew Davis as Elder, and had shown Davis his signature.

Raleigh Morris looked rather lonely last Sunday. He is accustomed to spend his Sundays with the school marm. We would advise Clark Hileman to call on Raleigh on week days, as the latter does not like to entertain company at home on Sunday.

The upper Mabel school is progressing nicely with Miss Smith as teacher.

Mrs. P. L. Van Matre is improving.

CAMPBELL BLOCK WILL BE STARTED IMMEDIATELY

It was the original intention of the Campbell heirs to cover the entire lot with a huge block where the old residence now stands, but the final decision was to erect a building with a frontage of 54 feet on Olive street and extending 100 feet back. It will cost in the neighborhood of \$15,000.

Extend Building Later. It is the intention to extend the building south to West Ninth street in the future, probably before another year has gone. This will make a huge structure 160x100 feet in dimensions.

JAMES J. HILL BUYS UNITED RAILWAYS

Negotiations for Purchase of Oregon Electric Reported Also to be Pending.

Portland, Or., March 6.—Reports that James J. Hill and Great Northern interest had purchased the United Railways, of Portland, which have been more or less in circulation ever since the road changed hands last fall, are now positively confirmed.

Two motives, it is understood, actuated Hill in the acquisition of the road. One is the desire to connect the North Bank terminal facilities and the other availability of the route for extension to the heavily timbered Tillamook district.

Advices from authentic Eastern sources are that up to within the last day or two the sale of the Oregon Electric Railway had not been made to Hill, although negotiations, it is understood, are pending.

But what may be an indication that they may be finally completed came yesterday in the form of an official announcement that transcontinental passenger and freight rates via the Northern Pacific, Great Northern and North Bank routes to Oregon Electric territory had been ordered and a division agreed upon.

These rates will be published as soon as the tariff sheets can be prepared by the Transcontinental Traffic Bureau in Chicago, and it will be four to six weeks before they can be actually put in effect.

WESTERN UNION WILL ALSO GIVE NIGHT LETTER RATE

Announcement is made by the Western Union Telegraph Company that it will shortly be prepared to handle long night messages, at the rates customarily charged for ten day messages.

A KNOCKER FROM IOWA IN OUR MOST

A friend of The Guard has sent us a clipping from the Cedar Rapids, Iowa, Evening Times in which is printed the following letter from a young man who is now visiting in Eugene:

Eugene, Or., Feb 24, 1910. The Republican and Evening Times: I have read in the Cedar Rapids papers about the very severe weather in Iowa the past two months.

It is true, as Mr. Robovsky says, that the past winter has been the hardest winter in many years, but he would not have made such a statement that it rains nearly every day from September to April.

It is not true, as young Robovsky says, that most of the people here are afflicted with rheumatism and catarrh. There is not more suffering from these ailments here than in Iowa and not as much as in some of the other Middle Western states.

Tell Some Sick One It Is Free If It Falls

Will you do an act of humanity? Will you tell some sick friend of this, my remarkable offer?

Do not do the stomach, nor stimulate the heart or kidneys—for that is all wrong. Dr. Shoop's Restorative goes direct to the cause of these ailments—the falling, faltering, inside or controlling nerves.

When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

When these nerves are again made well and strong, then that is the certain end of all such sickness.

Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No Slip, No Pay" protection plan.

Dr. Shoop, Box 12, Bend, Ore. Write me now and save all delays. I will send you a sample of this medicine free of charge.
