McCormack, 339; Pri- a policy of distrusion instead of "conservatism" of lands.

They condemn his attitude toward the champions of conservatism and charge him with causing embarrassment to the president and loss to the people.

Equally insistent that Ballinger's actions, in and out of the interior department, have not been open to criticism, Vertrees, counsel for the secretary, declares none of the accusations made against him have been sustained by presentation of fact. Vertrees attempts to show by the evidence that there has been a conspiracy afoot to secure Ballinger's removal from office because he did not approve of the so-called "Garfield" policies.
