La Follette's Physical Valuation

Amendment Defeated by a

Comments of Roosevelt's Remarkable Address Colored by Partisan Bias.

ALL AGREE IT WAS NOT IN GOOD TASTE

As Guest of City Former President Should Not Have Criticised British Government.

Editorial comments on his country. startling atterances concerning Brit-ish rule in Egypt are influenced as a rule by partisanship. The conserva-tive press defends the conclusions drawn by the American statesman. while the liberal papers oppose his deductions with equal seriousness. But autside the greations of fact set forth, the newspapers almost without exception have challenged the propriety of a foreign guest of the city criticising the colonfal policy of the empire.

SANTA FE'S MEN RECEIVE INCREASE

Topeka, June 1 .--- The announcement is made that all employes of the Santa Fe rallroad receiving less than \$30 per month Shave been granted an increase of ten per cent in wages.

DR. COOK CANNOT BE

TO LOCATE ON

M'KENZIE

J. A. Youngreen, the well-known Springfield farmer end irrigation promoter, is warking on a colony scheme which is about to result in bringing fifty ar sixty families to this county from New York state and Pennsylvania. Mr. Youngree, it is un-derstoods, controls about 5000 acres of land along the McKeaze river above Springfield on which he will kazate these families. I le is expetabove Springfield on which he will locate these families. He is expect-ing representatives of these people here very soon to pick out locations for them and the families will fol-bow later. The members of this colony are tytion, stood before them, with bent

Close Vote Today. LONG AND SHORT HAUL CONTROVERSY SETTLED Commission Empowered to Fix Minimum Rates Where Roads Compete With Waterways. Washington, June 1 .- The La Fol-

lette amendment to the railroad bill providing for the ascertainment of the physical valuation of railroads as a basis for fixing rates, was rejected by the senate by a vote of 25 to 40. The Burton amendment, authoriz-

ing the interstate commerce com mission to fix the minimum rate that may be charged by railroads which may be charged by railroads which compete with water routes was adopted 53 to 1. The negative vote was cast by Senator Frye. The senate also adopted an amend-ment by Simons prohibiting the in-terstate commerce commission from COLONYFROM EAST HON B. F. DORRIS

granting a lower charge for the long than for the short haul, when made to destroy water competition.
